

For the attention of Mid Kent Water customers

Ofwat is seeking the views of Mid Kent Water customers and other interested parties on its proposal that South East Water replaces Mid Kent Water as your water supplier. The proposed replacement is designed to achieve the merger of South East Water Limited with Mid Kent Water Limited, following the Competition Commission's decision of 1 May 2007. Modifications are also proposed to South East Water's conditions of appointment to achieve the merger and ensure that the consumer interest continues to be protected.

Any comments or objections to the proposals should be received by Ofwat no later than 30 November 2007.

Full details of the proposals, and the Competition Commission's decision, can be found on Ofwat's website www.ofwat.gov.uk or obtained from the Ofwat library on 0121 625 1373.
