

Office of Water Services

Water Industry Act 1991 Section 8(3)

Proposal by the Director General of Water Services to vary the Appointments of Three Valleys Water plc and Anglian Water Services Ltd as water undertakers Site at Kodak, Harrow

The site

The Kodak site is at Headstone Lane, Harrow. It is at present within the Water Supply Area of Anglian Water Service Ltd.

The proposal

The Director General of Water Services (the Director) proposes:

i) to vary the Appointment of Three Valleys Water plc (Three Valleys) as a water undertaker so that it includes the Kodak site in its Water Supply Area; and

ii) to vary the Appointment of Anglian Water Services Ltd (Anglian) as a water undertaker by excluding the site from its Water Supply Area.

This proposal is possible because Anglian has consented to the appointment of Three Valleys as the water undertaker for the Kodak site.

The Director considers that this proposal, if implemented, will facilitate competition in the provision of water supplies. The customer in question (Kodak plc) has also said that it wants to be within Three Valleys' Water Supply Area.

Customer representation

The Director considers that WaterVoice Thames will remain the appropriate customer service committee to represent the customers on the Kodak site.

Consultation

Any representation about, or objections to, the proposals should be sent in writing to Beryl Brown, Head of Competition Policy, Office of Water Services, Centre City Tower, 7 Hill Street, Birmingham, B5 4UA (fax 0121 625 1379) so as to be received no later than 5pm on 1 June 2004.
