

**For the attention of customers  
of Mid Kent Water**

We are inviting comments on proposals to protect customers of Mid Kent Water Limited following changes to its ownership.

We propose to make a small change to the company's conditions of appointment to ensure that under the new ownership structure the relationship between the company and its owners continues to enable Mid Kent Water Limited to meet its licence obligations.

A complete copy of the proposals is available on our website [www.ofwat.gov.uk](http://www.ofwat.gov.uk) or from our library by calling 0121 625 1373. Consultation closes on 28 July 2005.
