Coming into effect on 17 December 2009

1. Independent Water Networks Limited ("IWN") and Anglian Water Services Limited ("Anglian Water") both hold Appointments as water and sewerage undertakers for their respective areas ("the Appointments").<sup>1</sup> The areas to which the Appointments of IWN and Anglian Water as water and sewerage undertakers relate ("Water Supply Area" and "Sewerage Services Area") are set out in their Instruments of Appointment.
2. The site at Brooklands in Milton Keynes, which is shown edged in red on the plan attached to this variation ("the Site"), is within Anglian Water's Water Supply Area and Sewerage Services Area. The site is being developed by Places For People.
3. IWN has applied under section 7(4)(b) of the Water Industry Act 1991 ("the Act") for a variation of its Appointments as a water and sewerage undertaker to include the Site and for a consequential variation of Anglian Water's Appointments.
4. On 27 June 1995, the Secretary of State for the Environment and the Secretary of State for Wales acting jointly and pursuant to sections 6(1) and 7(2) of the Act authorised the Director General of Water Services<sup>2</sup> to make variations such as those contained in paragraph 5 below. After public consultation as required by section 8 of the Act, the Water Services Regulation Authority has decided that it should grant IWN's application without modification.
5. Therefore, as provided by sections 7(2) and 7(4)(b) of the Act, and with the agreement of Places For People, the Water Services Regulation Authority **varies**—
  - (a) the Appointment of IWN as a water and sewerage undertaker so that the Site is included in IWN's Water Supply Area and Sewerage Services Area; and
  - (b) the Appointment of Anglian Water as a water and sewerage undertaker so that the Site is excluded from Anglian Water's Water Supply Area and Sewerage Services Area.
