

**WATER SERVICES REGULATION AUTHORITY
WATER INDUSTRY ACT 1991, SECTIONS 6 TO 9 AND 11**

Variations of the Appointments of Independent Water Networks Limited as a Water and Sewerage Undertaker and Thames Water Utilities Ltd as a Water and Sewerage Undertaker

Made on 24 February 2010
Coming into effect 25 February 2010

1. Independent Water Networks Limited ("IWN") and Thames Water Utilities Ltd ("Thames Water") both hold Appointments as water and sewerage undertakers for their respective areas ("the Appointments").¹ The areas to which the Appointments of IWN and Thames Water as water and sewerage undertakers relate ("Water Supply Area" and "Sewerage Services Area") are set out in their Instruments of Appointment.
2. The site at The Bridge, Dartford, which is shown edged in red on the plan attached to this variation ("the Site"), is within Thames Water's Water Supply Area and Sewerage Services Area. The site is being developed by George Wimpey.
3. IWN has applied under section 7(4)(b) of the Water Industry Act 1991 ("the Act") for a variation of its Appointments as a water and sewerage undertaker to include the Site and for a consequential variation of Thames Water's Appointments.
4. On 27 June 1995, the Secretary of State for the Environment and the Secretary of State for Wales acting jointly and pursuant to sections 6(1) and 7(2) of the Act authorised the Director General of Water Services² to make variations such as those contained in paragraph 5 below. After public consultation as required by section 8 of the Act, the Water Services Regulation Authority has decided that it should grant IWN's application without modification.
5. Therefore, as provided by sections 7(2) and 7(4)(b) of the Act, and with the agreement of George Wimpey, the Water Services Regulation Authority **varies**—
 - (a) the Appointments of IWN as a water and sewerage undertaker so that the Site is included in IWN's Water Supply Area and Sewerage Services Area; and
 - (b) the Appointments of Thames Water as a water and sewerage undertaker so that the Site is excluded from Thames Water's Water Supply Area and Sewerage Services Area.
