Response to consultation: Ofwat's Section 13 proposals to modify company licences

Peel Water Networks Limited (PWNL) has reviewed the changes proposed in the consultation document and is supportive of Ofwat's drive towards flexibility in the market. PWNL are therefore minded to accept the changes proposed subject to any review in light of challenges which are passed on to The Competition Commission.

If Ofwat require any further detail or support in moving these changes through due process, please feel free to contact us. We look forward to hearing more from you on how the changes will be implemented.

Yours sincerely,

Adam Giblin
