

2014-15 Special Agreement Register South Staffordshire Water plc

Special Agreement Information

Potable Water

There are no special agreements for potable water supplies.

Non - Potable Water

SSCNONPOT1 (formerly CAMNONPOT1)

This agreement was made for the supply of higher quality water. This agreement has been extended to March 2017.

Bulk Supply Information

Exports of Water

SSCBWE1 (formerly SSTBWE11)

Transfer price is for bulk import/export agreement. The other party, Severn Trent Water, has the option to take the same volume of water.

SSCBWE2 (formerly SSTBWE12)

This supply to Severn Trent Water comes from the Hampton Loade Treatment Works, which is a shared resource between South Staffordshire Water and Severn Trent Water. The supply is not charged, but Severn Trent Water contributes its share of the operating cost of the works based on proportionate usage, paying at cost.

SSCBWE3 (formerly CAMBWE3)

This supply is to Anglian Water. It was agreed prior to privatisation, and is charged at the standard metered tariff in the Cambridge area.

SSCBWE4, SSCBWE5 (formerly CAMBWE1, CAMBWE2)

These supplies are to Affinity Water. They were agreed prior to privatisation, and are charged at the standard metered tariff in the Cambridge area.

SSCBWE6 (formerly CAMBWE4)

This supply to Affinity Water is maintained for emergency purposes only. It was agreed in June 1999, initially for 18-month duration. Since January 2001, the agreement has been renewed annually by both parties. The supply is charged at the standard metered tariff in the Cambridge area.
