Tim,

We are pleased that Ofwat have recognised the issue with WRFIM formula and the current license. We are supportive of the proposal to amend licence condition B and the proposed wording in Ofwat’s PR14 rulebook policy document. We believe enabling the WRFIM formula to operate symmetrically as intended is in the interest of customers and water companies.

If you have any further questions please don’t hesitate to contact me.

Regards,

Chris Milner

Regulatory Finance Manager,

Strategy & Regulation
