- 1.2 To provide for reviews of the Appointed Business to be carried out by the Water Services Regulation Authority, so that the Water Services Regulation Authority can determine whether one or more Price Controls should be changed. 9 Periodic Reviews of the Appointed Business

9.1 The Appointee shall levy charges in a way best calculated to comply with the Price Control or Price Controls determined by the Water Services Regulation Authority pursuant to sub-paragraph 9.3 or sub-paragraph 9.4.

9.2 The Appointee shall furnish to the Water Services Regulation Authority such Information as the Water Services Regulation Authority may reasonably require to enable it to carry out a Periodic Review pursuant to sub-paragraph 9.3 or sub-paragraph 9.4.

9.3 In respect of the Appointed Business's Retail Activities, the Water Services Regulation Authority shall determine (having regard to all the circumstances which are relevant in the light of the principles which apply by virtue of Part I of the Water Industry Act 1991 in relation to the Water Services Regulation Authority's determinations, including, without limitation, any change in circumstance which has occurred since the last Periodic Review or which is to occur):

- (1) what is the appropriate nature, form and level of one or more Price Controls in respect of the relevant part or parts of the Appointed Business;
- (2) how the Appointee shall, in respect of each such Price Control applicable to it, demonstrate the compliance referred to in sub-paragraph 9.1; and
- (3) for how long each such Price Control in respect of the Appointee shall last (being a period of consecutive Charging Years).

9.4 In respect of the Appointed Business's Wholesale Activities except those activities for which there are Excluded Charges, the Water Services Regulation Authority shall determine (having regard to all the circumstances which are relevant in the light of the principles which apply by virtue of Part I of the Water Industry Act 1991 in relation to the Water Services Regulation Authority's determinations including, without limitation, any change in circumstance which has occurred since the last Periodic Review or which is to occur):

 - (a) the percentage change (expressed, in the case of an increase, as a positive number, in the case of a decrease, as a negative number, and, in the case of no change, as zero) in the Retail Prices Index between that published for the month of November in the Prior Year and that published for the immediately preceding November; and
 - (b) a number, "**K**", which may be a positive number or a negative number or zero

which together shall be expressed as a percentage, and which shall limit the change in the charges to be levied by and/or revenue allowed to the Appointed Business in each Charging Year in respect of the Wholesale Activities concerned; and

- (2) how the Appointee shall, in respect of each such Price Control applicable to it, demonstrate the compliance referred to in sub-paragraph 9.1.
- 9.5 Each Price Control determined under sub-paragraph 9.3 pursuant to a Periodic Review shall be set for a period which shall be a number of Charging Years to be determined by the Water Services Regulation Authority, in conjunction with its determination pursuant to sub-paragraph 9.3, in each case starting on 1 April, with the first such period starting on 1 April 2015, provided that no such period shall exceed five consecutive Charging Years.
- 9.6 Each Price Control determined under sub-paragraph 9.4 pursuant to a Periodic Review shall be set:
 - (1) for the five consecutive Charging Years starting on 1 April 2015; and
 - (2) thereafter, for each period of five consecutive Charging Years starting on the fifth anniversary of the first day of the period in respect of which the immediately preceding Periodic Review was carried out.
- 9.7 If, at any time after 1 April 2015, the Water Services Regulation Authority is unable to conduct a Periodic Review by 31 December in the Charging Year before the Review Charging Year, then:
 - (1) in respect of Retail Activities, the previous determination pursuant to sub-paragraph 9.3 – in so far as that determination includes the matters decided under sub-paragraphs 9.3(1) and (2) – in respect of the final Charging Year of the period that was set in that previous determination pursuant to sub-paragraph 9.3(3), shall continue to apply for consecutive Charging Years until the next relevant determination under sub-paragraph 9.3 (or equivalent determination by the Competition and Markets Authority pursuant to paragraph 16) or the next relevant Interim Determination becomes effective;
 - (2) in respect of Wholesale Activities, the previous determination pursuant to sub-paragraph 9.4 in respect of the final Charging Year of the period that was set in that previous determination shall continue to apply for consecutive Charging Years until the next relevant determination under sub-paragraph 9.4

(or equivalent determination by the Competition and Markets Authority pursuant to paragraph 16) or the next relevant Interim Determination becomes effective;

- (3) the Water Services Regulation Authority shall conduct a Periodic Review as soon as reasonably practicable thereafter, provided that the Appointee has not given a relevant notice under paragraph 16.

9.8 Where there is a material change to the basis of compiling the Retail Prices Index, this Condition, in so far as it relates to that part of the calculation of any Price Control to which the Retail Prices Index is relevant, shall be modified in such a manner as the Water Services Regulation Authority, after prior consultation with the Appointee, may determine to be appropriate to take account of such change.

9.9 The Water Services Regulation Authority (or such person or persons as may be nominated by the Water Services Regulation Authority to do so) may at its discretion from time to time (whether pursuant to a Periodic Review in conjunction with a determination pursuant to sub-paragraph 9.3 or sub-paragraph 9.4, or at other times) designate any activity that constitutes the provision of goods or services by the Appointee directly to one or more End-Users or that are ancillary to such provision

- (i) as a Retail Activity where previously and until that designation it had been designated as a Wholesale Activity; and
- (ii) as a Wholesale Activity where previously and until that designation it had been designated as a Retail Activity,

provided that, for the avoidance of doubt, none of the following shall be designated as a Retail Activity:

- (a) water resources, raw water distribution, water treatment, treated water distribution, sewage collection, sewage treatment, sludge treatment or sludge disposal (as each of those is defined in the Water Services Regulation Authority's Regulatory Accounting Guideline 4.04); or

- (b) in so far as the ownership of meters is so designated, the ownership of meters that were installed at, or in order to measure supplies to, End-Users' premises on or before the date of such designation.

9.10 Where a designation is made under sub-paragraph 9.9 pursuant to a Periodic Review in conjunction with a determination pursuant to sub-paragraph 9.3 or sub-paragraph 9.4, that designation shall be treated for the purposes of sub-paragraph 16.1 as part of the determination.

9.11 Where a designation is made under sub-paragraph 9.9 otherwise than pursuant to a Periodic Review in conjunction with a determination pursuant to sub-paragraph 9.3 or sub-paragraph 9.4, that designation shall be treated for the purposes of sub-paragraph 16.1 as part of the next following determination in respect of the activity concerned.

10 Wholesale Charges Publication

10.1 The Appointee may from time to time be required to publish charges fixed for the purposes of demonstrating compliance with the Price Controls determined in respect of its Wholesale Activities. Such requirement shall be made by way of a notice from the Water Services Regulation Authority to the Appointee specifying the information to be provided, the method of publication, the time by which publication is required (being a reasonable period of time) and the period for which the published charges are to be effective. The Appointee shall comply with the said requirement by notice and adhere to the charges accordingly published.

11 Periodic Reviews relating to the Appointed Business where a Termination Notice has been given

11.1 Where a Termination Notice has been given by the Secretary of State to the Appointee, the Appointee may refer to the Water Services Regulation Authority for determination by it the question whether, on the assumption that such a Termination Notice had not been given, (but subject thereto, having regard to all the circumstances which are relevant in the light of the principles which apply by virtue of Part I of the Water Industry Act 1991 in relation to the Water Services Regulation Authority's determination, including, without limitation, any change in circumstance which has occurred since the most recent one or more Periodic Reviews or which is to occur),

the Price Controls, and in the case of Retail Activities the nature, form and level of one or more Price Controls should be changed (and if so what change should be made to the relevant Price Control or Price Controls and, in the case of Retail Activities, to the nature, form and level of the relevant Price Control or Price Controls) for one or more periods (as decided by the Water Services Regulation Authority) of consecutive Charging Years starting with the Charging Year starting 1 April last before the Termination Notice is to expire.

- 11.2 A reference to the Water Services Regulation Authority under this paragraph 11 shall be made by notice given to the Water Services Regulation Authority not earlier than 1 July and not later than 14 July in the Charging Year next but one before that commencing on the said 1 April.

Part IIIA Performance Measure Adjustments

- 12 This paragraph applies where the Water Services Regulation Authority has notified the Appointee by 31 December in the Charging Year before the Review Charging Year that a Price Control determined under sub-paragraph 9.4 in respect of the Appointee's Wholesale Activities may be adjusted to reflect the Appointee's performance in relation to a specific Outcome or Outcomes. Where this paragraph applies:

- (1) the Water Services Regulation Authority may determine, and the Appointee may by notice given no later than 15 September in the Prior Year refer to the Water Services Regulation Authority for determination, the question whether, in accordance with and subject to sub-paragraph 12(3) below, the level of the Price Control or one of the Price Controls determined under sub-paragraph 9.4 in respect of the Appointee's Wholesale Activities should be changed for the following Charging Year and, if so, the amount of such change;
- (2) the Appointee shall furnish to the Water Services Regulation Authority such Information as the Water Services Regulation Authority may reasonably require for the purpose of making a determination pursuant to this paragraph;
- (3) in making a determination pursuant to this paragraph, the Water Services Regulation Authority shall:

- (a) consider the Appointee's performance in relation to the Outcome or Outcomes in the preceding years and, if relevant, its expected performance in the current year or one or more future years up to, but not including, the next Review Charging Year; and
 - (b) have regard to the proposed adjustments to the level of the relevant Price Control or Price Controls which the Water Services Regulation Authority notified to the Appointee when the Appointee was notified that a Price Control determined under sub-paragraph 9.4 in respect of the Appointee's Wholesale Activities might be adjusted to reflect the Appointee's performance in relation to a specific Outcome or Outcomes;
- (4) no determination shall be made by the Water Services Regulation Authority under this paragraph later than 15 December in the Prior Year.

For these purposes:

- (i) in this paragraph "**Outcome**" means a target or other measure of the performance of the Appointee in relation to the carrying out of the Regulated Activities that the Water Services Regulation Authority has notified to the Appointee by 31 December in the Charging Year before the Review Charging Year; and
- (ii) in this Condition references to a "**Price Control**" include a Price Control whose level has been changed in accordance with a determination made under this paragraph.

Part IV. Interim Determinations

13 Matters of interpretation and construction which apply for the purposes of this Part IV

13.1 In this Part of this Condition:

"**the Appropriate Discount Rate**" means such rate of return upon borrowing as, at the time at which the Appropriate Discount Rate falls to be applied from time to time under this Condition, investors and creditors would reasonably expect of a properly managed company holding the Appointments whose sole business consists of being a

water undertaker and a sewerage undertaker and, without excluding other considerations which may also be relevant, having its equity share capital listed on The London Stock Exchange, and the same Appropriate Discount Rate shall be applied for all purposes in determining questions the subject of the same reference (including questions determined by the Water Services Regulation Authority under paragraph 15 when it determines questions referred to it by the Appointee under paragraph 14);

"equity share capital" has the same meaning as in the Companies Act 2006;

"making a Relevant Determination" means, as regards each Price Control to which an Interim Determination relates or is to relate, making one or more determinations pursuant to sub-paragraph 9.3 or sub-paragraph 9.4, pursuant to a Periodic Review, as to that Price Control, or making any subsequent Interim Determination as to whether the level of that Price Control should be changed (and, if so, what change should be made to the level of the Price Control or Price Controls), and **"Relevant Determination"** shall be construed accordingly;

"Net Present Value" means the net present value calculated as at 30 September in the year in which the relevant Reference Notice is given or, where in any year no Reference Notice is given under paragraph 14 but the Water Services Regulation Authority gives a notice to the Appointee under paragraph 15, as at 30 September in the year in which the Water Services Regulation Authority gives the notice, by discounting subsequent cash flows and inflating earlier cash flows at the Appropriate Discount Rate, assuming all cash flows in any Charging Year occur on 30 September in that Charging Year;

a **"Notified Item"** is any item notified by the Water Services Regulation Authority to the Appointee as not having been allowed for (either in full or at all) in making a Relevant Determination; and for the purpose of this definition:

- (a) where any such item was not allowed for in full then it shall only be a Notified Item to the extent that it was not allowed for; and
- (b) where, in determining whether the Relevant Determination should be changed (and if so what change should be made to it), the Water Services Regulation

Authority, or, as the case may be, the Competition and Markets Authority, allows for any such item as was previously so notified by the Water Services Regulation Authority then references in this Condition to Notified Items and Relevant Items shall be taken, for the purposes of any subsequent Interim Determination, to exclude such item to the extent that the Water Services Regulation Authority, or, as the case may be, the Competition and Markets Authority, allowed for it as aforesaid;

a "**Relevant Change of Circumstance**" is any of the following:

- (1)
 - (a) the application to the Appointee of any legal requirement; and
 - (b) any change to any legal requirement which applies to the Appointee (including any legal requirement ceasing to apply, being withdrawn or not being renewed);
- (2) either of the following circumstances for any Charging Year in respect of which the Secretary of State, or, as the case may be, the Water Services Regulation Authority, notified the Appointee that variations in value received or expected to be received from Relevant Disposals of Land shall constitute a Relevant Change of Circumstance:
 - (a) where for any Charging Year the value received or expected to be received from a Relevant Disposal of any Identified Land is, or is expected to be, different from the value which the Secretary of State, or, as the case may be, the Water Services Regulation Authority, notified the Appointee was the value attributable to a Relevant Disposal of that Identified Land for that Charging Year which had been allowed for in making a Relevant Determination; or
 - (b) where for any Charging Year, and to the extent not taken into account under (a) above, the aggregate value received or expected to be received from Relevant Disposals of Non-identified Land is, or is expected to be, different from the value which the Secretary of State, or, as the case may be, the Water Services Regulation Authority, notified the Appointee was the value attributable to Relevant Disposals

of Non-identified Land for that Charging Year which had been allowed for in making a Relevant Determination

and so that any notification by the Water Services Regulation Authority for the purposes of this sub-paragraph (2) shall be relevant for the purposes of this sub-paragraph (2) to the exclusion of any earlier notification by the Secretary of State or the Water Services Regulation Authority for the purposes of this sub-paragraph (2) to the extent that the first-mentioned notification is made in respect of matters in respect of which that earlier notification was made.

For the purposes of this sub-paragraph (2):

- (i) "**Identified Land**" means any piece or parcel of protected land identified in any such notification referred to in (a) above as is relevant for the time being for the purposes of this sub-paragraph (2) as being included in that notification, not being, or being part of, a piece or parcel of land which has previously been the subject of a transfer under paragraph 7 of Condition K;
- (ii) "**land**" includes any interest or right in or over land;
- (iii) "**Non-identified Land**" means any piece or parcel of protected land, not being, or being part of:
 - (A) a piece or parcel of protected land identified in any such notification referred to in (a) above as is relevant for the time being for the purposes of this sub-paragraph (2); or
 - (B) a piece or parcel of protected land which has previously been the subject of a transfer under paragraph 7 of Condition K;
- (iv) "**protected land**" and "**disposal**" have the meanings respectively given to them in section 219 of the Water Industry Act 1991;
- (v) a "**Relevant Disposal**" means and includes any disposal by the Appointee;

- (vi) a "**Relevant Disposal of Land**" means and includes a Relevant Disposal of Identified Land and a Relevant Disposal of Non-identified Land;
 - (vii) "**value**" includes value of any kind including, without limitation, cash, the value of real or personal property or any interest in such property, the value of any right or benefit (actual or prospective) and the value of any release, in whole or in part, of any obligation or claim, provided that to the extent that any property, right or benefit shall consist of a right to receive cash or any other asset then no value shall be attributed to that property, right or benefit but the cash or other asset the subject thereof shall be included and treated as value received or expected to be received in the Charging Year in which it is received or expected to be received;
 - (viii) references to "**value received or expected to be received**" shall be construed so as to include receipts by, and grants to, the Appointee, any Associated Company or any other business in which either the Appointee or any Associated Company has a material direct or indirect interest;
 - (ix) in the case of a right or benefit, but subject to the proviso to (vii) above, value shall be deemed to have been received at the time the right is granted or the benefit arises;
- (3) where:
- (i) in making a Relevant Determination, an amount has been allowed for on account of steps taken or to be taken for the purpose of securing or facilitating compliance with a legal requirement (not being one to comply with which the Appointee has determined to make a change to the basis on which it charges customers for water supply or sewerage services) or achieving a service standard adopted or to be adopted by the Appointee; and
 - (ii) in any such case:

- (A) the Appointee has not taken (by the date by which it was assumed for the purposes of assessing the amount allowed for as aforesaid it would take those steps) any or all of those steps which, for the purpose of assessing the amount allowed for as aforesaid, it was assumed it would take; and
- (B) as a result, the amount allowed for as aforesaid is substantially greater than the sum of (a) the costs (if any) actually incurred by the Appointee for the relevant purpose specified in (i) above and (b) so much (if any) of that amount as has been otherwise offset by prudent management of the capital programme; and
- (C) that purpose has not been otherwise achieved;

a "**Relevant Item**" is any of the following:

- (1) A Relevant Change of Circumstance (other than a Relevant Change of Circumstance falling within sub-paragraph (2) of the definition);
- (2) A Notified Item; and
- (3) A Relevant Disposal of Land

and references to a Relevant Item are to a Relevant Change of Circumstance (other than a Relevant Change of Circumstance falling within sub-paragraph (2) of the definition), a Notified Item or a Relevant Disposal of Land as the context may require.

13.2 In the definition of a "Relevant Change of Circumstance" and for the purpose of that definition:

- (1) a "**legal requirement**" is any of the following:
 - (a) any enactment or subordinate legislation to the extent that it applies to the Appointee in its capacity as a water undertaker or sewerage undertaker (and for this purpose; but without prejudice to the generality of the foregoing, "subordinate legislation" includes any order made under section 18 of the Water Industry Act 1991, and any authorisation granted, approval given, or prohibition imposed, by the

Secretary of State under The Water Supply (Water Quality) Regulations 2000);

- (b) any regulation made by the Council or the Commission of the European Union to the extent that it applies to the Appointee in its capacity as a water undertaker or sewerage undertaker, or decision taken by the said Commission which is binding on the Appointee in its capacity as a water undertaker or sewerage undertaker and to the extent that it is so binding;
- (c) any licence, consent or authorisation given or to be given by the Secretary of State, the Environment Agency or other body of competent jurisdiction to the Appointee for the purpose of carrying on any of the functions of a water undertaker or sewerage undertaker;
- (d) any undertaking given by the Appointee to, and accepted by, the Secretary of State or, as the case may be, the Water Services Regulation Authority for the purposes of section 19(1)(b) of the Water Industry Act 1991;
- (e) other than any such undertaking as is referred to in (d), any undertaking given by the Appointee to any enforcement authority, and accepted by that enforcement authority, to take all such steps:
 - (i) as are specified by that enforcement authority to be necessary or appropriate for the Appointee to take for the purpose of securing or facilitating compliance with any legal requirement in relation to which that enforcement authority is the enforcement authority; or
 - (ii) the taking of which is specified by that enforcement authority to be a condition or requirement of granting or renewing any such licence, consent or authorisation as is referred to in (c) or agreeing not to withdraw the same;
- (f) the Conditions of these Appointments; and

- (g) any interpretation of law, or finding, contained in any judgment given by a court or tribunal of competent jurisdiction in respect of which the period for making an appeal has expired which requires any legal requirement falling within (a) to (f) above to have effect in a way;
 - (i) different to that in which it previously had effect; or
 - (ii) different to that in which it was taken to have effect:
 - (A) for the purpose of making a Relevant Determination or, as the case may be,
 - (B) in determining whether a Relevant Determination should be changed

but so that nothing in sub-paragraphs (a) to (g) above shall apply so as to include:

- (i) any such legal requirement as is referred to in section 41 of the Environment Act 1995 or any such legal requirement that is equivalent to those referred to in section 113 of the Water Act 1989 (as originally enacted), or
- (ii) those sections

to the extent in either case that they require the Appointee to pay fees or charges to the relevant enforcement authority; and

- (2) "**enforcement authority**" means any person or body having jurisdiction to enforce or to take action under or in respect of the relevant legal requirement.

13.3 In paragraph 14 and in the definition of a "Relevant Change of Circumstance":

- (1) references to costs include references to expenditure and loss of revenue and references to costs being incurred include references to expenditure being made and loss of revenue being suffered;

- (2) references to receipts include references to receipts, cash or other assets of any sort, whether of a capital or revenue nature and including receipts of grants, contributions, gifts and loans; and
 - (3) without prejudice to sub-paragraph (1) above, "Operating Expenditure" in sub-paragraph 14.2(6) includes third party services as defined in pro forma A7 and A8 of the Water Services Regulation Authority's Regulatory Accounting Guideline 3.07. For the avoidance of doubt, depreciation, the write-down/off of assets, the profits/loss on disposal of assets and infrastructure renewals expenditure or charges are excluded.
- 13.4 (1) For the purposes of sub-paragraph 14.2(1), costs, receipts and savings shall be ascertained at the general price level prevailing, or expected to prevail, on 30 September in the year in which the Appointee gives notice under sub-paragraph 14.1, or the Water Services Regulation Authority gives notice under sub-paragraph 15.1.
- (2) In sub-paragraphs 14.2(8) and 14.2(9) and sub-paragraph (3) below "**at Outturn Prices**", in relation to the amount of any Base Cash Flow or depreciation, means that amount as adjusted to take account of the actual or expected cumulative percentage change in the Retail Prices Index from that prevailing, or expected to prevail, on 30 September in the year in which the Appointee gives notice under sub-paragraph 14.1, or the Water Services Regulation Authority gives notice under sub-paragraph 15.1, up to and including that prevailing, or expected to prevail, on 30 September in the year in which the Base Cash Flow or depreciation occurred, or is expected to occur.
 - (3) In sub-paragraph 14.2(8) "**Current Value**", in relation to any Base Cash Flow or depreciation at Outturn Prices, means that amount, as adjusted to take account of the actual or expected cumulative percentage change in the Retail Prices Index from 30 September in the year in which that Base Cash Flow or depreciation occurred or is expected to occur, up to and including 30 September in the relevant year.

13.5 For the purpose of section 13(5)(b) of the Water Industry Act 1991, the provisions of this Condition, to the extent that they relate to a Relevant Change of Circumstance falling within sub-paragraph (2) of that definition, are provisions of the Appointments which cannot be modified. This sub-paragraph shall cease to have effect if, but only if, this Condition ceases to contain any provision relating to changes to the Relevant Determination to allow for Notified Items and Relevant Changes of Circumstance.

14 References to the Water Services Regulation Authority relating to Notified Items and Relevant Changes of Circumstance and circumstances having a substantial effect on the Appointed Business

14.1 The Appointee may from time to time refer to the Water Services Regulation Authority for determination by it (having considered the proposals of the Appointee) the questions set out in sub-paragraph 14.2, or, as the case may be, sub-paragraph 14.3. Such reference shall be made by notice given to the Water Services Regulation Authority, which, in the case of the questions set out in sub-paragraph 14.2, shall be given in accordance with sub-paragraph 14.4. For the purposes of sub-paragraph 14.2 a single reference may be made in respect of any number of Notified Items and Relevant Changes of Circumstance and sub-paragraph 14.2 shall be construed accordingly.

14.2 In the case of a Notified Item or where there has been or is to be a Relevant Change of Circumstance all of the following:

- (1) what are, or are likely to be, the costs, receipts and savings reasonably attributable to the Relevant Item and also, in the case of a Relevant Change of Circumstance falling within sub-paragraph (2) of the definition, the costs, receipts and savings reasonably connected with the Relevant Disposal of Land;
- (2) except in the case of a Relevant Change of Circumstance falling within sub-paragraph (2) of the definition, to what extent:
 - (a) are the costs determined under (1) reasonably recoverable through charges for services provided, functions carried out by, and other activities of, the Appointee in its capacity as a water undertaker or

sewerage undertaker which are not Standard Charges for water supply, sewerage services and the reception, treatment and disposal of trade effluent(not being Excluded Charges);

- (b) in the case of receipts and savings, is the Relevant Item relevant to services provided, functions carried out by, and other activities of, the Appointee as a water undertaker or sewerage undertaker which are not water supply, sewerage services and the reception, treatment and disposal of trade effluent in respect of which the Appointee makes Standard Charges (not being Excluded Charges)

and where it is determined that such costs are reasonably recoverable as aforesaid or, as the case may be, that the Relevant Item is relevant as aforesaid, either in full or to an extent, then references hereafter to costs, receipts and savings reasonably attributable to a Relevant Item are to those costs, receipts and savings except to that extent;

- (3) both of the following:
 - (a) what costs reasonably attributable to, or connected with, the Relevant Item as determined under (1) and what timing of incurring of such costs are appropriate and reasonable for the Appointee in all the circumstances to incur and programme, or, as the case may be, to have incurred and programmed, by reason of the Relevant Item; and
 - (b) what receipts and savings reasonably attributable to, or connected with, the Relevant Item as determined under (1) and what timing of such receipts and savings is appropriate and reasonable for the Appointee in all the circumstances to achieve and programme or, as the case may be, to have achieved and programmed, by reason of the Relevant Item

and for the purpose of determining the separate amounts under (a) and (b), but without prejudice to the generality of the foregoing:

- (i) no account shall be taken of:
 - (A) any trivial amounts;

- (B) any costs, to the extent that they would have been, or would be, avoided by prudent management action taken since the transfer date (and for this purpose what constitutes "prudent management action" shall be assessed by reference to the circumstances which were known or which ought reasonably to have been known to the Appointee at the relevant time);
 - (C) any savings achieved by management action taken since the transfer date over and above those which would have been achieved by prudent management action (and for this purpose what constitutes "prudent management action" shall be assessed by reference to the circumstances at the relevant time); or
 - (D) any amounts attributable to matters allowed for in making a Relevant Determination, except to the extent that such amounts otherwise fall to be taken into account as amounts reasonably attributable to, or connected with, the Relevant Item under this sub-paragraph (3) and sub-paragraph (1) by virtue of the definition of a Notified Item and a Relevant Change of Circumstance; and
- (ii) in the case of a Relevant Change of Circumstance falling within sub-paragraph (1) of the definition, regard shall be had to whether either:
- (a) the Secretary of State has notified the Water Services Regulation Authority of any change of policy, concerning any environmental or water-quality standard, which has been made since the last Relevant Determination; or

- (b) the Appointee has itself given notice to the Water Services Regulation Authority of the application to it of, or any change to, any legal requirement, before referring that legal requirement to the Water Services Regulation Authority under sub-paragraph 14.1;
- (4) having determined under (3) the separate amounts of costs and of receipts and savings in respect of each Relevant Item, what are the annual cash flows thereof (costs being netted off against the amount of receipts and savings for this purpose) over each Charging Year included in the timing determined under (3) (those annual cash flows being hereinafter referred to as "**the Base Cash Flows**");
- (5) what is the annual aggregate of:
 - (a) one half of the Base Cash Flows in respect of Relevant Changes of Circumstance falling within sub-paragraph (2) of that definition; and
 - (b) the Base Cash Flows in respect of all other Relevant Changes of Circumstance and Notified Items

in both cases the subject of the notice or notices under sub-paragraph 14.4 or paragraph 15;

- (6)
 - (a) where any part of an annual aggregate derived under sub-paragraph (5) consists of items to which (b) below does not apply, what is the Net Present Value of that part of the annual aggregate, calculated up to the start of the first of the Charging Years for which the next Periodic Review falls to be carried out;
 - (b) where any part of the annual aggregate derived under sub-paragraph (5) consists of revenue and/or Operating Expenditure, what is the Net Present Value of that part of the annual aggregate, calculated over 15 years; and
 - (c) what is the aggregate of the Net Present Values calculated under (a) and (b) ("**the Materiality Amount**");

- (7) is the Materiality Amount equal to or does it exceed ten per cent of the turnover attributable to the Appointed Business in the latest financial year for which accounting statements have been prepared and delivered to the Water Services Regulation Authority under Condition F, as shown by those accounting statements, and for this purpose where the Materiality Amount is a negative figure it shall be treated as though it were a positive figure;
- (8) if so, for each year, ("**the relevant year**") until the first of the Charging Years for which the next Periodic Review falls to be carried out (having regard to any Review Notice or Reference Notice which has been given at the time when the reference is made);
- (a) what are the following amounts:
- (i) all Base Cash Flows at Outturn Prices attributable to the creation or acquisition of depreciable assets ("**Allowable Capital Expenditure**");
 - (ii) all the Base Cash Flows at Outturn Prices (save in respect of Relevant Changes of Circumstance falling within subparagraph (2) of that definition, where one half of the Base Cash Flow at Outturn Prices shall be used) attributable to the creation, acquisition or disposal of non-depreciable assets ("**Allowable Infrastructure Asset Expenditure**");
 - (iii) all other Base Cash Flows at Outturn Prices ("**Other Allowable Expenditure**");
 - (iv) the sum of the Current Value of all Allowable Capital Expenditure occurring up to and including the relevant year, divided by the weighted average expected life of the assets attributable to that Allowable Capital Expenditure at the time those assets were or are expected to be created or acquired ("**Allowable Depreciation**");

- (v) the sum of the Current Value of all Allowable Capital Expenditure occurring up to and including the relevant year less the sum of the Current Value of all Allowable Depreciation occurring up to and including the relevant year ("**Allowable Net Asset Value**");
 - (vi) the sum of the Current Value of all Allowable Infrastructure Asset Expenditure occurring up to and including the relevant year ("**Allowable Infrastructure Asset Value**");
 - (vii) the Appropriate Discount Rate, adjusted so as to exclude any allowance for changes in the Retail Price Index, multiplied by the sum of:
 - (A) the Allowable Net Asset Value for the relevant year; and
 - (B) the Allowable Infrastructure Asset Value for the relevant year;("the **Allowable Return**"); and
- (b) what is the sum of:
- (i) Other Allowable Expenditure;
 - (ii) Allowable Depreciation; and
 - (iii) the Allowable Return;
- (the "**Annual Allowable Amount**");
- (9) what change to the level of Price Control or Price Controls over the period beginning from the first of the Charging Years referred to in sub-paragraph 14.4(1) (in any case where a Reference Notice has been given in respect of sub-paragraph 14.2) or sub-paragraph 15.1(1) (in any other case) until the first of the Charging Years for which the next Periodic Review falls to be carried out (having regard to any Review Notice or Reference Notice which has been

given at the time when the reference is made) ("**the Relevant Period**") is most likely to allow, or, as the case may be, require, the Appointee to make such charges over the Relevant Period ("**Adjusted Charges**"), in such a manner as to secure that the increase, or, as the case may be, the decrease, in revenue attributable to the making of Adjusted Charges would, in each year of the Relevant Period, be equal to:

(i) the Annual Allowable Amount for that year,

plus

(ii) where Base Cash Flows at Outturn Prices have occurred prior to the first year of the Relevant Period, the amount, which, calculated as a constant annual amount over the Relevant Period, would result in the sum of the Net Present Values of these amounts equalling the sum of the Net Present Values of the Annual Allowable Amounts for each of the years prior to the Relevant Period,

Provided that -

(a) where costs have been allowed for in determining the Annual Allowable Amount, it shall be assumed that those costs will be financed other than by the proceeds of an issue of equity share capital and

(b) the revenue attributable to the making of Adjusted Charges over the Relevant Period shall not result in interest cover which, measured both by its level in any one year and by trends in that level over time, is less than that appropriate to the financial position and performance which investors and creditors would reasonably expect of a properly managed company holding the Appointments, whose sole business consists of being a water and sewerage undertaker and having its equity share capital listed on the London Stock Exchange.

14.3 All of the following:

- (1) whether any circumstance (other than a Relevant Change of Circumstance) has occurred which has or will have:
 - (a) a substantial adverse effect on the Appointed Business or on its assets, liabilities, financial position, or profits or losses, not being one which would have been avoided by prudent management action taken since the transfer date; or
 - (b) a substantial favourable effect on the Appointed Business, or on its assets, liabilities, financial position, or profits or losses, being one which is (i) fortuitous and (ii) not attributable to prudent management action; and
- (2) if so, what change should be made to the level of Price Control or Price Controls.

For this purpose:

- (i) what constitutes "prudent management action" shall be assessed by reference to the circumstances which were known or which ought reasonably to have been known to the Appointee at the relevant time;
- (ii) an effect shall not be regarded as a substantial adverse effect or a substantial favourable effect in any case unless, if the questions set out in sub-paragraph 14.2 were to be asked in relation to the circumstance giving rise to it, the answer to that in 14.2(7) (taking the reference in it to ten per cent as a reference to twenty per cent) would be in the affirmative.

14.4 A Reference Notice given to the Water Services Regulation Authority in respect of sub-paragraph 14.2 shall contain or be accompanied by reasonable details of the Relevant Item in respect of which the Reference Notice is given and, unless the Water Services Regulation Authority otherwise consents, shall be given not later than:

- (1) the fifteenth day of September immediately preceding the first of the Charging Years in respect of which the Appointee wishes the change to the level of Price Control or Price Controls to take effect; or

- (2) if later, where the Water Services Regulation Authority has given a notice to the Appointee under sub-paragraph 15.1 in respect of the same Charging Year, within fourteen days from the receipt by the Appointee of that notice.

15 Changes to the level of a Price Control or Price Controls initiated by the Water Services Regulation Authority relating to Notified Items and Relevant Changes of Circumstance and circumstances within sub-paragraph 14.3(1)(b)

15.1 In the case of a Notified Item or where any Relevant Change of Circumstance has occurred or is to occur, the Water Services Regulation Authority may, having given notice to the Appointee specifying the Notified Item or, as the case may be, the Relevant Change of Circumstance, of its intention so to do not later than:

- (1) the fifteenth day of September immediately preceding the first of the Charging Years in respect of which it proposes the change to the level of a Price Control or Price Controls to take effect; or
- (2) if later, where the Appointee has given a Reference Notice to the Water Services Regulation Authority in respect of sub-paragraph 14.2 and falling within sub-paragraph 14.4(1) in respect of the same Charging Year, within fourteen days from the receipt by the Water Services Regulation Authority of that Reference Notice

determine the questions set out in sub-paragraph 14.2 in respect of that Notified Item or, as the case may be, that Relevant Change of Circumstance. A single notice may be given under this sub-paragraph 15.1 in respect of any number of Notified Items and Relevant Changes of Circumstance and sub-paragraph 14.2 shall be construed accordingly.

15.2 Where sub-paragraph 14.4(2) or 15.1(2) applies, the questions set out in (5) to (9) inclusive of sub-paragraph 14.2 shall be determined in respect of all Notified Items and Relevant Changes of Circumstance in respect of which the Appointee and the Water Services Regulation Authority have given notice, taken as a whole.

15.3 In the case of sub-paragraph 14.3, the Water Services Regulation Authority shall give notice to the Appointee of its intention to determine the questions set out in sub-paragraph 14.3(1)(b) and (2).

Part V. References to the Competition and Markets Authority

16 References to the Competition and Markets Authority

16.1 Where:

- (1) pursuant to paragraph 9 or following a reference under paragraph 11, the Water Services Regulation Authority has not given notice to the Appointee of its determination or determinations within one year from the Review Notice Date(s) or, in the case of a reference under paragraph 11, within one year from the date of the relevant Reference Notice;
- (2) following a reference under paragraph 14, the Water Services Regulation Authority has not given notice to the Appointee of its determinations (including any determinations under paragraph 15 which fall to be taken into account in determining the questions the subject of the reference under paragraph 14) within 3 months from the date of the relevant Reference Notice; or
- (3) the Appointee disputes any determination made by the Water Services Regulation Authority under sub-paragraph 9.3 or sub-paragraph 9.4 or any Interim Determination made by the Water Services Regulation Authority under Part IV of this Condition,

the Appointee may, by notice given to the Water Services Regulation Authority within:

- (a) 13 months from the Review Notice Date or, in the case of a reference under paragraph 11, from the date of the relevant Reference Notice (in the cases referred to in sub-paragraph (1));
- (b) 4 months from the date of the relevant Reference Notice (in the case referred to in sub-paragraph (2)); or

- (c) 2 months from the date on which the Water Services Regulation Authority gives notice of its relevant determination or determinations to the Appointee (in the case referred to in sub-paragraph (3))

require the Water Services Regulation Authority to refer to the Competition and Markets Authority for determination (such determination to be effective as if made by the Water Services Regulation Authority) by it:

- (i) in any case referred to in sub-paragraph (1) or (2), the relevant question or questions (including, where relevant, the questions in respect of any Notified Item or Relevant Change of Circumstance the subject of a notice under paragraph 15); or
- (ii) in any case referred to in sub-paragraph (3), the disputed determination.

16.2 Where the Appointee requires the Water Services Regulation Authority to make a reference to the Competition and Markets Authority under sub-paragraph 16.1 in the case referred to in section (3) of that sub-paragraph, the Appointee shall levy charges in a way best calculated to comply with the Price Control or Price Controls determined by the Water Services Regulation Authority as if a reference had not been made until the Competition and Markets Authority makes its determination following such reference. The determination made by the Competition and Markets Authority shall then take effect as if it had been made by the Water Services Regulation Authority.

17 **[Not used]**

Part VI. Provision of Information to the Water Services Regulation Authority

18

18.1 The Appointee shall furnish to the Water Services Regulation Authority:

- (1) ...
- (2) not later than 30 September immediately following the date of the Reference Notice (in the case of a reference under paragraph 11);

- (3) at the time when it gives the relevant Reference Notice to the Water Services Regulation Authority (in the case of a reference under paragraph 14 falling within sub-paragraph 14.4(1));
- (4) as soon as reasonably practicable and in any event not later than the expiry of one month from the date of the Water Services Regulation Authority's notice to the Appointee under paragraph 15 (in the case of such a notice, including the case of a reference under paragraph 14 falling within sub-paragraph 14.4(2))

such Information as the Appointee reasonably believes is necessary or, as the case may be, as the Water Services Regulation Authority may reasonably require in its said notice, to enable the Water Services Regulation Authority to make its determination. The Appointee shall also furnish to the Water Services Regulation Authority as soon as reasonably practicable such further Information as the Water Services Regulation Authority may from time to time by notice to the Appointee reasonably require to make its determination.

18.2 The Appointee shall also furnish to the Water Services Regulation Authority from time to time when so requested by the Water Services Regulation Authority such Information as the Water Services Regulation Authority may reasonably require to decide whether or not to make determinations under paragraph 15.

18.3 Any Information furnished to the Water Services Regulation Authority under this paragraph 18 or under paragraph 9 shall, if the Water Services Regulation Authority so requires to make its determination, be reported on by a person appointed by the Appointee and approved by the Water Services Regulation Authority (such approval not to be unreasonably withheld) ("**the Reporter**").

18.4 The Appointee shall enter into a written contract of engagement with the Reporter which shall:

- (1) where such a report is required by the Water Services Regulation Authority under sub-paragraph 18.3, require the Reporter to prepare and furnish to the Water Services Regulation Authority, and separately to the Appointee, a written report addressed jointly to the Water Services Regulation Authority

and the Appointee in form and substance such as may be specified by, or consistent with any guidelines specified by, the Water Services Regulation Authority at the time when it requires the report to be furnished, the matters so specified being reasonably appropriate to enable the Water Services Regulation Authority to make its determination (to the extent that the Information in respect of which that report is required to be prepared and furnished is relevant to that determination); and

- (2) include a term that the Reporter will provide such further explanation or clarification of his report as the Water Services Regulation Authority may reasonably require and such further Information in respect of, or verification of, the matters which are the subject of his report as the Water Services Regulation Authority may reasonably require.

The contract of engagement may also include provisions requiring the Reporter, his employees and agents to keep confidential and not to disclose, except to the Water Services Regulation Authority or as required by law, any Information which the Reporter obtains in the course of preparing his report.

18.5 The Appointee shall co-operate fully with the Reporter to enable him to prepare his report, including without limitation, so far as is necessary for that purpose:

- (1) subject to reasonable prior notice to the Appointee, giving to the Reporter access at reasonable hours to any Relevant Plant and to any premises occupied by the Appointee in relation to the Appointed Business; and
- (2) subject to reasonable prior notice to the Appointee, allowing the Reporter at reasonable hours:
 - (a) to inspect and make photocopies of, and take extracts from, any books and records of the Appointee maintained in relation to the Appointed Business;
 - (b) to carry out inspections, measurements and tests on or in relation to any such premises or Relevant Plant; and

- (c) to take on to such premises or on to or in to any Relevant Plant such other persons and such equipment as may be necessary for the purposes of preparing and completing his report.

18.6 Nothing in sub-paragraph 18.5 shall require the Appointee:

- (1) to do anything which is outside its reasonable control; or
- (2) to do, or to allow the Reporter to do, anything which would materially disrupt the Appointee's business (unless it is essential that that thing be done to enable the Reporter to prepare his report).

18.7 In sub-paragraphs 18.4 and 18.5:

- (1) references to the Reporter include references to his employees and agents; and
- (2) "**Relevant Plant**" means any plant used by the Appointee for the purpose of carrying out the Regulated Activities including, without limitation, water mains, sewers and other pipes and their accessories.

Part VII. Developing the Price Controls

19

19.1 The Appointee will use all reasonable endeavours to work with the Water Services Regulation Authority, subject to the Appointee's legal duties and obligations, in a constructive and cooperative manner on the development of the Price Controls so that they might be appropriately targeted or operated more effectively in respect of specific activities undertaken as part of the Appointed Business.

Part VIII. Price Controls in effect before 1 April 2015

20

20.1 The provisions of Condition B of this instrument in the form that had effect immediately prior to 22 July 2013 shall continue to have effect in respect of the Price Control set for a period ending before 1 April 2015 and in respect of the making of any Interim Determinations to set any such Price Controls.

20.2 In the event that the Water Services Regulation Authority is, in respect of the Appointed Business, unable to determine Price Controls, for the period or periods starting on 1 April 2015, under sub-paragraph 9.3 and sub-paragraph 9.4 of this Condition B by 31 December 2014, the provisions of Condition B in the form that had effect immediately prior to 22 July 2013 shall continue to have effect in respect of the Price Control until such time as a determination under sub-paragraph 9.3 and sub-paragraph 9.4 of the current Condition B is made and takes effect.”
