RE: Water non household retail market opening: Formal consultation on changes to water company licences for market readiness and in area trading ban

Dear Tim,

Thanks for your email. We did consult internally on this and whether we had any issues that we want to raise in response in your consultation, but we were happy with the wording and approach that you propose and therefore we decided not to submit a response.

Nevertheless, I appreciate it very much that you contacted us to check.

Best wishes,

Tom
