**Subject: RE: Water non household retail market opening: Formal consultation on changes to water company licences for market readiness and in area trading ban**

Tim

Pleased to confirm I have spoken to colleagues who have reviewed the proposals and you note have already responded and will also do so before 1st April. I confirm I have no objections to the removal of the IATB and support this move.

Thanks again for the prompt, always happy to receive.

kind regards  
Robert
