Dear Tim,

South Staffs Water response to consultation on changes to water company licences for market readiness and in area trading ban

Thank you for the opportunity to respond to both of the above consultations. We are supportive of the proposals and do not have any specific comments to make.

I can confirm that South Staffs Water formally accepts the proposed changes to the Company's licence for both market readiness and the removal of the in area trading ban.

Yours sincerely,

Philip Saynor,
Director of Finance and Regulation
South Staffordshire Water PLC
