RE: Water non household retail market opening: Formal consultation on changes to water company licences for market readiness and in area trading ban

Tim,

Thank you for your email.

I can confirm that Severn Trent has submitted one response to each of the formal licence consultations referenced on behalf of Severn Trent Water, Severn Trent Connect and Severn Trent Services, accepting the proposed changes to the respective Instrument of Appointment and Water Supply Licence.

I believe that both responses were submitted 23 March by email. Should you require additional copies of the submissions, please let me know and I'll forward them directly to you.

Kind regards,

Amy Leathard
