Dear Sirs

**Consent for licence changes**

Further to your recent publications, I confirm on behalf of the Board of United Utilities Water Limited (UUW) that:

- UUW has no objections to the introduction of a market readiness condition into its Instrument of Appointment, in line with the document "Consultation on Ofwat's section 55 proposal to modify Instruments of Appointment and Water Supply Licences – market readiness"
- UUW consents to the modification of Condition R set out in the document "Consultation on Ofwat's section 13 and section 17J proposal to modify company licences: Removal of the in area trading ban"
- UUW wishes to indicate that it is minded to accept an amendment to licence condition B to facilitate the full implementation of the WRFIM formula, as proposed in the document "Update to the PR14 reconciliation rulebook policy document."

I trust that this is satisfactory, but if there are any queries in relation to this letter then please do contact James Bullock, Director of Economic Regulation, at your earliest convenience. His email address is [james.bullock@uuplc.co.uk](mailto:james.bullock@uuplc.co.uk).

Yours sincerely
