WATER INDUSTRY ACT 1991, SECTIONS 6 TO 9 AND 11**

**Variation of the Appointments of SSE Water Limited and Thames Water Utilities
Limited as Water and Sewerage Undertakers**

Made on 24 July 2013
Coming into effect 25 July 2013

1. SSE Water Limited ("SSE Water") and Thames Water Utilities Limited ("Thames Water") both hold Appointments as water and sewerage undertakers for their respective areas ("the Appointments").¹ The areas to which the Appointments of SSE Water and Thames Water as water and sewerage undertakers relate ("Water Supply Area" and "Sewerage Services Area") are set out in their Instruments of Appointment.
2. The site at Heart of East Greenwich, London, which is shown edged in red on the plan attached to this variation ("the Site"), is within Thames Water's Water Supply Area and Sewerage Services Area. The Site is being developed by Mace Limited.
3. SSE Water has applied under section 7(4)(b) of the Water Industry Act 1991 ("the Act") for a variation of its Appointment as a water and sewerage undertaker to include the Site and for a consequential variation of Thames Water's Appointment as a water and sewerage undertaker.
4. On 27 June 1995, the Secretary of State for the Environment and the Secretary of State for Wales acting jointly and pursuant to sections 6(1) and 7(2) of the Act authorised the Director General of Water Services² to make variations such as those contained in paragraph 5 below. After public consultation, as required by section 8 of the Act, the Water Services Regulation Authority has decided that it should grant SSE Water's application without modification.
5. Therefore, as provided by sections 7(2) and 7(4)(b) of the Act, and with the agreement of Mace Limited, the Water Services Regulation Authority **varies**—
 - (a) the Appointment of SSE Water as a water and sewerage undertaker so that the Site is included in SSE Water's Water Supply Area and Sewerage Services Area; and
 - (b) the Appointment of Thames Water as a water and sewerage undertaker so that the Site is excluded from Thames Water's Water Supply Area and Sewerage Services Area.
