2. The site at Woods Meadow, Oulton, which is shown edged in red on the plan attached to this variation ("the Site"), is within Northumbrian Water's Water Supply Area. The Site is being developed by Persimmon Homes.
3. Anglian Water has applied under section 7(4)(b) of the Water Industry Act 1991 ("the Act") for a variation of its Appointment as a water undertaker to include the Site and for a consequential variation of Northumbrian Water's Appointment as a water undertaker.²

After public consultation, as required by section 8 of the Act, the Water Services Regulation Authority has decided that it should grant Anglian Water's application without modification.
