Made on 15 July 2009
Coming into effect on 16 July 2009

1. SSE Water Limited ("SSE Water") and Thames Water Utilities Ltd ("Thames Water") both hold Appointments as water and sewerage undertakers for their respective areas ("the Appointments").¹ The areas to which the Appointments of SSE Water and Thames Water as water and sewerage undertakers relate ("Water Supply Area" and "Sewerage Supply Area") are set out in their Instruments of Appointment.
2. The site at Hale Village in Tottenham, North London, which is shown edged in red on the plan attached to this variation ("the Site"), is within Thames Water's Water Supply Area and Sewerage Supply Area. The site is being developed by Hale Village Properties.
3. SSE Water has applied under section 7(4)(b) of the Water Industry Act 1991 ("the Act") for a variation of its Appointments as a water and sewerage undertaker to include the Site and for a consequential variation of Thames Water's Appointments.
4. On 27 June 1995, the Secretary of State for the Environment and the Secretary of State for Wales acting jointly and pursuant to sections 6(1) and 7(2) of the Act authorised the Director General of Water Services² to make variations such as those contained in paragraph 5 below. After public consultation as required by section 8 of the Act, the Water Services Regulation Authority has decided that it should grant SSE Water's application without modification.
5. Therefore, as provided by sections 7(2) and 7(4)(b) of the Act, and with the agreement of Hale Village properties, the Water Services Regulation Authority **varies—**
 - (a) the Appointment of SSE Water as a water and sewerage undertaker so that the Site is included in SSE's Water Supply Area and Sewerage Supply Area; and
 - (b) the Appointment of Thames Water as a water and sewerage undertaker so that the Site is excluded from Thames Water's Water Supply Area and Sewerage Supply Area.
