

## **2016-17 Special Agreement Register:**

### **Sutton & East Surrey Water plc**

#### **Special Agreement Information**

##### **Potable Water**

###### **SESPOT1**

This agreement started on 1 April 2001. It was renewed in April 2012 for a period of 4 years. The customer is charged a rate per meter installed on the site and a lower volumetric rate, as long as annual consumption remains above 250 MI. Charges vary with RPI. The agreement was due for renewal on 1 April. But no further fixed term has been agreed and therefore the agreement rolls on with the customer required to give a notice period to terminate the agreement.

###### **SESPOT2**

This agreement started in August 2006 and is due to terminate in August 2016. It is a standby agreement, charged at the standard tariffs. The agreement covers the aggregation of the abstraction licences of both SESW and the Sunlight Service Group.

##### **Non-potable Water**

There are no special agreements for non-potable water.
