This is a pre-privatisation agreement. It has no end date. The first 7,273m³ is billed at £0.0165/m³. Additional volumes are billed at standard rate.

Non-potable Water

SRNNONPOT1

This agreement to supply up to 10 MI/d was initially agreed in 1963 but has been renewed on several occasions, the latest in April 2013 for a period of 3 years. The customer does not use the local water distribution system. The tariff comprises a reservation charge, a volumetric charge and a standing charge. The

2016-17 Special Agreement Register:
Southern Water Services Ltd

Company is currently in discussion with the customer regarding the renewal of the contract.

SRNNONPOT2

This is a long-standing agreement for the supply of raw water from a surface reservoir. The start date and the reason for the agreement are unknown. With effect from January 2011, the volumetric charge was aligned to the volumetric charge for supplies to South East Water from Darwell and adjusted annually by November RPI.

Sewerage

There are no special agreements for sewerage services.

Trade Effluent

There are no special agreements for trade effluent services.

Supplies/services provided to other Appointees

Exports of Water

SRNBWE1

This supply is to South East Water. It was agreed prior to privatisation will run for an unlimited period. The charge levied is proportional to running costs.

SRNBWE2

This supply is to South East Water. It was agreed prior to privatisation and is to run for an unlimited period. Water supplied is billed on Band 2 of Southern Water's standard large user tariff.

SRNBWE3

This supply is to Wessex Water for an unlimited period. Standard Southern Water large user band 2 tariff applies.

SRNBWE4

This supply is to South East Water and is part of the Belmont scheme. It was agreed before privatisation and is to run until 2023. Price is proportional to running costs.

SRNBWE5

This supply of potable water to Affinity Water (formerly Veolia Water South East) commenced in 2003-04 and renewed in 2013 for a further 7 years at an agreed fixed charge of £454 and a volumetric rate of 48.68p per m³. Both charges are indexed annually by the November RPI.

2016-17 Special Agreement Register:
Southern Water Services Ltd

SRNBWE6

This supply is to South East Water and is part of the River Medway scheme. It was agreed before privatisation and is to run for an unlimited period. Price is proportional to running costs.

SRNBWE7

This is an infrequent supply to South East Water and is charged at standard rates.

SRNBWE8

This bulk supply of raw water is to South East Water and is part of the Bewl-Darwell transfer scheme. The final terms were agreed in June 2006 and the agreement is to run for 20 years. The agreement provides for the recovery of capital costs of the transfer scheme via a fixed charge plus a volumetric rate.

SRNBWE9

This is an infrequent supply to South East Water and is charged at the standard Southern Water large user tariff band 2.

SRNBWE10

This supply is to SSE Water. It was agreed in March 2013 and will be available for an unlimited period. Standard Southern Water metered tariff applies.

SRNBWE11

This supply is to IWNL. It was agreed in July 2015 and will be available for an unlimited period. Standard Southern Water metered tariff applies.

2016-17 Special Agreement Register:
Southern Water Services Ltd

Sewerage services supplied

SRNBSSS1, SRNBSSS2, SRNBSSS3 and SRNBSSS4

These services are all provided to SSE Water and will be available for an unlimited period. Standard metered sewerage tariffs including surface water drainage rebates and 7.5% non-return to sewer allowance apply.
