Dear Mr Cooper

PRT Response to the Consultation under section 55 of the Water Industry Act (WA14) regarding the proposals to modify the Instruments of Appointments (IoAs) of water and sewerage, and water only, companies in England and Wales.

Thank you for your letter of 15 July 2016 addressed to Neville Smith.

The Company has responded to the earlier consultations on the proposed modifications to the IoA.

The consultation was discussed by the Board in its meeting in July and therefore I can confirm that we have no further comments on the proposed licence modifications and support the changes.

If you wish to discuss this further, please contact me.

Regards
