

Form I/02:

**Non-Household Customer
disconnection request**

Form I/02: Non-Household Customer disconnection request

To Wholesaler

.....
.....
.....
.....

This form should be used in the case of

- Customer requested disconnection implemented by means of a temporary disconnection / restriction;
- Customer requested permanent disconnection

under Processes I5 and I6 of the Operational Terms.

For Retailer requested disconnections, Form I/01 should be used.

This is a notice applying for a disconnection under section 62 of the 1991 Act. By signing the form below, the Non-Household Customer has confirmed that it wishes to make the application. By submitting this form, the Retailer confirms that, subject to completion of the remaining steps of process I5 or I6, as applicable, it accepts liability for the Wholesale Charges in respect of that disconnection.

The form is divided into sections as follows

Number	Section
1.	Retailer details
2.	Supply Point details
3.	Water supplies
4.	Information regarding the viability of the disconnection
5.	Declaration by the authorised signatory
6.	Retailer declaration

If the Wholesaler is to perform the disconnection, all sections are mandatory except section 6. If an Accredited Entity is to perform the disconnection then information marked with an asterisk (*) is mandatory for initial submission, and section 6 is mandatory following disconnection (whether this is on first or subsequent submission).

Mandatory means that the Retailer must provide the requested information wherever it applies to the particular request. If a piece of information does not exist or is not applicable in the circumstances, the Retailer must note this and, where relevant, provide a reason why it is not applicable.

1. *Retailer details

Retailer name

Retailer ID

Retailer's own reference

Contact name

Contact number

Contact e-mail

2. *Supply Point details

SPID number

VOA BA Ref, (if not available please provide a reason)
.....

UPRN, (if not available please provide a reason)
.....

Premises Address

Secondary Addressable Object

Primary Addressable Object

Address line 1

Address line 2

Address line 3

Address line 4

Address line 5
