Dear Sir/Madam,

Consultation on the Wholesale Retail Code

Thank you for providing Three Sixty Water Limited (Three Sixty) with the opportunity to contribute to the Wholesale Retail Code (WRC) consultation.

We are in favour of your proposal to amalgamate the Wholesale Contract into the WRC as we believe that this strengthens the legal structure in relation to all aspects of the Codes and associated documentation.

We do not believe that currently there are any aspects of the WRC or Contract, that would prevent the Market Opening.

If you wish to discuss this any further, please contact Narissa Kirk: narissa.kirk@threesixty.company

Yours faithfully,

Narissa Kirk
