To Whom It May Concern

Thank you for the opportunity to refer to the Consultation on the Market Arrangements Code. We at Dwr Cymru are in agreement with the proposed changes to the MAC to address the following issues raised in the consultation document:

- Ofwat being able to set a timetable and/or process for the Panel's considerations in certain circumstances;
- Requiring the Panel to always provide a recommendation to Ofwat, to avoid the code change process stalling before Ofwat makes a decision;
- Adding provisions to allow the Panel to review and revise its Final Report, if necessary to correct any deficiencies in the report or to address any queries from Ofwat; and
- Adding provisions requiring the implementation of any changes to the MAC.

The proposed changes are sensible and appropriate to ensure effective and flexible functioning of the market. We have no further comments.

Yours sincerely,

**Daniel Davies**
