Reference: FOI 127102016

Dear 

Thank you for your email regarding articles written by David Black on Ofwat.

Unfortunately Ofwat does not hold this information in as much as we do not publish papers accredited to specific members of the Senior Leadership team.

Articles and publications are collaborative efforts authored by 'Ofwat' and not the individual, however as a member of the senior leadership team and the lead for Ofwat's Water 2020 programme, he will have had involvement in drafting policy and papers for Ofwat.

Furthermore David has made presentations at speeches on behalf of the organisation and it is possible that we hold some of these presentations, but again these would be on behalf of Ofwat and the work that is being undertaken on Water 2020.

I am sorry if this doesn't answer your question, but if you have any further information we will be glad to respond further or if you would like any of the documentation regarding Water 2020 then please visit our website <http://www.ofwat.gov.uk/> and view the publications section for further reading.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request a review of the decision, please contact:
