Dear Sir or Madam

Consultation on derogations guidance

Thank you very much for the opportunity to comment on this consultation. We agree with your proposals. The specific answers to your questions are as follows:

Q1. Has the restructure of the WRC and MAC caused any additional issues that are of concern?

We have not identified any additional issues with the restructure of the WRC and MAC. We share your concern that Schedule 4 of the WRC could become unwieldy.

Q2. Do you agree to our proposed approach to derogations within schedule 8 of the MAC given the restructuring?

We agree with your proposed approach to derogations within Schedule 8 of the MAC.

Yours faithfully
