Where the Section 6.1.1 information has:

7.1.6 Covid-19 Repayment Scheme

Until 31 March 2021, or such other date as the Authority may notify in writing to Retailers, Retailers must have in place a Covid-19 Repayment Scheme.

This scheme must set out:

- (b) the specific terms and conditions of the different repayment plan offerings it will make to take account of those different circumstances; and
- (c) contact details that a Non-Household Customer should use to contact its Retailer where it disagrees with the Retailer's assessment of its circumstances, and the type of evidence it may provide to assist the Retailer in any re-assessment.

No repayment plan under a Covid-19 Repayment Scheme may be less generous to Non-Household Customers than those offered by the Retailer from 1 January 2020 onwards in accordance with a Reasonable Repayment Plan for an Outstanding Debt.

Retailers must take all reasonable steps to engage with:

- (a) Non-Household Customers which may be eligible for a repayment plan under their Covid-19 Repayment Scheme and, where appropriate, offer those Non-Household Customers a repayment plan under this scheme.
- (b) Non-Household Customers which are already on a repayment plan under their Covid-19 Repayment Scheme, to ensure the terms and conditions of the repayment plan remain appropriate on an on-going basis and as circumstances change.

Prior to removing a Non-Household Customer from a repayment plan under a Covid-19 Repayment Scheme, Retailers must be able to demonstrate that they have taken reasonable steps to engage with the Non-Household Customer.

Prior to pursuing, and at each stage of escalating, any debt recovery action against a Non-Household Customer which has been adversely affected by Covid-19, Retailers must be able to demonstrate that they have:

- (a) taken reasonable steps to engage with the Non-Household Customer to ascertain the circumstances that led to the default; and
- (b) considered whether, taking the Non-Household Customer's circumstances and best interests into account, it would be more appropriate to amend the terms and conditions of the repayment plan than pursue any debt recovery action.

From 20 January 2021 and on a monthly basis thereafter, Retailers must submit to the Authority and the Consumer Council for Water a report including the following information:

- (a) the number of Non-Household Customers who are on repayment plans under the Retailer's Covid-19 Repayment Scheme;

- (b) the number of Non-Household Customers who are on any other repayment plan that the Retailer offers;
- (c) the number of Non-Household Customers that are, or have previously been, on a repayment plan under the Retailer's Covid-19 Repayment Scheme that the Retailer has taken any type of debt recovery action against, and the type of action taken; and
- (d) Since 1 June 2020, the number of Non-Household Customers on other repayment plans that the Retailer has taken any type of debt recovery action against, and the type of debt recovery action taken.

7.1.7 Disconnection

- (a) For Covid-19 Affected Customers, Retailers shall include a clause in their Terms and Conditions of Supply that shall remain in effect until they cease to be Covid-19 Affected Customers that specifies:

“No amounts owed by the Non-Household Customer to the Retailer are “due” or shall be treated as “due” by the Retailer for the purposes of a disconnection notice under section 61(1ZC)(b) of the 1991 Act, and for these purposes only. All other rights and obligations under these Terms and Conditions of Supply are unaffected by this clause [Retailer to insert relevant clause number]”.

- (b) For all other Non-Household Customers, until 31 March 2021 or such other date as the Authority may notify in writing to Retailers, prior to the issue of a disconnection notice, Retailers must comply with their Covid-19 Repayment Scheme.

7.1.8 Retailers must include in a prominent position on their website from 1 June 2020 a notice that explains that where a Non-Household Customer qualified as a Covid-19 Affected Customer the Non-Household Customer will not be:

- (a) served disconnection notices for the non-payment of bills or invoices;
- (b) subject to default interest or late payment charges for the non-payment of invoices issued from 1 June 2020; and

- (c) subject to enforcement proceedings for the non-payment of invoices.

Retailers must be clear in this notice that the measures at (a) to (c) will only apply to Covid-19 Affected Customers to extent they fall within that category, and that when that ceases to apply they shall be eligible for the Retailer's Covid-19 Repayment Scheme.

The notice shall include:

- (a) a clear definition of those Non-Household Customers that are Covid-19 Affected Customers;
- (b) the circumstances in which their premises may be classed as Vacant Premises due to Covid-19; and
- (c) how a Non-Household Customer can obtain a copy of the Retailer's Covid-19 Repayment Scheme.

Retailers must provide a clear method in a prominent place on their websites for Non-Household Customers to be able to contact them, by way of:

- (a) a form that enables Non-Household Customers to leave their name, address, email address and phone number to enable a call back from Retailers; or
- (b) a contact email address; and
- (c) a contact telephone number.

7.1.9 Information relating to Credit Balances

- (a) Where a customer has agreed to pay for services in advance, the Retailer is required to advise the customer ahead of agreeing the terms and conditions of supply that they could potentially lose any credit accrued against their account should the Retailer become insolvent.

Retailers are required to include the following standard text when clearly communicating this information to their customers:

"Advance payment arrangements can provide customers with a useful way to manage their bills and customers may benefit from improved terms if they pay in advance.

However, advance payment customers should be aware that any credit accrued for services that have not yet been delivered might not be recoverable in the unlikely event that their Retailer becomes insolvent.

There are a number of payment arrangements available in the market. Customers can therefore explore what type of available payment arrangement best meets their needs"

- (b) For customers that are already on payment in advance terms, Retailers are required to provide the above information to the customer in writing within 3 months of the updates to the CPCoP being implemented.
- (c) Retailers will then be required to communicate the standard text to all of their advance payment customers at a minimum of once every 12 months.

7.1.10 Where a customer has accrued credit against their account Retailers are required to clearly communicate the following information to the customer in writing, at a minimum of once every 3 months:

- a) the amount of credit that they have accrued against their account
- b) what the credit relates to (e.g., Security deposit, an allowance refund, money paid in advance of services delivered, etc.).
- c) the customer can contact the Retailer should they wish to explore alternative payment terms or if they can obtain a credit refund (if available); and
- d) subject to contractual terms and conditions, customers can switch to an alternative Retailer if they are not satisfied with the terms on offer.

The requirements under section 7.1.10 apply to all customers that have accrued credit against their account, not just those on advance payment terms.

7.2.3 If a Micro-business renews Terms and Conditions of Supply on their expiry, or the Terms and Conditions of Supply renew in accordance with Section 7.3.1, a Retailer shall ensure that the Micro-business is provided with the information listed in 6.1 as soon as reasonably practicable following the implementation of the renewal.

7.3 Terms and Conditions of Supply to Micro-businesses applicable for a fixed term only.

7.3.1 If a Retailer's Terms and Conditions of Supply to a Micro-business are for a fixed term:

- (a) the relevant Terms and Conditions of Supply may not be renewed automatically, without the written consent or request of the Micro-business served during the 30 day period of a Renewal Notice under 7.1.3 above . Any rollover agreed is required to be for a maximum period of one year from the expiry of the initial fixed term period. Moving a Micro-business to a Scheme of Terms and Conditions (where the Retailer is obliged to have such a Scheme of Terms in Conditions in place) or the Retailer's standard, general or default Terms and Conditions of Supply (where the Retailer is obliged to have such a Scheme of Terms in Conditions in place) is not prohibited pursuant to this Section 7.3.1.

9.2.3 Until 30 September 2021, or such other date as the Authority may notify in writing to Retailers, Retailers shall be exempt from the requirement to use a Meter Read where the supply is Metered for the provision of an accurate bill or invoice where all of the following sub-sections apply:

9.2.4 For each account where the Retailer has relied on the exemption at section 9.2.3, the Retailer must retain a clear record which demonstrates compliance with section 9.2.3. For the avoidance of doubt the exemption at 9.2.3 will not apply where a Retailer does not carry out, or attempt to carry out, meter readings because it does not consider it to be commercially viable.
