To all wholesalers and retails by email.

7 March 2017

Confirmation of the appointment of a Market Operator

On the 13th February 2017, we [wrote](#) to all licensed parties asking for confirmation on the appointment of a Market Operator.

All of the responses received indicated that MOSL was to be appointed as the Market Operator. MOSL has, therefore the required support from licensees to function as the Market Operator.

Yours sincerely

Adam Cooper

Director, Retail Market Opening,
