Freedom of Information Act - Request For Information

Reference: EIR 13032017

Dear [REDACTED]

Thank you for your email in which you request information concerning the DG5 Risk Register.

Ofwat confirms it does not hold the information requested as each Water and Sewerage Company (WaSC) maintains its own DG5 register. An archived copy of the Mott Macdonald report can be found at the following link held at The National Archives (TNA).

http://webarchive.nationalarchives.gov.uk/20141218194321/http://ofwat.gov.uk/sustainability/climatechange/rpt_com201106mottmacsewer.pdf

The report refers to companies reporting their performance in the June return. Since the time the report was written we have changed from companies reporting their performance to Ofwat in a June return, to companies publishing their performance through the annual performance report. In Price Review 2014 (PR14) we changed from Ofwat specifying performance indicators and required companies to set their own outcomes and define their performance commitments. Companies report their performance against their commitments through the annual performance report.
