

Dear [REDACTED]

A map of water companies for England and Wales can be found on our web site here <http://www.ofwat.gov.uk/households/your-water-company/map/>

We do not regulate in Scotland or Northern Island so you would need to check their websites independently.

You may be aware that as from 1/04/17 the retail market opens in England and Wales allowing businesses to switch Water Company. More information can be found on the Open Water site –see the bottom of my email for the link.

Finally you can obtain a wealth of information from the Discover Water site here <http://www.ofwat.gov.uk/households/your-water-company/map/>

I hope this helps you

Yours sincerely

Christine
