The Appointee shall comply with the said requirement by notice and adhere to the charges accordingly published.

11 Periodic Reviews relating to the Appointed Business where a Termination Notice has been given

11.1 Where a Termination Notice has been given by the Secretary of State to the Appointee, the Appointee may refer to the Water Services Regulation Authority for determination by it the question whether, on the assumption that such a Termination Notice had not been given, (but subject thereto, having regard to all the circumstances which are relevant in the light of the principles which apply by virtue of Part I of the Water Industry Act 1991 in relation to the Water Services Regulation Authority's determination or determinations, including, without limitation, any change in circumstance which has occurred since the most recent one or more Periodic Reviews or which is to occur), the Price Controls, and in the case of Retail Activities, Water Resources Activities and Bioresources Activities the nature, form and level of one or more Price Controls should be changed (and if so what change should be made to the relevant Price Control or Price Controls and, in the case of Retail Activities,

Water Resources Activities and Bioresources Activities, to the nature, form and level of the relevant Price Control or Price Controls) for one or more periods (as decided by the Water Services Regulation Authority) of consecutive Charging Years starting with the Charging Year starting 1 April last before the Termination Notice is to expire.

- 11.2 A reference to the Water Services Regulation Authority under this paragraph 11 shall be made by notice given to the Water Services Regulation Authority not earlier than 1 July and not later than 14 July in the Charging Year next but one before that commencing on the said 1 April.

Part 3A Performance Measure Adjustments

- 12.1 This Part 3A applies where the Water Services Regulation Authority has notified the Appointee by 31 December in the Charging Year before the Review Charging Year that a Price Control determined under sub-paragraph 9.3 in respect of the Appointee's Retail Activities or sub-paragraph 9.4 in respect of the Appointee's Water Resources Activities, Bioresources Activities or Network Plus Activities may be adjusted to reflect the Appointee's performance in relation to a specific Performance Commitment.
- 12.2 The Appointee may by notice to the Water Services Regulation Authority refer for a determination under this Part the question set out in sub-paragraph 12.5 or the Water Services Regulation Authority may make a determination under this Part of the question set out in sub-paragraph 12.5 on its own initiative.
- 12.3 Any such reference by the Appointee must be made no later than 15 August in the year before the first Charging Year for which any adjustment to a Price Control is sought.
- 12.4 Any such determination by the Water Services Regulation Authority must be made no later than 15 November in the year before the first Charging Year for which any adjustment to a Price Control would take effect.
- 12.5 Under this Part the Water Services Regulation Authority may determine the question of whether there should be a change to the revenue allowed under, or, as the case may be, the level of, any Price Control determined under sub-

paragraph 9.3 in respect of the Appointee's Retail Activities or sub-paragraph 9.4 in respect of its Water Resources Activities, Bioresources Activities or Network Plus Activities for the following and any subsequent Charging Year and, if so, the amount of such change.

12.6 The Appointee shall furnish to the Water Services Regulation Authority such Information as the Water Services Regulation Authority may reasonably require for the purpose of making a determination pursuant to this Part.

12.7 In making a determination pursuant to this Part, the Water Services Regulation Authority shall:

(a) consider the Appointee's performance in relation to each relevant Performance Commitment in the period for which performance is being assessed and, in deciding for which Charging Year or Charging Years an adjustment to a Price Control should be made, shall consider both that and the Appointee's expected performance in the current year or one or more future years up to, but not including, the next Review Charging Year; and

(b) take account of the adjustments to the relevant Price Control which the Water Services Regulation Authority notified to the Appointee under sub-paragraph 12.1 above in relation to each relevant Performance Commitment in question.

12.8 In this Part "**Performance Commitment**" means a target or other measure of the performance of the Appointee in relation to the carrying out of the Regulated Activities that the Water Services Regulation Authority has notified to the Appointee by 31 December in the Charging Year before the Review Charging Year or which is set by the Competition and Markets Authority following a determination under paragraph 16.

12.9 In this Condition references to a "**Price Control**" include a Price Control that has been changed in accordance with a determination made under this Part.

12.10 Where a notification of a Performance Commitment is made for the purposes of sub-paragraph 12.1, that notification shall be treated for the purposes of

sub-paragraph 16.1 (regarding references to the Competition and Markets Authority) as part of the relevant determination made under sub-paragraph 9.3 or sub-paragraph 9.4.

Part IV. Interim Determinations

13 Matters of interpretation and construction which apply for the purposes of this Part IV

13.1 In this Part of this Condition:

"the Appropriate Discount Rate" means such rate of return as, at the time at which the Appropriate Discount Rate falls to be applied from time to time under this Condition, investors and creditors would reasonably expect of a properly managed company holding the Appointments whose sole business consists of being a water undertaker and a sewerage undertaker and, without excluding other considerations which may also be relevant, having its equity share capital listed on The London Stock Exchange, and the same Appropriate Discount Rate shall be applied for all purposes in determining questions the subject of the same reference (including questions determined by the Water Services Regulation Authority under paragraph 15 when it determines questions referred to it by the Appointee under paragraph 14);

"equity share capital" has the same meaning as in the Companies Act 2006 ;

"making a Relevant Determination" means, as regards each Price Control to which an Interim Determination relates or is to relate, making one or more determinations pursuant to sub-paragraph 9.3 or sub-paragraph 9.4, pursuant to a Periodic Review, as to that Price Control, or making any subsequent Interim Determination as to whether the level of that Price Control should be changed (and, if so, what change should be made to the level of the Price Control or Price Controls), and **"Relevant Determination"** shall be construed accordingly;

"Net Present Value" means the net present value calculated as at 30 September in the year in which the relevant Reference Notice is given or, where in any year no Reference Notice is given under paragraph 14 but the

Water Services Regulation Authority gives a notice to the Appointee under paragraph 15, as at 30 September in the year in which the Water Services Regulation Authority gives the notice, by discounting subsequent cash flows and inflating earlier cash flows at the Appropriate Discount Rate, assuming all cash flows in any Charging Year occur on 30 September in that Charging Year;

a "**Notified Item**" is any item notified by the Water Services Regulation Authority to the Appointee as not having been allowed for (either in full or at all) in making a Relevant Determination; and for the purpose of this definition:

- (a) where any such item was not allowed for in full then it shall only be a Notified Item to the extent that it was not allowed for; and
- (b) where, in determining whether the Relevant Determination should be changed (and if so what change should be made to it), the Water Services Regulation Authority, or, as the case may be, the Competition and Markets Authority, allows for any such item as was previously so notified by the Water Services Regulation Authority then references in this Condition to Notified Items and Relevant Items shall be taken, for the purposes of any subsequent Interim Determination, to exclude such item to the extent that the Water Services Regulation Authority, or, as the case may be, the Competition and Markets Authority, allowed for it as aforesaid;

a "**Relevant Change of Circumstance**" is any of the following:

- (1)
 - (a) the application to the Appointee of any legal requirement; and
 - (b) any change to any legal requirement which applies to the Appointee (including any legal requirement ceasing to apply, being withdrawn or not being renewed);
- (2) either of the following circumstances for any Charging Year in respect of which the Secretary of State, or, as the case may be, the Water Services Regulation Authority, notified the Appointee that variations in

value received or expected to be received from Relevant Disposals of Land shall constitute a Relevant Change of Circumstance:

- (a) where for any Charging Year the value received or expected to be received from a Relevant Disposal of any Identified Land is, or is expected to be, different from the value which the Secretary of State, or, as the case may be, the Water Services Regulation Authority, notified the Appointee was the value attributable to a Relevant Disposal of that Identified Land for that Charging Year which had been allowed for in making a Relevant Determination;
or
- (b) where for any Charging Year, and to the extent not taken into account under (a) above, the aggregate value received or expected to be received from Relevant Disposals of Non-identified Land is, or is expected to be, different from the value which the Secretary of State, or, as the case may be, the Water Services Regulation Authority, notified the Appointee was the value attributable to Relevant Disposals of Non-identified Land for that Charging Year which had been allowed for in making a Relevant Determination;

and so that any notification by the Water Services Regulation Authority for the purposes of this sub-paragraph (2) shall be relevant for the purposes of this sub-paragraph (2) to the exclusion of any earlier notification by the Secretary of State or the Water Services Regulation Authority for the purposes of this sub-paragraph (2) to the extent that the first-mentioned notification is made in respect of matters in respect of which that earlier notification was made.

For the purposes of this sub-paragraph (2):

- (i) "**Identified Land**" means any piece or parcel of protected land identified in any such notification referred to in (a) above as is relevant for the time being for the purposes of this sub-paragraph (2) as being included in that notification, not being, or

being part of, a piece or parcel of land which has previously been the subject of a transfer under paragraph 7 of Condition K;

- (ii) "**land**" includes any interest or right in or over land;
- (iii) "**Non-identified Land**" means any piece or parcel of protected land, not being, or being part of:
 - (A) a piece or parcel of protected land identified in any such notification referred to in (a) above as is relevant for the time being for the purposes of this sub-paragraph (2); or
 - (B) a piece or parcel of protected land which has previously been the subject of a transfer under paragraph 7 of Condition K;
- (iv) "**protected land**" and "**disposal**" have the meanings respectively given to them in section 219 of the Water Industry Act 1991;
- (v) a "**Relevant Disposal**" means and includes any disposal by the Appointee;
- (vi) a "**Relevant Disposal of Land**" means and includes a Relevant Disposal of Identified Land and a Relevant Disposal of Non-identified Land;
- (vii) "**value**" includes value of any kind including, without limitation, cash, the value of real or personal property or any interest in such property, the value of any right or benefit (actual or prospective) and the value of any release, in whole or in part, of any obligation or claim, provided that to the extent that any property, right or benefit shall consist of a right to receive cash or any other asset then no value shall be attributed to that property, right or benefit but the cash or other asset the subject thereof shall be included and treated as value received or

expected to be received in the Charging Year in which it is received or expected to be received;

(viii) references to "**value received or expected to be received**" shall be construed so as to include receipts by, and grants to, the Appointee, any Associated Company or any other business in which either the Appointee or any Associated Company has a material direct or indirect interest;

(ix) in the case of a right or benefit, but subject to the proviso to (vii) above, value shall be deemed to have been received at the time the right is granted or the benefit arises;

(3) where:

(i) in making a Relevant Determination, an amount has been allowed for on account of steps taken or to be taken for the purpose of securing or facilitating compliance with a legal requirement (not being one to comply with which the Appointee has determined to make a change to the basis on which it charges customers for water supply or sewerage services) or achieving a service standard adopted or to be adopted by the Appointee; and

(ii) in any such case:

(A) the Appointee has not taken (by the date by which it was assumed for the purposes of assessing the amount allowed for as aforesaid it would take those steps) any or all of those steps which, for the purpose of assessing the amount allowed for as aforesaid, it was assumed it would take; and

(B) as a result, the amount allowed for as aforesaid is substantially greater than the sum of (a) the costs (if any) actually incurred by the Appointee for the relevant

purpose specified in (i) above and (b) so much (if any) of that amount as has been otherwise offset by prudent management of the capital programme; and

(C) that purpose has not been otherwise achieved;

(4) where:

(a) in making a Relevant Determination an amount has been allowed for on account of capital expenditure to be incurred by the Appointee; and

(b) for any Charging Year ended before the making of the relevant reference under paragraph 14, or, as the case may be, the giving of the relevant notice under paragraph 15, the Notified Index is at a different level from that which the Water Services Regulation Authority last notified the Appointee in connection with a Relevant Determination was the level which it had been assumed would pertain in that same Charging Year (being a Charging Year in which it was assumed for the purpose of assessing the amount allowed for as aforesaid that capital expenditure would be incurred by the Appointee);

For the purposes of this sub-paragraph (4) and sub-paragraph 14.2:

(A) "**the Notified Index**" means the index of national construction costs notified by the Water Services Regulation Authority to the Appointee for the purposes of this Condition, or such other index as the Water Services Regulation Authority, after consultation with the Appointee, determines to be appropriate and reasonable for those purposes as being the index which is to apply for the purposes of the relevant Charging Year.

(B) where:

(a) the Notified Index is not available by 1 September in any year;

- (b) there is a material change to the basis of compiling the Notified Index; or
 - (c) the level of the Notified Index is revised after the determination of the questions in respect of a Relevant Change of Circumstance falling within this sub-paragraph
- (4)

then the question as to how changes in construction costs in the relevant Charging Year should be allowed for as a Relevant Change of Circumstance shall be determined by the Water Services Regulation Authority in such manner as the Water Services Regulation Authority, after prior consultation with the Appointee, determines to be appropriate and this Condition shall be modified accordingly; and

- (C) "the Indexed Capital Costs Amount" is the amount found by multiplying A by B, where

A is the aggregate amount of capital expenditure which, for the purpose of assessing the amount allowed for as described in (a) above, it was assumed would be incurred by the Appointee in the relevant Charging Year

B is the percentage difference between the level of the Notified Index for the relevant Charging Year and the level notified for that same Charging Year by the Water Services Regulation Authority, as described in (b) above;

a "**Relevant Item**" is any of the following:

- (1) A Relevant Change of Circumstance (other than a Relevant Change of Circumstance falling within sub-paragraph (2) of the definition);
- (2) A Notified Item; and
- (3) A Relevant Disposal of Land

and references to a Relevant Item are to a Relevant Change of Circumstance (other than a Relevant Change of Circumstance falling within sub-paragraph (2) of the definition), a Notified Item or a Relevant Disposal of Land as the context may require.

13.2 In the definition of a "Relevant Change of Circumstance" and for the purpose of that definition:

- (1) a "**legal requirement**" is any of the following:
 - (a) any enactment or subordinate legislation to the extent that it applies to the Appointee in its capacity as a water undertaker or sewerage undertaker (and for this purpose, but without prejudice to the generality of the foregoing, "subordinate legislation" includes any order made under section 18 of the Water Industry Act 1991, and any authorisation granted, approval given, or prohibition imposed, by the Secretary of State under The Water Supply (Water Quality) Regulations 2016);
 - (b) any regulation made by the Council or the Commission of the European Union to the extent that it applies to the Appointee in its capacity as a water undertaker or sewerage undertaker, or decision taken by the said Commission which is binding on the Appointee in its capacity as a water undertaker or sewerage undertaker and to the extent that it is so binding;
 - (c) any licence, consent or authorisation given or to be given by the Secretary of State, the Environment Agency or other body of competent jurisdiction to the Appointee for the purpose of carrying on any of the functions of a water undertaker or sewerage undertaker;
 - (d) any undertaking given by the Appointee to, and accepted by, the Secretary of State or, as the case may be, the Water Services Regulation Authority for the purposes of section 19(1)(b) of the Water Industry Act 1991 ;

- (e) other than any such undertaking as is referred to in (d), any undertaking given by the Appointee to any enforcement authority, and accepted by that enforcement authority, to take all such steps:
 - (i) as are specified by that enforcement authority to be necessary or appropriate for the Appointee to take for the purpose of securing or facilitating compliance with any legal requirement in relation to which that enforcement authority is the enforcement authority; or
 - (ii) the taking of which is specified by that enforcement authority to be a condition or requirement of granting or renewing any such licence, consent or authorisation as is referred to in (c) or agreeing not to withdraw the same;
- (f) the Conditions of these Appointments; and
- (g) any interpretation of law, or finding, contained in any judgment given by a court or tribunal of competent jurisdiction in respect of which the period for making an appeal has expired which requires any legal requirement falling within (a) to (f) above to have effect in a way;
 - (i) different to that in which it previously had effect; or
 - (ii) different to that in which it was taken to have effect:
 - (A) for the purpose of making a Relevant Determination; or, as the case may be,
 - (B) in determining whether a Relevant Determination should be changed

but so that nothing in sub-paragraphs (a) to (g) above shall apply so as to include:

- (i) any such legal requirement as is referred to in section 41 of the Environment Act 1995 or any such legal requirement that is equivalent to those referred to in section 113 of the Water Act 1989 (as originally enacted), or
- (ii) those sections

to the extent in either case that they require the Appointee to pay fees or charges to the relevant enforcement authority; and

- (2) "**enforcement authority**" means any person or body having jurisdiction to enforce or to take action under or in respect of the relevant legal requirement.

13.3 In paragraph 14 and in the definition of a "Relevant Change of Circumstance":

- (1) references to costs include references to expenditure and loss of revenue and references to costs being incurred include references to expenditure being made and loss of revenue being suffered;
- (2) references to receipts include references to receipts, cash or other assets of any sort, whether of a capital or revenue nature and including receipts of grants, contributions, gifts and loans; and
- (3) without prejudice to sub-paragraph (1) above, "Operating Expenditure" in sub-paragraph 14.2(6) includes third party services as defined in pro forma A7 and A8 of the Water Services Regulation Authority's Regulatory Accounting Guideline 3.07. For the avoidance of doubt, depreciation, the write-down/off of assets, the profits/loss on disposal of assets and infrastructure renewals expenditure or charges are excluded.

13.4 (1) For the purposes of sub-paragraph 14.2(1), costs, receipts and savings shall be ascertained at the general price level prevailing, or expected to prevail, on 30 September in the year in which the Appointee gives notice under sub-paragraph 14.1, or the Water Services Regulation Authority gives notice under sub-paragraph 15.1.

(2) In sub-paragraphs 14.2(8) and 14.2(9) and sub-paragraph (3) below "**at Outturn Prices**", in relation to the amount of any Base Cash Flow or depreciation, means that amount as adjusted to take account of the actual or expected cumulative percentage change in the Relevant Index from that prevailing, or expected to prevail, on 30 September in the year in which the Appointee gives notice under sub-paragraph 14.1, or the Water Services Regulation Authority gives notice under sub-paragraph 15.1, up to and including that prevailing, or expected to prevail, on 30 September in the year in which the Base Cash Flow or depreciation occurred, or is expected to occur.

(3) In sub-paragraph 14.2(8) "**Current Value**", in relation to any Base Cash Flow or depreciation at Outturn Prices, means that amount, as adjusted to take account of the actual or expected cumulative percentage change in the Relevant Index from 30 September in the year in which that Base Cash Flow or depreciation occurred or is expected to occur, up to and including 30 September in the relevant year.

13.5 For the purpose of section 13(5)(b) of the Water Industry Act 1991, the provisions of this Condition, to the extent that they relate to a Relevant Change of Circumstance falling within sub-paragraph (2) of that definition, are provisions of the Appointments which cannot be modified. This sub-paragraph shall cease to have effect if, but only if, this Condition ceases to contain any provision relating to changes to the Relevant Determination to allow for Notified Items and Relevant Changes of Circumstance.

14 References to the Water Services Regulation Authority relating to Notified Items and Relevant Changes of Circumstance and circumstances having a substantial effect on the Appointed Business

14.1 The Appointee may from time to time refer to the Water Services Regulation Authority for determination by it (having considered the proposals of the Appointee) the questions set out in sub-paragraph 14.2 or, as the case may be, sub-paragraph 14.3. Such reference shall be made by notice given to the

Water Services Regulation Authority, which, in the case of the questions set out in sub-paragraph 14.2, shall be given in accordance with sub-paragraph 14.4. For the purposes of sub-paragraph 14.2 a single reference may be made in respect of any number of Notified Items and Relevant Changes of Circumstance and sub-paragraph 14.2 shall be construed accordingly.

14.2 In the case of a Notified Item or where there has been or is to be a Relevant Change of Circumstance all of the following:

- (1) what are, or are likely to be, the costs, receipts and savings reasonably attributable to the Relevant Item and also, in the case of a Relevant Change of Circumstance falling within sub-paragraph (2) of the definition, the costs, receipts and savings reasonably connected with the Relevant Disposal of Land. For this purpose the costs reasonably attributable to a Relevant Change of Circumstance falling within sub-paragraph (4) of the definition shall be taken to be equal to the Indexed Capital Costs Amount;
- (2) except in the case of a Relevant Change of Circumstance falling within sub-paragraph (2) of the definition, to what extent:
 - (a) are the costs determined under (1) reasonably recoverable through charges for services provided, functions carried out by, and other activities of, the Appointee in its capacity as a water undertaker or sewerage undertaker which are not Standard Charges for water supply, sewerage services and the reception, treatment and disposal of trade effluent (not being Excluded Charges);
 - (b) in the case of receipts and savings, is the Relevant Item relevant to services provided, functions carried out by, and other activities of, the Appointee as a water undertaker or sewerage undertaker which are not water supply, sewerage services and the reception, treatment and disposal of trade effluent in respect of which the Appointee makes Standard Charges (not being Excluded Charges)

and where it is determined that such costs are reasonably recoverable as aforesaid or, as the case may be, that the Relevant Item is relevant as aforesaid, either in full or to an extent, then references hereafter to costs, receipts and savings reasonably attributable to a Relevant Item are to those costs, receipts and savings except to that extent;

- (3) both of the following:
- (a) what costs reasonably attributable to, or connected with, the Relevant Item as determined under (1) and what timing of incurring of such costs are appropriate and reasonable for the Appointee in all the circumstances to incur and programme, or, as the case may be, to have incurred and programmed, by reason of the Relevant Item; and
 - (b) what receipts and savings reasonably attributable to, or connected with, the Relevant Item as determined under (1) and what timing of such receipts and savings is appropriate and reasonable for the Appointee in all the circumstances to achieve and programme or, as the case may be, to have achieved and programmed, by reason of the Relevant Item

and for the purpose of determining the separate amounts under (a) and (b), but without prejudice to the generality of the foregoing:

- (i) no account shall be taken of:
 - (A) any trivial amounts;
 - (B) any costs, to the extent that they would have been, or would be, avoided by prudent management action taken since the transfer date (and for this purpose what constitutes "prudent management action" shall be assessed by reference to the circumstances which were known or which ought

reasonably to have been known to the Appointee at the relevant time);

(C) any savings achieved by management action taken since the transfer date over and above those which would have been achieved by prudent management action (and for this purpose what constitutes "prudent management action" shall be assessed by reference to the circumstances at the relevant time); or

(D) any amounts attributable to matters allowed for in making a Relevant Determination, except to the extent that such amounts otherwise fall to be taken into account as amounts reasonably attributable to, or connected with, the Relevant Item under this sub-paragraph (3) and sub-paragraph (1) by virtue of the definition of a Notified Item and a Relevant Change of Circumstance; and

(ii) in the case of a Relevant Change of Circumstance falling within sub-paragraph (1) of the definition, regard shall be had to whether either:

(a) the Secretary of State has notified the Water Services Regulation Authority of any change of policy, concerning any environmental or water-quality standard, which has been made since the last Relevant Determination; or

(b) the Appointee has itself given notice to the Water Services Regulation Authority of the application to it of, or any change to, any legal requirement, before referring that legal requirement to the Water Services Regulation Authority under sub-paragraph 14.1;

(4) having determined under (3) the separate amounts of costs and of receipts and savings in respect of each Relevant Item, what are the annual cash flows thereof (costs being netted off against the amount of receipts and savings for this purpose) over each Charging Year included in the timing determined under (3) (those annual cash flows being hereinafter referred to as "**the Base Cash Flows**");

(5) what is the annual aggregate of:

(a) one half of the Base Cash Flows in respect of Relevant Changes of Circumstance falling within sub-paragraph (2) of that definition; and

(b) the Base Cash Flows in respect of all other Relevant Changes of Circumstance and Notified Items

in both cases the subject of the notice or notices under sub-paragraph 14.4 or sub-paragraph 15.1;

(6) (a) where any part of an annual aggregate derived under sub-paragraph (5) consists of items to which (b) below does not apply, what is the Net Present Value of that part of the annual aggregate, calculated up to the start of the first of the Charging Years for which the next Periodic Review falls to be carried out;

(b) where any part of the annual aggregate derived under sub-paragraph (5) consists of revenue and/or Operating Expenditure, what is the Net Present Value of that part of the annual aggregate, calculated over 15 years; and

(c) what is the aggregate of the Net Present Values calculated under (a) and (b) ("**the Materiality Amount**");

(7) is the Materiality Amount equal to or does it exceed ten per cent of the turnover attributable to the Appointed Business in the latest financial year for which accounting statements have been prepared and delivered to the Water Services Regulation Authority under Condition

F, as shown by those accounting statements, and for this purpose where the Materiality Amount is a negative figure it shall be treated as though it were a positive figure;

(8) if so, for each year, ("**the relevant year**") until the first of the Charging Years for which the next Periodic Review falls to be carried out (having regard to any Review Notice or Reference Notice which has been given at the time when the reference is made);

(a) what are the following amounts:

(i) all Base Cash Flows at Outturn Prices attributable to the creation or acquisition of depreciable assets ("**Allowable Capital Expenditure**");

(ii) all the Base Cash Flows at Outturn Prices (save in respect of Relevant Changes of Circumstance falling within sub-paragraph (2) of that definition, where one half of the Base Cash Flow at Outturn Prices shall be used) attributable to the creation, acquisition or disposal of non-depreciable assets ("**Allowable Infrastructure Asset Expenditure**");

(iii) all other Base Cash Flows at Outturn Prices ("**Other Allowable Expenditure**");

(iv) the sum of the Current Value of all Allowable Capital Expenditure occurring up to and including the relevant year, divided by the weighted average expected life of the assets attributable to that Allowable Capital Expenditure at the time those assets were or are expected to be created or acquired ("**Allowable Depreciation**");

(v) the sum of the Current Value of all Allowable Capital Expenditure occurring up to and including the relevant year less the sum of the Current Value of all Allowable

Depreciation occurring up to and including the relevant year ("**Allowable Net Asset Value**");

(vi) the sum of the Current Value of all Allowable Infrastructure Asset Expenditure occurring up to and including the relevant year ("**Allowable Infrastructure Asset Value**");

(vii) the Appropriate Discount Rate, adjusted so as to exclude any allowance for changes in the Relevant Index, multiplied by the sum of:

(A) the Allowable Net Asset Value for the relevant year; and

(B) the Allowable Infrastructure Asset Value for the relevant year;

("the **Allowable Return**"); and

(b) what is the sum of:

(i) Other Allowable Expenditure;

(ii) Allowable Depreciation; and

(iii) the Allowable Return;

(the "**Annual Allowable Amount**");

(9) what change to the level of Price Control or Price Controls over the period beginning from the first of the Charging Years referred to in sub-paragraph 14.4(1) (in any case where a Reference Notice has been given in respect of sub-paragraph 14.2) or sub-paragraph 15.1(1) (in any other case) until the first of the Charging Years for which the next Periodic Review falls to be carried out (having regard to any Review Notice or Reference Notice which has been given at the time when the reference is made) ("**the Relevant Period**") is most likely to allow, or,

as the case may be, require, the Appointee to make such charges over the Relevant Period ("**Adjusted Charges**"), in such a manner as to secure that the increase, or, as the case may be, the decrease, in revenue attributable to the making of Adjusted Charges would, in each year of the Relevant Period, be equal to:

(i) the Annual Allowable Amount for that year,

plus

(ii) where Base Cash Flows at Outturn Prices have occurred prior to the first year of the Relevant Period, the amount, which, calculated as a constant annual amount over the Relevant Period, would result in the sum of the Net Present Values of these amounts equalling the sum of the Net Present Values of the Annual Allowable Amounts for each of the years prior to the Relevant Period.

14.3 All of the following:

- (1) whether any circumstance (other than a Relevant Change of Circumstance) has occurred which has or will have:
 - (a) a substantial adverse effect on the Appointed Business or on its assets, liabilities, financial position, or profits or losses, not being one which would have been avoided by prudent management action taken since the transfer date; or
 - (b) a substantial favourable effect on the Appointed Business, or on its assets, liabilities, financial position, or profits or losses, being one which is fortuitous and not attributable to prudent management action; and
- (2) if so, what change should be made to the level of Price Control or Price Controls.

For this purpose:

- (i) what constitutes "prudent management action" shall be assessed by reference to the circumstances which were known or which ought reasonably to have been known to the Appointee at the relevant time;
- (ii) an effect shall not be regarded as a substantial adverse effect or a substantial favourable effect in any case unless, if the questions set out in sub-paragraph 14.2 were to be asked in relation to the circumstance giving rise to it, the answer to that in 14.2(7) (taking the reference in it to ten per cent as a reference to twenty per cent) would be in the affirmative.

14.4 A Reference Notice given to the Water Services Regulation Authority in respect of sub-paragraph 14.2 shall contain or be accompanied by reasonable details of the Relevant Item in respect of which the Reference Notice is given and, unless the Water Services Regulation Authority otherwise consents, shall be given not later than:

- (1) the fifteenth day of September immediately preceding the first of the Charging Years in respect of which the Appointee wishes the change to the level of Price Control or Price Controls to take effect; or
- (2) if later, where the Water Services Regulation Authority has given a notice to the Appointee under sub-paragraph 15.1 in respect of the same Charging Year, within fourteen days from the receipt by the Appointee of that notice.

15 Changes to the level of a Price Control or Price Controls initiated by the Water Services Regulation Authority relating to Notified Items and Relevant Changes of Circumstance and circumstances within sub-paragraph 14.3(1)(b)

2. Condition K is deleted and replaced with the following text:

“Condition K: “Ring Fencing”, and Disposals of Land

1 Introduction

The purposes of this Condition are to ensure:

- (1) that the Appointee retains sufficient rights and assets for the purpose described in sub-paragraph 3.1; and
- (2) that the best price is received from disposals of land to which this Condition applies so as to secure benefits to customers through the application of the proceeds of such disposals to reduce charges as provided in, and subject to the provisions of, Condition B.

2 Interpretation and Construction

2.1 In this Condition and for the purposes of this Condition:

a "**Disposal Certificate**" means a certificate signed by all the directors of the Appointee for the time being or approved by a duly convened meeting of the board of directors of the Appointee for the time being and signed by a director or the secretary of the Appointee confirming that it has been so approved and having attached to it a certified copy of an extract of the minutes of the relevant meeting containing the resolution to approve the certificate;

"**formal tender**" means a tender, acceptance of which creates a binding obligation to purchase;

"**land**" includes any interest or right in or over any land;

"**the Materiality Amount**" for the purpose of any disposal of land

is £1 million

or such greater amount as may from time to time be determined by the Water Services Regulation Authority so as to allow for movements in the Relevant

Index or as may from time to time otherwise be determined by the Water Services Regulation Authority and approved by the Secretary of State;

"**nominee**" of any person includes any person acting at the direction of, or in concert with, that first-mentioned person or pursuant to any agreement or understanding with that first mentioned person;

a "**proposed disposal**" is any such disposal to which paragraphs 4, 5 or 6 applies;

"**protected land**" and "**disposal**" have the meanings respectively given to them in section 219 of the Water Industry Act 1991 and cognate expressions shall be construed accordingly;

"**Short term Disposal**" means a disposal which consists of the creation of any interest or right in or over protected land which the Appointee has an unconditional right to terminate without penalty at any time and from time to time by not more than thirty months' notice or which expires or otherwise ceases in accordance with its terms within thirty months of the date of its creation without any other interest or right arising on such expiry or cessation;

"**the Transfer Threshold**" for the purpose of any disposal of land to an Associated Company is

£500,000

or such greater amount as may from time to time be determined by the Water Services Regulation Authority so as to allow for movements in the Relevant Index or as may from time to time otherwise be determined by the Water Services Regulation Authority and approved by the Secretary of State;

"**value**" includes value of any kind including, without limitation, cash, the value of real or personal property or any interest in such property and the value of any right or benefit, actual or prospective, and the value of any release, in whole or in part, of any obligation or claim.

2.2 For the purpose of calculating "best price":

- (1) for the purpose of any valuer's certificate required to be furnished under sub-paragraph 4.6(1)(a)(i), or 5.1(1)(b);
 - (a) no reduction shall be made on account of the method, terms and timing of the proposed disposal (if relevant) in respect of which the relevant certificate is required to be furnished, but "best price" shall be calculated on the basis of a disposal of the land in question, the method, terms and timing of which are most likely to secure that the best price is obtained; and
 - (b) where the proposed disposal or, as the case may be, the change of use is related to, or connected or interdependent with, any other proposed disposal, then, subject to sub-paragraph (a), no account shall be taken of that fact; and
- (2) for any purpose under this Condition, "best price" shall include value of any kind as "value" is defined in sub-paragraph 2.1.

3 "Ring Fencing"

- 3.1 The Appointee shall at all times ensure, so far as reasonably practicable, that if a special administration order were made in respect of the Appointee the Appointee would have available to it sufficient rights and assets (other than financial resources) to enable the special administrator so to manage the affairs, business and property of the Appointee that the purposes of such order could be achieved, provided that this paragraph shall not require the Appointee to seek to re-negotiate the terms of any contract or obligation which, in accordance with a scheme under Schedule 2, is transferred to the Appointee.
- 3.2 The Appointee shall publish with its audited accounts for each financial year a statement as to whether the Appointee was in compliance with sub-paragraph 3.1 as at the end of that financial year.

3.3 Where any such rights and assets as are mentioned in sub-paragraph 3.1 are provided or made available by any Group Company, the Appointee's obligations under sub-paragraph 3.1 in respect of such rights and assets shall be such as they would be if the words "so far as reasonably practicable" and the proviso were omitted from that sub-paragraph.

3.4 The state, condition and capacity of assets used by the Appointee in the Appointed business are the subject of Conditions J and L and accordingly sub-paragraph 3.1 shall not apply thereto.

4 Disposals of protected land other than disposals by auction or formal tender or to Associated Companies

4.1 Subject to sub-paragraph 4.2, the Appointee shall not make any disposal of any protected land, unless the Appointee shall have complied with the provision of sub-paragraph 4.3.

(1) to any Short-term Disposal;

(2) to any disposal of any protected land the value of which, when aggregated with:

does not exceed the Materiality Amount;

- (3) to any such disposal of protected land as is referred to in paragraphs 5 and 6;

 - (a) identifies the protected land the subject of the proposed disposal both by written description and by a plan showing:
 - (i) such protected land; and
 - (ii) all other land contiguous or adjacent to such protected land in or over which the Appointee or, to the best of the knowledge, information and belief of the Appointee, having made due and careful enquiry, any Associated Company has any interest or right and which affects or might affect the value of such protected land or the value of which is or might be affected by such protected land;

- (iii) except where a certificate is furnished under sub-paragraph 4.5, that in the honestly held and reasonable opinion of the Appointee, taking account of proper professional advice obtained by the Appointee for that purpose, the consideration certified under (ii) is the best price that could reasonably be obtained for the protected land in question, having regard to all the circumstances at the time when the certificate is given (including, but without limitation, any reasonable prospect of planning permissions being obtained); and
 - (iv) that neither the Appointee nor, to the best of the knowledge, information and belief of the Appointee, having made due and careful enquiry, any Associated Company or any company or business in which the Appointee, or, to the best of the knowledge, information and belief of the Appointee, having made due and careful enquiry, any Associated Company, has a material direct or indirect interest, shall, following the proposed disposal or any other transaction, a continuing interest whether direct or indirect in the protected land the subject of the proposed disposal or in any development involving or connected with that protected land; and

- 4.6 Where the Appointee proposes to make any such disposal as is mentioned in sub-paragraph 4.1 and the terms or circumstances of the proposed disposal are such that a Disposal Certificate giving the full confirmation required by (f) or (g) of sub-paragraph 4.3(1) (including, where relevant, such a certificate as is referred to in sub-paragraph 4.5) cannot properly be given, the Appointee shall not enter into any obligation (whether unconditional or subject to conditions) which requires or might require it to make that proposed disposal unless:

 - (b) furnish to the Water Services Regulation Authority a certificate by a valuer appointed by the Appointee ("**the Valuer**") addressed to the Water Services Regulation Authority which states that in the opinion of the Valuer the disposal of the protected land by auction or, as the case may be, formal tender and the timing of the proposed disposal are respectively the method and timing of disposal most likely to secure that the best price is obtained for the land in question;
- (2) prior to the date of the auction or the invitation to tender, furnish to the Water Services Regulation Authority in writing such further Information

particular proposed disposal, being such terms as the Water Services Regulation Authority considers appropriate to secure that the Appointee receives such share of any value to be derived or expected to be derived by the Associated Company from the land in question as the Water Services Regulation Authority considers appropriate, having regard to the duty imposed on the Water Services Regulation Authority under section 2(3)(c) of the Water Industry Act 1991.

- 6.4 In any case where the full confirmation required by (f) of sub-paragraph 4.3(1) cannot properly be given, the Appointee shall not enter into a relevant obligation unless the prior written consent of the Water Services Regulation Authority to the proposed disposal has been obtained, such consent not to be unreasonably withheld or delayed.
