Freedom of Information request –Request For Information

Reference: FOI 20170766

Dear 

Thank you for your request for information. I write to confirm that the information you have requested is not held by Ofwat.

Ofwat does not hold or collect postcode mapping data for any of the water companies. We do hold a [boundary map](#) which designates the relevant water companies throughout England and Wales.

For your information there are some additional postcodes at the beginning of each water company licence, which are specific sites added since the boundary map was produced in 1989 (in some instances not in the same area). All the water company licences can be found on our [website](#) for further information.

If you do have further information that will enable me to assist you further please contact me and I will be happy to discuss this issue with you.

Once an FOI request is answered, it is considered to be in the public domain. To promote transparency, Ofwat may publish the response and any material released on our website in the [FOI disclosure section](#). Any personal information in the letter will be removed before publishing. We will hold the information in accordance with Ofwat's [retention and disposal schedule](#) which can be found in our Publication Scheme on our website.
