

Further to my email yesterday the link you had supplied is no longer current and refers to archived data which is all held here <http://webarchive.nationalarchives.gov.uk/20150603224457/http://www.ofwat.gov.uk/publications/data/transactions/>

Ofwat now published datasets through the data gov site here <https://data.gov.uk/dataset/financial-transactions-data-ofwat>

I hope this helps with your enquiry

Yours sincerely
