Environmental Information Regulations (EIR) 2004 - Request for Information

Reference: EIR 201711106

Dear [REDACTED]

Thank you for your request for information. I write to confirm that the information you have requested is not held by Ofwat.

As the economic regulator for the water industry Ofwat is not required to collect information on water leakage.

There is some useful information on the industry website Discover Water at this link <https://discoverwater.co.uk/leaking-pipes>. There is also a water company comparison contained on the website. For actual specific leakage data by area you would need to contact the relevant water company concerned as the data contained on Discover Water will probably not be at the level you require.

All water companies are subject to the Environmental Information Regulations and contacts can be found on the Ofwat website at this link <https://www.ofwat.gov.uk/households/your-water-company/map/>.

Once an EIR request is answered, it is considered to be in the public domain. To promote transparency, Ofwat may publish the response and any material released on our website in the [FOI disclosure section](#). Any personal information in the letter will be removed before publishing. This document will be held in accordance with Ofwat's retention and disposal schedule which can be found in our Publication Scheme at the following link <https://www.ofwat.gov.uk/publication/retention-disposals-policy/>. If you have any concerns how Ofwat processes your personal data please contact the Data
