

Good afternoon [REDACTED]

I have confirmed with my colleagues that the Water companies publish totex details in their regulatory accounts which for most (if not all companies) form a discrete section in their Annual Report. Links to all the company websites are on the Discover Water website [www.discoverwater.co.uk](http://www.discoverwater.co.uk). Unfortunately Ofwat does not hold the data on their behalf.

Totex with the capex/opex breakdown and analysis by service is a requirement in our regulatory accounting guidelines. See Ofwat's [RAG4](#) document for requirements. The relevant tables are 2B, 4D and 4E.

Kind regards  
Christine
