Q1: Do you support the new requirements or principles we have set out in section 2.2?

Yes. The new requirements bring the guidance up to date with changes in the legislative and regulatory framework.

Q2: Do you support our proposed approach to approving new codes, as set out in section 2.3?

Yes. We agree that the changes are appropriate and reasonable.

Q3: Do you support our proposed approach to updating approved codes, as set out in section 2.4?

Yes.

Q4: Do you have any other comments on the draft guidance document published alongside this consultation?

We have no further comments.
