URGENT! We need your support on a Gold incident that we have running. We're looking for DSTs, gangs and dispatchers and anyone who can support with bottle drops in Leicester, Coventry, Rugby and Birmingham areas from 7am tomorrow. Find out all the details on Pipeline: <https://pipeline.stwater.co.uk/severntrent/ViewArticle?i=3785>

The "big thaw" has hit us really hard tonight. We urgently need the support of everyone in the company please over the next 48 hours. A huge thank you to the hundreds of colleagues working through the night tonight in STC. Wish us luck as we attack the mountain of bursts, network issues, calls and tweaks. Going to need a few extra diet cokes tonight I think. 😊
