Good afternoon,

We would like to confirm that we are happy with the proposed changes to the Charges Scheme Rules, Wholesale Charging Rules and the Charging Rules for New Connection Services.

For clarity, regarding Infrastructure Charges in particular, we have interpreted your wording in the fourth paragraph of page 3 to mean that the incumbent water and wastewater company collects Infrastructure Charges from their NAV customers rather than directly from the customers of the NAV. This is reinforced by your comment that no changes are required to our Charging Arrangements.

Regards
