Dear Sir

PRT Response to Ofwat Charges Scheme Rules, Wholesale Charging Rules and the Charging Rules for New Connection Services

Thank you for the opportunity to respond to the consultation on your Charging Rules, published 6 November 2018 which itself reflects those issued in July 2018.

We support the proposal in the Consultation to make the changes proposed in July 2018, to the Charges Scheme Rules and Charging Rules for New Connection Services (English Undertakers), permanent.

We note also the minor amendments, including the removal of the references to Cholderton & District Water Company Limited.

Yours faithfully
