Dear Sir

CONSULTATION ON CHANGES TO THE CHARGES SCHEME RULES, WHOLESale CHARGING RULES AND THE CHARGING RULES FOR NEW CONNECTION SERVICES (ENGLISH UNDERTAKERS) IN ACCORDANCE WITH 143(6A), 143B, 66E AND 117I, and 51CD, 105ZF AND 144ZA OF THE WATER INDUSTRY ACT 1991

Thank you for the opportunity to comment on the proposed permanent changes to the various charging rules listed above.

It is important for all stakeholders that the content of the charging rules is very clear in its intent, and we welcome the proposed changes.

We note that the amendments are unchanged from the draft proposals, and agree with the further minor corrections.

We therefore do not propose any further changes.

Yours faithfully

Regulatory Director
