Application

- H1. The Appointee must follow the procedure set out in this condition in relation to customers whose premises are Domestic Premises.
- H2. In this condition, any reference to the Appointee making an adjustment to Metered Charges for water supply in respect of premises means:

Checking for a leak on the Supply Pipe

- H4. At the time of the installation of a meter at a customer’s premises, the Appointee must check the Supply Pipe between the meter and the customer's tap to detect whether there are any leaks.

- H5. Where, as a result of that check, a leak is detected on the Supply Pipe:
- H5.1 if the leak can be repaired without additional excavation at the time the meter is installed, the Appointee must repair the leak; and

H10.2 where the Appointee has no such record:

H10.2.1 the adjustment must be based on typical usage for properties of a similar type; and

H10.2.2 the Metered Charges in respect of the premises must be further adjusted if the customer's subsequent actual usage is significantly different.

Adjustment of charges for sewerage services

H11. Where the Appointee is required to make any adjustment to the Metered Charges for water supply under this condition:

to the adjustment being made to the Metered Charges for water supply in respect of the premises.”

- (1) there is no cross-subsidy between the Appointed Business and any other business of the Appointee or between the Appointed Business and any Associated Company;
- (2) the transfer of assets (including the provision of financial support) to Associated Companies does not adversely affect the Appointee's ability to carry out its functions as a water undertaker or to finance those activities; and
- (3) the Appointee has at its disposal sufficient financial and managerial resources to carry out the Regulated Activities (including any investment programme necessary to fulfil its obligation under the Appointment).

Interpretation and Construction

I1. In this Condition and for the purposes of this Condition:

I1.1 references to "**the Appointed Business**" shall be construed as if the Appointed Business included the management and holding by the Appointee of any protected land; and

I1.2 "**sewerage services**" includes sewage treatment and disposal and reception, treatment and disposal of trade effluent.

I2. Except where otherwise expressly provided, references in this Condition to costs or liabilities shall be construed as including taxation, and references to any profit and loss account shall be construed accordingly.

Transactions entered into by the Appointee or the Appointed Business with or for the benefit of Associated Companies or other businesses or activities of the Appointee

- I4. The Appointee shall ensure that every transaction between the Appointed Business and any Associated Company (or between the Appointed Business and any other business or activity of the Appointee) is at arm's length, so that neither gives to nor receives from the other any cross-subsidy.
- I5. The Appointee shall not, in respect of any Charging Year, make any payment to any Associated Company in respect of the services rendered to the Appointee by that company, which exceeds:
 - I5.1 such prices in respect of the service in question which the Appointee has ascertained by market testing in accordance with such arrangements as Ofwat may have approved for the purpose of this Condition I and as set out in Regulatory Accounting Guideline 5 (Transfer Pricing in the Water and Sewerage Industry) or any revision or modification of it for the time being in force, provided that those arrangements have no prejudicial effect upon the proper carrying out of the Appointee's functions or any of them; or
 - I5.2 if, in the opinion of Ofwat, the Appointee has demonstrated that market testing as described in paragraph I5.1 above is inappropriate, such proportion as Ofwat may agree of the Associated Company's costs in providing to the Appointee the service in question (including a reasonable return to the Associated Company).

- I9.2 subject to paragraph I10 below, continue or permit to remain in effect any agreement or commitment incorporating a cross-default obligation.
- I10. Where liability under the cross-default obligation would arise only on a default by a subsidiary company of the Appointee, the Appointee may permit that cross-default obligation to remain in effect for the period for which it was fixed by the instrument which created it, so long as its potential liability is not increased and no changes are made in the terms under which that liability might arise.
- I11. For the purposes of paragraphs I8 to I10:
- I11.1 "**liability**" includes the creation of any mortgage, charge, pledge, lien or other form of security or encumbrance, the making of any loan and the undertaking of any other indebtedness;

I13. The Appointee shall at all times act in the manner best calculated to ensure that it has adequate:

which are sufficient to enable it to carry out those functions as required by paragraph I13 above; and

(3) in respect of the Wholesale Business only, that in the opinion of the Directors, all contracts entered into with any Associated Company include all necessary provisions and requirements concerning the standard of service to be supplied to the Appointee, to ensure that it is able to meet all its obligations as a water and a sewerage undertaker".

- I18. The provisions in paragraph I17 requiring a separate certificate of adequacy for the Appointee's NHH Retail Business shall cease to have effect on the Exit Date.
- I19. The Appointee shall, when it complies with paragraph I17, submit with each Certificate a statement of the main factors which the Directors have taken into account in giving that Certificate.
- I20. Without prejudice to paragraphs I21 and I22 below, the Directors shall inform Ofwat in writing as soon as they become aware of any circumstance which causes them to believe that the most recent Certificate under paragraph I27 could not be repeated in the light of that circumstance.
- I21. Whenever the Directors become aware that the Appointee or any Group Company is proposing to embark upon any activity which is not one of those described in paragraph I13 and which may be material in relation to the Appointee's ability to finance the carrying out of the functions mentioned in that paragraph, they shall as soon as is practicable, having regard to the purposes of this Condition, notify Ofwat about that proposal.

- I24. Each Certificate under paragraph I17, shall be accompanied by a report prepared by the Appointee's Auditors and addressed to Ofwat, stating whether they are aware of any inconsistencies between that certificate and either the regulatory accounting statements referred to in paragraph F5 or any information which the Auditors obtained in the course of their work as the Appointee's Auditors and, if so, what they are.
- I25. [Not used]
- I26. The Appointee shall, at all times, conduct the Appointed Business as if it were substantially the Appointee's sole business and the Appointee were a separate public

limited company. The Appointee should have particular regard to the following in the application of this Condition:

- I26.1 the composition of the Board of the Appointee should be such that the Directors, acting as such, act independently of the parent company or controlling shareholder and exclusively in the interests of the Appointee;
- I26.2 the Appointee must ensure that each of its Directors must disclose, to the Appointee and Ofwat, conflicts between duties of the Directors as Directors of the Appointee and other duties;
- I26.3 where potential conflicts exist between the interests of the Appointee as a water undertaker and those of other Group Companies, the Appointee and its Directors must ensure that, in acting as Directors of the Appointee, they should have regard exclusively to the interests of the Appointee as a water undertaker;
- I26.4 no Director of the Appointee should vote on any contract or arrangement or any other proposal in which he has an interest by virtue of other directorships. This arrangement should be reflected in the Articles of Association of the Appointee;

 - I26.5.1 a new Director is appointed;
 - I26.5.2 the resignation or removal of a Director takes effect; or

- I26.6 the dividend policy adopted by the Appointee and the implications of paragraph I12; and
 - I26.7 the Principles of Good Governance and Code of Best Practice (or any successor document having similar purposes and content) as may from time to time be incorporated into or approved for the purposes of the Listing Rules of the Financial Conduct Authority.
- I27. The Appointee shall, at such times and in such ways as may from time to time be required by the Listing Rules of the Financial Conduct Authority, publish such

information about its annual final results as is by those rules required to be announced by a company whose shares are for the time being listed on the London Stock Exchange.

- I28. Subject to paragraph I29 below, the Appointee shall maintain the listing of a financial instrument and shall use all reasonable endeavours to retain the listing of that financial instrument, whose market price should react to the financial position of the Appointee's Appointed Business, on the London Stock Exchange, or with the prior agreement of Ofwat, some other exchange of similar standing.
- I29. The obligation in paragraph I28 applies unless the Appointee satisfies Ofwat that market conditions make it inappropriate for the Appointee to maintain such a financial instrument.
- I30. The Appointee shall use all reasonable endeavours to ensure that it, or any Associated Company as an issuer of corporate debt on its behalf, maintains at all times an Issuer credit rating which is an Investment grade rating.
- I31. In this Condition:

"Investment grade rating" means a rating recognised as investment grade by Standard and Poor's Rating Group (or any of its subsidiaries), by Moody's Investors Services Incorporated (or any of its subsidiaries) or by Fitch Ratings Limited, or any other reputable credit rating agency which has comparable standing in the United Kingdom and the United States of America; and

- I32. Except with the prior consent of Ofwat, the Appointee shall not transfer, lease, license or lend any sum or sums, asset, right or benefit to any Associated Company of the Appointee if:
- I32.1 the Appointee does not hold an Issuer credit rating that is an Investment grade rating;
- I32.2 where the Appointee holds more than one Issuer credit rating, one or more of the ratings so held is not an Investment grade rating; or
- I32.3 any Issuer credit rating held by the Appointee is BBB- by Standard & Poor's Ratings Group or Fitch Ratings Ltd or Baa3 by Moody's Investors Service, Inc. (or such higher Issuer credit rating as may be specified by any of these credit

rating agencies from time to time as the lowest Investment grade rating), or is an equivalent rating from another credit rating agency that has been notified to the Appointee by Ofwat as of comparable standing for the purposes of paragraph I30 and:

I32.3.1 is on review for possible downgrade; or

I32.3.2 is on "Credit Watch" or "Rating Watch" with a negative designation;

or, where neither I32.3.1 nor I32.3.2 applies:

I32.3.3 the rating outlook of the Appointee as specified by any credit rating agency referred to in paragraph I32.3 above which at the relevant time has assigned the lower or lowest Issuer credit rating that is an Investment grade rating held by the Appointee has been changed from stable or positive to negative.

I33. Where any of paragraphs I32.1, I32.2 or I32.3 apply the exceptions are:

I33.1 payment properly due for any goods, services or assets in relation to commitments entered into prior to the date on which the circumstances described in paragraph I32 arise, and which are provided on an arm's length basis and on normal commercial terms;

For the avoidance of doubt this exception does not include a dividend or other distribution out of distributable reserves or a repayment of capital;

I33.3 repayment of, or payment of interest on, or payments to an Appointee's financing subsidiary of any fees, costs and other amounts arising under:

I33.3.1 a loan made between the Appointee and the Appointee's financing subsidiary, for so long as the Appointee's financing subsidiary continues to be an Associated Company of the Appointee; or

I33.3.2 a loan not prohibited under other provisions of these Conditions and which was contracted prior to the date on which the circumstances in paragraph I32 arise, provided that payment in respect of such loan is not made earlier than the original due date for payment in accordance with its terms; and

- I33.4 payments for group corporation tax relief or for the surrender of Advance Corporation Tax calculated on a basis not exceeding the value of the benefit received, provided that the payments are not made before the date on which the amounts of tax thereby relieved would otherwise have been due.
- I34. For the purposes of paragraph I33.3 a financing subsidiary is a subsidiary of the Appointee which is wholly owned by the Appointee and is dedicated solely to raising finance on behalf of, and on lent to the Appointee for the purposes of the Appointee's Regulated Activities and this is reflected in the Articles of Association of the financing subsidiary.”
