8.2 The Appointee shall furnish to the Water Services Regulation Authority such Information as the Water Services Regulation Authority may reasonably require to enable it to carry out a Periodic Review pursuant to sub-paragraph 8.3 or sub-paragraph 8.4.
8.3 In respect of the Appointed Business’s Retail Activities, the Water Services Regulation Authority shall determine (having regard to all the circumstances which are relevant in the light of the principles which apply by virtue of Part I of the Water Industry Act 1991 in relation to the Water Services Regulation Authority’s determinations including, without limitation, any change in circumstance which has occurred since the last Periodic Review or which is to occur)

(1) what is the appropriate nature, form and level of one or more Price Controls in respect of the relevant part or parts of the Appointed Business;

(2) how the Appointee shall, in respect of each such Price Control applicable to it, demonstrate the compliance referred to in sub-paragraph 8.1; and

(3) for how long each such Price Control in respect of the Appointee shall last (being a period of consecutive Charging Years).

8.4

(1) In respect of the Appointed Business’s Water Resources Activities and Network Plus Water Activities except for those activities for which there are Excluded Charges, the Water Services Regulation Authority shall determine separate Price Controls in accordance with this sub-paragraph (having regard to all the circumstances which are relevant in the light of the principles which apply by virtue of Part I of the Water Industry Act 1991 in relation to the Water Services Regulation Authority’s determinations including, without limitation, any change in circumstance which has occurred since the last Periodic Review or which is to occur).

(2) In relation to Network Plus Water Activities, the Water Services Regulation Authority shall determine:
   (a) one single Price Control, in respect of the Appointed Business’s Network Plus Water Activities, such Price Control consisting of, in each Charging Year:
the percentage change (expressed, in the case of an increase, as a positive number, in the case of a decrease, as a negative number, and, in the case of no change, as zero) in the Relevant Index between that published for the month of November in the Prior Year and that published for the immediately preceding November; and

(ii) a number, "K" which may be a positive number or a negative number or zero which shall together be expressed as a percentage, and which shall limit the change in the charges to be levied by and/or revenue allowed to the Appointed Business in each Charging Year in respect of the activities concerned; and

(b) how the Appointee shall, in respect of the Network Plus Water Activities Price Control applicable to it, demonstrate the compliance referred to in sub-paragraph 8.1.

(3) In relation to Water Resources Activities, the Water Services Regulation Authority shall determine:

(a) what is the appropriate nature, form and level of the Price Control in respect of Water Resources Activities; and

(b) how the Appointee shall demonstrate the compliance referred to in sub-paragraph 8.1 in respect of Water Resources Activities, and in making any such determination will include an annual adjustment to reflect any percentage change in the Relevant Index between that published for the month of November in the Prior Year and that published for the immediately preceding November.

8.5 Each Price Control determined under sub-paragraph 8.3 pursuant to a Periodic Review shall be set for a period which shall be a number of Charging Years to be determined by the Water Services Regulation Authority, in conjunction with its determination pursuant to sub-paragraph 8.3, in each case starting on 1 April, with the first such period
starting on 1 April 2015, provided that no such period shall exceed five consecutive Charging Years.

8.6 Each Price Control determined under sub-paragraph 8.4 pursuant to a Periodic Review shall be set:

(1) for the five consecutive Charging Years starting on 1 April 2020; and

(2) thereafter for each period of five consecutive Charging Years starting on the fifth anniversary of the first day of the period in respect of which the immediately preceding Periodic Review was carried out.

8.7 If, at any time after 1 April 2020, the Water Services Regulation Authority is unable to conduct a Periodic Review by 31 December in the Charging Year before the Review Charging Year, then:

(1) in respect of Retail Activities, the previous determination pursuant to sub-paragraph 8.3 – in so far as that determination includes the matters decided under sub-paragraphs 8.3(1) and (2) – in respect of the final Charging Year of the period that was set in that previous determination pursuant to sub-paragraph 8.3(3), shall continue to apply for consecutive Charging Years until the next relevant determination under sub-paragraph 8.3 (or equivalent determination by the Competition and Markets Authority pursuant to paragraph 15) or the next relevant Interim Determination becomes effective;

(2) in respect of Water Resources Activities or Network Plus Water Activities, the previous determination pursuant to sub-paragraph 8.4 in respect of the final Charging Year of the period that was set in that previous determination shall continue to apply for consecutive Charging Years until the next relevant determination under sub-paragraph 8.4 (or equivalent determination by the Competition and Markets Authority pursuant to paragraph 15) or the next relevant Interim Determination becomes effective;

(3) the Water Services Regulation Authority shall conduct a Periodic Review as soon as reasonably practicable thereafter, provided that the Appointee has not given a relevant notice under paragraph 15.
8.8 Where there is a material change to the basis of compiling the Relevant Index, this Condition, in so far as it relates to that part of the calculation of any Price Control to which the Relevant Index is relevant, shall be modified in such a manner as the Water Services Regulation Authority, after prior consultation with the Appointee, may determine to be appropriate to take account of such change.

8.9 The Water Services Regulation Authority may, at its discretion, from time to time (whether pursuant to a Periodic Review in connection with a determination pursuant to sub-paragraph 8.3 or sub-paragraph 8.4, or at other times) designate any activity carried out as part of the Appointed Business as falling within:

(i) Retail Activities (subject to the definition of “Retail Activities” in paragraph 2);

(ii) Water Resources Activities (subject to the definition of “Water Resources Activities” in paragraph 2); or

(iii) Network Plus Water Activities (subject to the definition of “Network Plus Water Activities” in paragraph 2).

8.10 Where a designation is made under sub-paragraph 8.9 pursuant to a Periodic Review in conjunction with a determination pursuant to sub-paragraph 8.3 or sub-paragraph 8.4, that designation shall be treated for the purposes of sub-paragraph 15.1 as part of the determination.

8.11 Where a designation is made under sub-paragraph 8.9 otherwise than pursuant to a Periodic Review in conjunction with a determination pursuant to sub-paragraph 8.3 or sub-paragraph 8.4, that designation shall be treated for the purposes of sub-paragraph 15.1 as part of the next following determination in respect of the activity concerned.

9 Non Retail Charges Publication

9.1 The Appointee may from time to time be required to publish charges fixed for the purposes of demonstrating compliance with the Price Controls determined in respect of its Water Resources Activities and Network Plus Water Activities. Such requirement shall be made by way of a notice from the Water Services Regulation Authority to the Appointee specifying the information to be provided, the method of publication, the
time by which publication is required (being a reasonable period of time) and the period for which the published charges are to be effective. The Appointee shall comply with the said requirement by notice and adhere to the charges accordingly published.

10 Periodic Reviews relating to the Appointed Business where a Termination Notice has been given

10.1 Where a Termination Notice has been given by the Secretary of State to the Appointee, the Appointee may refer to the Water Services Regulation Authority for determination by it the question whether, on the assumption that such a Termination Notice had not been given, (but subject thereto, having regard to all the circumstances which are relevant in the light of the principles which apply by virtue of Part I of the Water Industry Act 1991 in relation to the Water Services Regulation Authority's determination or determinations, including, without limitation, any change in circumstance which has occurred since the most recent one or more Periodic Reviews or which is to occur), the Price Controls, and in the case of Retail Activities and Water Resources Activities, the nature, form and level of one or more Price Controls should be changed (and if so what change should be made to the relevant Price Control or Price Controls and, in the case of Retail Activities and Water Resources Activities, to the nature, form and level of the relevant Price Control or Price Controls) for one or more periods (as decided by the Water Services Regulation Authority) of consecutive Charging Years starting with the Charging Year starting 1 April last before the Termination Notice is to expire.

10.2 A reference to the Water Services Regulation Authority under this paragraph 10 shall be made by notice given to the Water Services Regulation Authority not earlier than 1 July and not later than 14 July in the Charging Year next but one before that commencing on the said 1 April.

Part 3A Performance Measure Adjustments

11.1 This Part 3A applies where the Water Services Regulation Authority has notified the Appointee by 31 December in the Charging Year before the Review Charging Year that a Price Control determined under sub-paragraph 8.3 in respect of the Appointee’s Retail Activities or sub-paragraph 8.4 in respect of the Appointee's Water Resources
Activities or Network Plus Water Activities may be adjusted to reflect the Appointee’s performance in relation to a specific Performance Commitment.

11.2 The Appointee may by notice to the Water Services Regulation Authority refer for a determination under this Part the question set out in sub-paragraph 11.5 or the Water Services Regulation Authority may make a determination under this Part of the question set out in sub-paragraph 11.5 on its own initiative.

11.3 Any such reference by the Appointee must be made no later than 15 August in the year before the first Charging Year for which any adjustment to a Price Control is sought.

11.4 Any such determination by the Water Services Regulation Authority must be made no later than 15 November in the year before the first Charging Year for which any adjustment to a Price Control would take effect.

11.5 Under this Part the Water Services Regulation Authority may determine the question of whether there should be a change to the revenue allowed under, or, as the case may be, the level of, any Price Control determined under sub-paragraph 8.3 in respect of the Appointee’s Retail Activities or sub-paragraph 8.4 in respect of its Water Resources Activities or Network Plus Water Activities for the following and any subsequent Charging Year and, if so, the amount of such change.

11.6 The Appointee shall furnish to the Water Services Regulation Authority such Information as the Water Services Regulation Authority may reasonably require for the purpose of making a determination pursuant to this Part.

11.7 In making a determination pursuant to this Part, the Water Services Regulation Authority shall:

(a) consider the Appointee’s performance in relation to each relevant Performance Commitment in the period for which performance is being assessed and, in deciding for which Charging Year or Charging Years an adjustment to a Price Control should be made, shall consider both that and the Appointee’s expected performance in the current year or one or more future years up to, but not including, the next Review Charging Year; and
(b) take account of the adjustments to the relevant Price Control which the Water Services Regulation Authority notified to the Appointee under sub-paragraph 11.1 above in relation to each relevant Performance Commitment in question.

11.8 In this Part “Performance Commitment” means a target or other measure of the performance of the Appointee in relation to the carrying out of the Regulated Activities that the Water Services Regulation Authority has notified to the Appointee by 31 December in the Charging Year before the Review Charging Year or which is set by the Competition and Markets Authority following a determination under paragraph 15.

11.9 In this Condition references to a “Price Control” include a Price Control that has been changed in accordance with a determination made under this Part.

11.10 Where a notification of a Performance Commitment is made for the purposes of sub-paragraph 11.1, that notification shall be treated for the purposes of sub-paragraph 15.1 (regarding references to the Competition and Markets Authority) as part of the relevant determination made under sub-paragraph 8.3 or sub-paragraph 8.4.

Part IV. Interim Determinations

12 Matters of interpretation and construction which apply for the purposes of this Part IV

12.1 In this Part of this Condition:

"the Appropriate Discount Rate" means such rate of return upon borrowing as, at the time at which the Appropriate Discount Rate falls to be applied from time to time under this Condition, investors and creditors would reasonably expect of a properly managed company holding the Appointment whose sole business consists of being a water undertaker and, without excluding other considerations which may also be relevant, having its equity share capital listed on The London Stock Exchange, and the same Appropriate Discount Rate shall be applied for all purposes in determining questions the subject of the same reference (including questions determined by the Water Services Regulation Authority under paragraph 14 when it determines questions referred to it by the Appointee under paragraph 13);

"equity share capital" has the same meaning as in the Companies Act 2006;
"making a Relevant Determination" means, as regards each Price Control to which an Interim Determination relates or is to relate, making one or more determinations pursuant to sub-paragraph 8.3 or sub-paragraph 8.4, pursuant to a Periodic Review, as to that Price Control or making any subsequent Interim Determination as to whether the level of that Price Control should be changed (and if so, what change should be made to the level of the Price Control or Price Controls), and "Relevant Determination" shall be construed accordingly;

"Net Present Value" means the net present value calculated as at 30 September in the year in which the relevant Reference Notice is given or, where in any year no Reference Notice is given under paragraph 13 but the Water Services Regulation Authority gives a notice to the Appointee under paragraph 14, as at 30 September in the year in which the Water Services Regulation Authority gives the notice, by discounting subsequent cash flows and inflating earlier cash flows at the Appropriate Discount Rate, assuming all cash flows in any Charging Year occur on 30 September in that Charging Year;

a "Notified Item" is any item notified by the Water Services Regulation Authority to the Appointee as not having been allowed for (either in full or at all) in making a Relevant Determination; and for the purpose of this definition:

(a) where any such item was not allowed for in full then it shall only be a Notified Item to the extent that it was not allowed for; and

(b) where, in determining whether the Relevant Determination should be changed (and if so what change should be made to it), the Water Services Regulation Authority, or, as the case may be, the Competition and Markets Authority, allows for any such item as was previously so notified by the Water Services Regulation Authority then references in this Condition to Notified Items and Relevant Items shall be taken, for the purposes of any subsequent Interim Determination, to exclude such item to the extent that the Water Services Regulation Authority, or, as the case may be, the Competition and Markets Authority, allowed for it as aforesaid;

a "Relevant Change of Circumstance" is any of the following:

(1) (a) the application to the Appointee of any legal requirement; and
(b) any change to any legal requirement which applies to the Appointee (including any legal requirement ceasing to apply, being withdrawn or not being renewed);

(2) either of the following circumstances for any Charging Year in respect of which the Secretary of State, or, as the case may be, the Water Services Regulation Authority, notified the Appointee that variations in value received or expected to be received from Relevant Disposals of Land shall constitute a Relevant Change of Circumstance:

(a) where for any Charging Year the value received or expected to be received from a Relevant Disposal of any Identified Land is, or is expected to be, different from the value which the Secretary of State, or, as the case may be, the Water Services Regulation Authority, notified the Appointee was the value attributable to a Relevant Disposal of that Identified Land for that Charging Year which had been allowed for in making a Relevant Determination; or

(b) where for any Charging Year, and to the extent not taken into account under (a) above, the aggregate value received or expected to be received from Relevant Disposals of Non-identified Land is, or is expected to be, different from the value which the Secretary of State, or, as the case may be, the Water Services Regulation Authority, notified the Appointee was the value attributable to Relevant Disposals of Non-identified Land for that Charging Year which had been allowed for in making a Relevant Determination;

and so that any notification by the Water Services Regulation Authority for the purposes of this sub-paragraph (2) shall be relevant for the purposes of this sub-paragraph (2) to the exclusion of any earlier notification by the Secretary of State or the Water Services Regulation Authority for the purposes of this sub-paragraph (2) to the extent that the first-mentioned notification is made in respect of matters in respect of which that earlier notification was made.

For the purposes of this sub-paragraph (2):
(i) **Identified Land** means any piece or parcel of protected land identified in any such notification referred to in (a) above as is relevant for the time being for the purposes of this sub-paragraph (2) as being included in that notification, not being, or being part of, a piece or parcel of land which has previously been the subject of a transfer under paragraph 7 of Condition K;

(ii) **land** includes any interest or right in or over land;

(iii) **Non-identified Land** means any piece or parcel of protected land, not being, or being part of:

(A) a piece or parcel of protected land identified in any such notification referred to in (a) above as is relevant for the time being for the purposes of this sub-paragraph (2); or

(B) a piece or parcel of protected land which has previously been the subject of a transfer under paragraph 7 of Condition K;

(iv) **protected land** and **disposal** have the meanings respectively given to them in section 219 of the Water Industry Act 1991;

(v) a **Relevant Disposal** means and includes any disposal by the Appointee;

(vi) a **Relevant Disposal of Land** means and includes a Relevant Disposal of Identified Land and a Relevant Disposal of Non-identified Land;

(vii) **value** includes value of any kind including, without limitation, cash, the value of real or personal property or any interest in such property, the value of any right or benefit (actual or prospective) and the value of any release, in whole or in part, of any obligation or claim, provided that to the extent that any property, right or benefit shall consist of a right to receive cash or any other asset then no value shall be attributed to that property, right or benefit but the cash or other asset the subject thereof shall be included and treated as value received or expected to be received in the Charging Year in which it is received or expected to be received;
(viii) references to "value received or expected to be received" shall be construed so as to include receipts by, and grants to, the Appointee, any Associated Company or any other business in which either the Appointee or any Associated Company has a material direct or indirect interest;

(ix) in the case of a right or benefit, but subject to the proviso to (vii) above, value shall be deemed to have been received at the time the right is granted or the benefit arises;

(3) where:

(i) in making a Relevant Determination, an amount has been allowed for on account of steps taken or to be taken for the purpose of securing or facilitating compliance with a legal requirement (not being one to comply with which the Appointee has determined to make a change to the basis on which it charges customers for water supply services) or achieving a service standard adopted or to be adopted by the Appointee; and

(ii) in any such case:

(A) the Appointee has not taken (by the date by which it was assumed for the purposes of assessing the amount allowed for as aforesaid it would take those steps) any or all of those steps which, for the purpose of assessing the amount allowed for as aforesaid, it was assumed it would take; and

(B) as a result, the amount allowed for as aforesaid is substantially greater than the sum of (a) the costs (if any) actually incurred by the Appointee for the relevant purpose specified in (i) above and (b) so much (if any) of that amount as has been otherwise offset by prudent management of the capital programme; and

(C) that purpose has not been otherwise achieved;

a "Relevant Item" is any of the following:
(1) A Relevant Change of Circumstance (other than a Relevant Change of Circumstance falling within sub-paragraph (2) of the definition);

(2) A Notified Item; and

(3) A Relevant Disposal of Land

and references to a Relevant Item are to a Relevant Change of Circumstance (other than a Relevant Change of Circumstance falling within sub-paragraph (2) of the definition), a Notified Item or a Relevant Disposal of Land as the context may require.

12.2 In the definition of a "Relevant Change of Circumstance" and for the purpose of that definition:

(1) a "legal requirement" is any of the following:

(a) any enactment or subordinate legislation to the extent that it applies to the Appointee in its capacity as a water undertaker (and for this purpose, but without prejudice to the generality of the foregoing, "subordinate legislation" includes any order made under section 18 of the Water Industry Act 1991, and any authorisation granted, approval given, or prohibition imposed, by the Secretary of State under The Water Supply (Water Quality) Regulations 2016);

(b) any regulation made by the Council or the Commission of the European Union to the extent that it applies to the Appointee in its capacity as a water undertaker, or decision taken by the said Commission which is binding on the Appointee in its capacity as a water undertaker and to the extent that it is so binding;

(c) any licence, consent or authorisation given or to be given by the Secretary of State, the Environment Agency or other body of competent jurisdiction to the Appointee for the purpose of carrying on any of the functions of a water undertaker;

(d) any undertaking given by the Appointee to, and accepted by, the Secretary of State or, as the case may be, the Water Services Regulation
Authority for the purposes of section 19(1)(b) of the Water Industry Act 1991;

(e) other than any such undertaking as is referred to in (d), any undertaking given by the Appointee to any enforcement authority, and accepted by that enforcement authority, to take all such steps:

(i) as are specified by that enforcement authority to be necessary or appropriate for the Appointee to take for the purpose of securing or facilitating compliance with any legal requirement in relation to which that enforcement authority is the enforcement authority; or

(ii) the taking of which is specified by that enforcement authority to be a condition or requirement of granting or renewing any such licence, consent or authorisation as is referred to in (c) or agreeing not to withdraw the same;

(f) the Conditions of these Appointments; and

(g) any interpretation of law, or finding, contained in any judgment given by a court or tribunal of competent jurisdiction in respect of which the period for making an appeal has expired which requires any legal requirement falling within (a) to (f) above to have effect in a way;

(i) different to that in which it previously had effect; or

(ii) different to that in which it was taken to have effect:

(A) for the purpose of making a Relevant Determination; or, as the case may be,

(B) in determining whether a Relevant Determination should be changed

but so that nothing in sub-paragraphs (a) to (g) above shall apply so as to include:
(i) any such legal requirement as is referred to in section 41 of the Environment Act 1995, or

(ii) that section
to the extent in either case that they require the Appointee to pay fees or charges to the relevant enforcement authority; and

(2) "enforcement authority" means any person or body having jurisdiction to enforce or to take action under or in respect of the relevant legal requirement.

12.3 In paragraph 13 and in the definition of a "Relevant Change of Circumstance":

(1) references to costs include references to expenditure and loss of revenue and references to costs being incurred include references to expenditure being made and loss of revenue being suffered;

(2) references to receipts include references to receipts, cash or other assets of any sort, whether of a capital or revenue nature and including receipts of grants, contributions, gifts and loans; and

(3) without prejudice to sub-paragraph (1) above, "Operating Expenditure" in sub-paragraph 13.2(6) includes third party services as defined in pro forma A7 and A8 of the Water Services Regulation Authority’s Regulatory Accounting Guideline 3.07. For the avoidance of doubt, depreciation, the write-down/off of assets, the profits/loss on disposal of assets and infrastructure renewals expenditure or charges are excluded.

12.4 (1) For the purposes of sub-paragraph 13.2(1) costs, receipts and savings shall be ascertained at the general price level prevailing, or expected to prevail, on 30 September in the year in which the Appointee gives notice under sub-paragraph 13.1, or the Water Services Regulation Authority gives notice under sub-paragraph 14.1.

(2) In sub-paragraphs 13.2(8) and 13.2(9) and sub-paragraph (3) below "at Outturn Prices", in relation to the amount of any Base Cash Flow or depreciation, means that amount as adjusted to take account of the actual or
expected cumulative percentage change in the Relevant Index from that prevailing, or expected to prevail, on 30 September in the year in which the Appointee gives notice under sub-paragraph 13.1, or the Water Services Regulation Authority gives notice under sub-paragraph 14.1, up to and including that prevailing, or expected to prevail, on 30 September in the year in which the Base Cash Flow or depreciation occurred, or is expected to occur.

(3) In sub-paragraph 13.2(8) "Current Value", in relation to any Base Cash Flow or depreciation at Outturn Prices, means that amount, as adjusted to take account of the actual or expected cumulative percentage change in the Relevant Index from 30 September in the year in which that Base Cash Flow or depreciation occurred or is expected to occur, up to and including 30 September in the relevant year.

12.5 For the purpose of section 13(5)(b) of the Water Industry Act 1991, the provisions of this Condition, to the extent that they relate to a Relevant Change of Circumstance falling within sub-paragraph (2) of that definition, are provisions of the Appointments which cannot be modified. This sub-paragraph shall cease to have effect if, but only if, this Condition ceases to contain any provision relating to changes to the Relevant Determination to allow for Notified Items and Relevant Changes of Circumstance.

13 References to the Water Services Regulation Authority relating to Notified Items and Relevant Changes of Circumstance and circumstances having a substantial effect on the Appointed Business

13.1 The Appointee may from time to time refer to the Water Services Regulation Authority for determination by it (having considered the proposals of the Appointee) the questions set out in sub-paragraph 13.2 or, as the case may be, sub-paragraph 13.3. Such reference shall be made by notice given to the Water Services Regulation Authority, which, in the case of the questions set out in sub-paragraph 13.2, shall be given in accordance with sub-paragraph 13.4. For the purposes of sub-paragraph 13.2 a single reference may be made in respect of any number of Notified Items and Relevant Changes of Circumstance and sub-paragraph 13.2 shall be construed accordingly.

13.2 In the case of a Notified Item or where there has been or is to be a Relevant Change of Circumstance all of the following:
(1) what are, or are likely to be, the costs, receipts and savings reasonably attributable to the Relevant Item and also, in the case of a Relevant Change of Circumstance falling within sub-paragraph (2) of the definition, the costs, receipts and savings reasonably connected with the Relevant Disposal of Land;

(2) except in the case of a Relevant Change of Circumstance falling within sub-paragraph (2) of the definition, to what extent:

(a) are the costs determined under (1) reasonably recoverable through charges for services provided, functions carried out by, and other activities of, the Appointee in its capacity as a water undertaker which are not Standard Charges for water supply (not being Excluded Charges);

(b) in the case of receipts and savings, is the Relevant Item relevant to services provided, functions carried out by, and other activities of, the Appointee as a water undertaker which are not water supply in respect of which the Appointee makes Standard Charges (not being Excluded Charges)

and where it is determined that such costs are reasonably recoverable as aforesaid or, as the case may be, that the Relevant Item is relevant as aforesaid, either in full or to an extent, then references hereafter to costs, receipts and savings reasonably attributable to a Relevant Item are to those costs, receipts and savings except to that extent;

(3) both of the following:

(a) what costs reasonably attributable to, or connected with, the Relevant Item as determined under (1) and what timing of incurring of such costs are appropriate and reasonable for the Appointee in all the circumstances to incur and programme, or, as the case may be, to have incurred and programmed, by reason of the Relevant Item; and

(b) what receipts and savings reasonably attributable to, or connected with, the Relevant Item as determined under (1) and what timing of such
receipts and savings is appropriate and reasonable for the Appointee in all the circumstances to achieve and programme or, as the case may be, to have achieved and programmed, by reason of the Relevant Item

and for the purpose of determining the separate amounts under (a) and (b), but without prejudice to the generality of the foregoing:

(i) no account shall be taken of:

(A) any trivial amounts;

(B) any costs, to the extent that they would have been, or would be, avoided by prudent management action taken since the transfer date (and for this purpose what constitutes "prudent management action" shall be assessed by reference to the circumstances which were known or which ought reasonably to have been known to the Appointee at the relevant time);

(C) any savings achieved by management action taken since the transfer date over and above those which would have been achieved by prudent management action (and for this purpose what constitutes "prudent management action" shall be assessed by reference to the circumstances at the relevant time); or

(D) any amounts attributable to matters allowed for in making a Relevant Determination, except to the extent that such amounts otherwise fall to be taken into account as amounts reasonably attributable to, or connected with, the Relevant Item under this sub-paragraph (3) and sub-paragraph (1) by virtue of the definition of a Notified Item and a Relevant Change of Circumstance; and
in the case of a Relevant Change of Circumstance falling within sub-paragraph (1) of the definition, regard shall be had to whether either:

(a) the Secretary of State has notified the Water Services Regulation Authority of any change of policy, concerning any environmental or water-quality standard, which has been made since the last Relevant Determination; or

(b) the Appointee has itself given notice to the Water Services Regulation Authority of the application to it of, or any change to, any legal requirement, before referring that legal requirement to the Water Services Regulation Authority under sub-paragraph 13.1;

(4) having determined under (3) the separate amounts of costs and of receipts and savings in respect of each Relevant Item, what are the annual cash flows thereof (costs being netted off against the amount of receipts and savings for this purpose) over each Charging Year included in the timing determined under (3) (those annual cash flows being hereinafter referred to as "the Base Cash Flows");

(5) what is the annual aggregate of:

(a) one half of the Base Cash Flows in respect of Relevant Changes of Circumstance falling within sub-paragraph (2) of that definition; and

(b) the Base Cash Flows in respect of all other Relevant Changes of Circumstance and Notified Items

in both cases the subject of the notice or notices under sub-paragraph 13.4 or sub-paragraph 14.1;

(6) (a) where any part of an annual aggregate derived under sub-paragraph (5) consists of items to which (b) below does not apply, what is the Net Present Value of that part of the annual aggregate, calculated up to the
start of the first of the Charging Years for which the next Periodic Review falls to be carried out;

(b) where any part of the annual aggregate derived under sub-paragraph (5) consists of revenue and/or Operating Expenditure, what is the Net Present Value of that part of the annual aggregate, calculated over 15 years; and

(c) what is the aggregate of the Net Present Values calculated under (a) and (b) ("the Materiality Amount");

(7) is the Materiality Amount equal to or does it exceed ten per cent of the turnover attributable to the Appointed Business in the latest financial year for which accounting statements have been prepared and delivered to the Water Services Regulation Authority under Condition F, as shown by those accounting statements, and for this purpose where the Materiality Amount is a negative figure it shall be treated as though it were a positive figure;

(8) if so, for each year, ("the relevant year") until the first of the Charging Years for which the next relevant Periodic Review falls to be carried out (having regard to any Review Notice or Reference Notice which has been given at the time when the reference is made),

(a) what are the following amounts:

(i) all Base Cash Flows at Outturn Prices attributable to the creation or acquisition of depreciable assets ("Allowable Capital Expenditure");

(ii) all the Base Cash Flows at Outturn Prices (save in respect of Relevant Changes of Circumstance falling within sub-paragraph (2) of that definition, where one half of the Base Cash Flow at Outturn Prices shall be used) attributable to the creation, acquisition or disposal of non-depreciable assets ("Allowable Infrastructure Asset Expenditure");
(iii) all other Base Cash Flows at Outturn Prices ("Other Allowable Expenditure");

(iv) the sum of the Current Value of all Allowable Capital Expenditure occurring up to and including the relevant year, divided by the weighted average expected life of the assets attributable to that Allowable Capital Expenditure at the time those assets were or are expected to be created or acquired ("Allowable Depreciation");

(v) the sum of the Current Value of all Allowable Capital Expenditure occurring up to and including the relevant year less the sum of the Current Value of all Allowable Depreciation occurring up to and including the relevant year ("Allowable Net Asset Value");

(vi) the sum of the Current Value of all Allowable Infrastructure Asset Expenditure occurring up to and including the relevant year ("Allowable Infrastructure Asset Value");

(vii) the Appropriate Discount Rate, adjusted so as to exclude any allowance for changes in the Relevant Index, multiplied by the sum of:

(A) the Allowable Net Asset Value for the relevant year; and

(B) the Allowable Infrastructure Asset Value for the relevant year;

("the Allowable Return"); and

(b) what is the sum of:

(i) Other Allowable Expenditure;

(ii) Allowable Depreciation; and

(iii) the Allowable Return;
what change to the level of Price Control or Price Controls over the period beginning from the first of the Charging Years referred to in sub-paragraph 13.4(1) (in any case where a Reference Notice has been given in respect of sub paragraph 13.2) or sub-paragraph 14.1(1) (in any other case) until the first of the Charging Years for which the next Periodic Review falls to be carried out (having regard to any Review Notice or Reference Notice which has been given at the time when the reference is made) ("the Relevant Period") is most likely to allow, or, as the case may be, require, the Appointee to make such charges over the Relevant Period ("Adjusted Charges"), in such a manner as to secure that the increase, or, as the case may be, the decrease, in revenue attributable to the making of Adjusted Charges would, in each year of the Relevant Period, be equal to:

(i) the Annual Allowable Amount for that year,

plus

(ii) where Base Cash Flows at Outturn Prices have occurred prior to the first year of the Relevant Period, the amount, which, calculated as a constant annual amount over the Relevant Period, would result in the sum of the Net Present Values of these amounts equalling the sum of the Net Present Values of the Annual Allowable Amounts for each of the years prior to the Relevant Period,

Provided that -

(a) where costs have been allowed for in determining the Annual Allowable Amount, it shall be assumed that those costs will be financed other than by the proceeds of an issue of equity share capital and

(b) the revenue attributable to the making of Adjusted Charges over the Relevant Period shall not result in interest cover which, measured both by its level in any one year and by trends in that level over time, is less than that appropriate to the financial position and performance which
investors and creditors would reasonably expect of a properly managed company holding the Appointment, whose sole business consists of being a water undertaker and having its equity share capital listed on the London Stock Exchange.

13.3 All of the following:

(1) whether any circumstance (other than a Relevant Change of Circumstance) has occurred which has or will have:

(a) a substantial adverse effect on the Appointed Business or on its assets, liabilities, financial position, or profits or losses, not being one which would have been avoided by prudent management action taken since the transfer date; or

(b) a substantial favourable effect on the Appointed Business, or on its assets, liabilities, financial position, or profits or losses, being one which is (i) fortuitous and (ii) not attributable to prudent management action; and

(2) if so, what change should be made to the level of Price Control or Price Controls.

For this purpose:

(i) what constitutes "prudent management action" shall be assessed by reference to the circumstances which were known or which ought reasonably to have been known to the Appointee at the relevant time;

(ii) an effect shall not be regarded as a substantial adverse effect or a substantial favourable effect in any case unless, if the questions set out in sub-paragraph 13.2 were to be asked in relation to the circumstance giving rise to it, the answer to that in 13.2(7) (taking the reference in it to ten per cent as a reference to twenty per cent) would be in the affirmative.

13.4 A Reference Notice given to the Water Services Regulation Authority in respect of sub-paragraph 13.2 shall contain or be accompanied by reasonable details of the Relevant
Item in respect of which the Reference Notice is given and, unless the Water Services Regulation Authority otherwise consents, shall be given not later than:

(1) the fifteenth day of September immediately preceding the first of the Charging Years in respect of which the Appointee wishes the change to the level of Price Control or Price Controls to take effect; or

(2) if later, where the Water Services Regulation Authority has given a notice to the Appointee under sub-paragraph 14.1 in respect of the same Charging Year, within fourteen days from the receipt by the Appointee of that notice.

14 Changes to the level of a Price Control or Price Controls initiated by the Water Services Regulation Authority relating to Notified Items and Relevant Changes of Circumstance and circumstances within sub-paragraph 13.3(1)(b)

14.1 In the case of a Notified Item or where any Relevant Change of Circumstance has occurred or is to occur, the Water Services Regulation Authority may, having given notice to the Appointee specifying the Notified Item or, as the case may be, the Relevant Change of Circumstance, of its intention so to do not later than:

(1) the fifteenth day of September immediately preceding the first of the Charging Years in respect of which it proposes the change to the level of a Price Control or Price Controls to take effect; or

(2) if later, where the Appointee has given a Reference Notice to the Water Services Regulation Authority in respect of sub-paragraph 13.2 and falling within sub-paragraph 13.4(1) in respect of the same Charging Year, within fourteen days from the receipt by the Water Services Regulation Authority of that Reference Notice determine the questions set out in sub-paragraph 13.2 in respect of that Notified Item or, as the case may be, that Relevant Change of Circumstance. A single notice may be given under this sub-paragraph 14.1 in respect of any number of Notified Items and Relevant Changes of Circumstance and sub-paragraph 13.2 shall be construed accordingly.
14.2 Where sub-paragraph 13.4(2) or 14.1(2) applies, the questions set out in (5) to (9) inclusive of sub-paragraph 13.2 shall be determined in respect of all Notified Items and Relevant Changes of Circumstance in respect of which the Appointee and the Water Services Regulation Authority have given notice, taken as a whole.

14.3 In the case of sub-paragraph 13.3, the Water Services Regulation Authority shall give notice to the Appointee of its intention to determine the questions set out in sub-paragraph 13.3(1)(b) and (2).

Part V. References to the Competition and Markets Authority

15 References to the Competition and Markets Authority

15.1 Where:

(1) pursuant to paragraph 8 or following a reference under paragraph 10, the Water Services Regulation Authority has not given notice to the Appointee of its determination or determinations within one year from the relevant Review Notice Date(s) or, in the case of a reference under paragraph 10, within one year from the date of the relevant Reference Notice;

(2) following a reference under paragraph 13, the Water Services Regulation Authority has not given notice to the Appointee of its determinations (including any determinations under paragraph 14 which fall to be taken into account in determining the questions the subject of the reference under paragraph 13) within 3 months from the date of the relevant Reference Notice; or

(3) the Appointee disputes any determination made by the Water Services Regulation Authority under sub-paragraph 8.3 or sub-paragraph 8.4 or any Interim Determination made by the Water Services Regulation Authority under Part IV of this Condition,

the Appointee may, by notice given to the Water Services Regulation Authority within:

(a) 13 months from the Review Notice Date or, in the case of a reference under paragraph 10, from the date of the relevant Reference Notice (in the cases referred to in sub-paragraph (1));
(b) 4 months from the date of the relevant Reference Notice (in the case referred to in sub-paragraph (2)); or

(c) 2 months from the date on which the Water Services Regulation Authority gives notice of its relevant determination or determinations to the Appointee (in the case referred to in sub-paragraph (3))

require the Water Services Regulation Authority to refer to the Competition and Markets Authority for determination (such determination to be effective as if made by the Water Services Regulation Authority) by it:

(i) in any case referred to in sub-paragraph (1) or (2), the relevant question or questions (including, where relevant, the questions in respect of any Notified Item or Relevant Change of Circumstance the subject of a notice under paragraph 14); or

(ii) in any case referred to in sub-paragraph (3), the disputed determination.

15.2 Where the Appointee requires the Water Services Regulation Authority to make a reference to the Competition and Markets Authority under sub-paragraph 15.1 in the case referred to in section (3) of that sub-paragraph, the Appointee shall levy charges in a way best calculated to comply with the Price Control or Price Controls determined by the Water Services Regulation Authority as if a reference had not been made until the Competition and Markets Authority makes its determination following such reference. The determination made by the Competition and Markets Authority shall then take effect as if it had been made by the Water Services Regulation Authority.

15.3 Where after 1 April 2019 the Appointee requests the Water Services Regulation Authority to make a reference to the Competition and Markets Authority in respect of any determination under sub-paragraph 8.3 concerning Retail Activities, or under sub-paragraph 8.4 concerning Water Resources Activities or Network Plus Water Activities, such reference must comprise all such determinations made under sub-paragraphs 8.3 or 8.4 at the same time relating to the Appointee.

Part VI. Provision of Information to the Water Services Regulation Authority
17.1 The Appointee shall furnish to the Water Services Regulation Authority:

(1) …

(2) not later than 30 September immediately following the date of the Reference Notice (in the case of a reference under paragraph 10);

(3) at the time when it gives the relevant Reference Notice to the Water Services Regulation Authority (in the case of a reference under paragraph 13 falling within sub-paragraph 13.4(1));

(4) as soon as reasonably practicable and in any event not later than the expiry of one month from the date of the Water Services Regulation Authority's notice to the Appointee under paragraph 14 (in the case of such a notice, including the case of a reference under paragraph 13 falling within sub-paragraph 13.4(2))

such Information as the Appointee reasonably believes is necessary or, as the case may be, as the Water Services Regulation Authority may reasonably require in its said notice, to enable the Water Services Regulation Authority to make its determination. The Appointee shall also furnish to the Water Services Regulation Authority as soon as reasonably practicable such further Information as the Water Services Regulation Authority may from time to time by notice to the Appointee reasonably require to make its determination.

17.2 The Appointee shall also furnish to the Water Services Regulation Authority from time to time when so requested by the Water Services Regulation Authority such Information as the Water Services Regulation Authority may reasonably require to decide whether or not to make determinations under paragraph 14.

17.3 Any Information furnished to the Water Services Regulation Authority under this paragraph 17 or under paragraph 8 shall, if the Water Services Regulation Authority so requires to make its determination, be reported on by a person appointed by the Appointee and approved by the Water Services Regulation Authority (such approval not to be unreasonably withheld) ("the Reporter").
17.4 The Appointee shall enter into a written contract of engagement with the Reporter which shall:

(1) where such a report is required by the Water Services Regulation Authority under sub-paragraph 17.3, require the Reporter to prepare and furnish to the Water Services Regulation Authority, and separately to the Appointee, a written report addressed jointly to the Water Services Regulation Authority and the Appointee in form and substance such as may be specified by, or consistent with any guidelines specified by, the Water Services Regulation Authority at the time when it requires the report to be furnished, the matters so specified being reasonably appropriate to enable the Water Services Regulation Authority to make its determination (to the extent that the Information in respect of which that report is required to be prepared and furnished is relevant to that determination); and

(2) include a term that the Reporter will provide such further explanation or clarification of his report as the Water Services Regulation Authority may reasonably require and such further Information in respect of, or verification of, the matters which are the subject of his report as the Water Services Regulation Authority may reasonably require.

The contract of engagement may also include provisions requiring the Reporter, his employees and agents to keep confidential and not to disclose, except to the Water Services Regulation Authority or as required by law, any information which the Reporter obtains in the course of preparing his report.

17.5 The Appointee shall co-operate fully with the Reporter to enable him to prepare his report, including without limitation, so far as is necessary for that purpose:

(1) subject to reasonable prior notice to the Appointee, giving to the Reporter access at reasonable hours to any Relevant Plant and to any premises occupied by the Appointee in relation to the Appointed Business; and

(2) subject to reasonable prior notice to the Appointee, allowing the Reporter at reasonable hours:
(a) to inspect and make photocopies of, and take extracts from, any books and records of the Appointee maintained in relation to the Appointed Business;

(b) to carry out inspections, measurements and tests on or in relation to any such premises or Relevant Plant; and

(c) to take on to such premises or on to or in to any Relevant Plant such other persons and such equipment as may be necessary for the purposes of preparing and completing his report.

17.6 Nothing in sub-paragraph 17.5 shall require the Appointee:

(1) to do anything which is outside its reasonable control; or

(2) to do, or to allow the Reporter to do, anything which would materially disrupt the Appointee's business (unless it is essential that that thing be done to enable the Reporter to prepare his report).

17.7 In sub-paragraphs 17.4 and 17.5:

(1) references to the Reporter include references to his employees and agents; and

(2) "Relevant Plant" means any plant used by the Appointee for the purpose of carrying out the Regulated Activities including, without limitation, water mains and other pipes and their accessories.

Part VII. Developing the Price Controls

18

18.1 The Appointee will use all reasonable endeavours to work with the Water Services Regulation Authority, subject to the Appointee’s legal duties and obligations, in a constructive and cooperative manner on the development of the Price Controls so that they might be appropriately targeted or operated more effectively in respect of specific activities undertaken as part of the Appointed Business.
Part VIII.  Price Controls in effect before 1 April 2020

19

19.1  The provisions of Condition B of this instrument in the form that had effect immediately prior to 15 April 2017 shall continue to have effect in respect of the Price Controls set for a period ending before 1 April 2020 and in respect of the making of any Interim Determinations to set any such Price Controls.

19.2  In the event that the Water Services Regulation Authority is, in respect of the Appointed Business, unable to determine Price Controls, for the period or periods starting on 1 April 2020, under sub-paragraph 8.3 and sub-paragraph 8.4 of this Condition B by 31 December 2019, the provisions of Condition B in the form that had effect immediately prior to 15 April 2017 shall continue to have effect in respect of the Price Controls until such time as a determination under sub-paragraph 8.3 and sub-paragraph 8.4 of the current Condition B is made and takes effect.
Condition C: Infrastructure Charges

1 Interpretation

In this Condition:

1.1 "Infrastructure Charge" means a Water Infrastructure Charge or a Sewerage Infrastructure Charge;

1.2 "House" means any building or part of a building which is occupied as a private dwelling house or which, if unoccupied, is likely to be so occupied and, accordingly, includes a flat;

1.3 "Common Billing Agreement" means an agreement between the Appointee and any other person under which that person has undertaken to pay, on terms agreed between them, charges for water supply or sewerage services, or both, in respect of two or more Houses which have a common Supply Pipe and which, in any case where that agreement relates to one of those services only, are also subject to a similar agreement for common billing between that person and the undertaker providing the other service;

1.4 "Relevant Multiplier" means a number (which may be one or more or less than one) calculated in the manner set out in the Appendix to this Condition;

1.5 "Standard Amount", in relation to any Infrastructure Charge, means the amount of that charge specified in sub-paragraph 2.1.3, as adjusted pursuant to sub-paragraph 2.2 (in respect of any Charging Year starting on or after 1 April 1996);

1.6 "Supply Pipe" means any part of a service pipe which a water undertaker could not be, or have been required to lay under section 46 of the Water Industry Act 1991; and

1.7 references to a connection are to such a connection as is mentioned in section 146(2)(a) of the Water Industry Act 1991.

2 Level of Infrastructure Charges

2.1 Subject to the following provisions of this Condition, in respect of each Charging Year, the amount of any Infrastructure Charge shall be -
2.1.1 in the case of a House subject to a Common Billing Agreement, the Standard Amount multiplied by the Relevant Multiplier for that house; 

2.1.2 in the case of premises which do not consist in a House or Houses and to which water is provided by a Supply Pipe with an internal diameter larger than the standard size for the time being adopted by the Appointee for new connections of Houses, the Standard Amount multiplied by the Relevant Multiplier for those premises; and 

2.1.3 in the case of any other premises -

Water Infrastructure Charge £200

Sewerage Infrastructure Charge £200

2.2 In respect of each Charging Year starting on or after 1 April 1996 -

2.2.1 the amounts specified in sub-paragraph 2.1.3 shall be adjusted by the percentage of any change in the Retail Prices Index between that published for the month of November in the Prior Year and that published for November 1994; and 

2.2.2 where there is a material change to the basis of compiling the Retail Prices Index this Condition, in so far as it relates to that part of the calculation of the Standard Amount to which the Retail Prices Index is relevant, shall be modified in such manner as the Water Services Regulation Authority, after prior consultation with the Appointee, may determine to be appropriate to take account of such change.

3

3.1 Subject to sub-paragraph 3.2, where an amount has been paid or agreed to be paid to the Appointee on account of works which have been allowed for in determining the limits on Infrastructure Charges under the Appointment, that amount shall, to the extent that it is actually paid and is referable to a connection, count towards the level of charge for that connection under paragraph 2.

3.2 Where any such amount referable to a connection is greater than the level of charge for that connection under paragraph 2, nothing in this Condition shall preclude the Appointee from retaining or recovering the greater amount.
Subject to sub-paragraph 5.2, where a site is developed or redeveloped (including by means of conversion of a building or buildings on it) the total amount of Water Infrastructure Charges or, as the case may be, Sewerage Infrastructure Charges which may be recovered in respect of Houses and other premises on the site resulting from the development or redevelopment shall not exceed the Standard Amount multiplied by X, where X equals -

1. the aggregate of the Relevant Multipliers for all those premises less

2. the maximum number of premises with water or, as the case may be, sewerage connections on the site at any time in the period of 5 years before the development or redevelopment began.

For the purpose of calculating the amount of the limit imposed by this paragraph -

(a) each premises to which sub-paragraph 2.1.3 applies shall be deemed to have a Relevant Multiplier of 1; and

(b) where, by virtue of paragraph 3 or 4 of this Condition, the Appointee would be permitted to charge more in respect of any premises resulting from the development or redevelopment than the level otherwise applying under paragraph 2, the limit shall be increased by the amount of the excess.

Subject to sub-paragraph 6.2, where -

(a) a person who has received a demand, or undertaken, to pay Infrastructure Charges in respect of 2 or more Houses subject to a Common Billing Agreement fails to pay them, or any part of them, within 14 days of the date of connection; or

(b) a Common Billing Agreement is terminated otherwise than in accordance with its terms by the person who has undertaken to pay charges under it,
nothing in this Condition shall preclude the Appointee from recovering, whether from that person or from the occupier of each House subject to the agreement, Infrastructure Charges in respect of that House at the Standard Amount.

6.2 Whenever it takes advantage of sub-paragraph 6.1, the Appointee shall give credit for any amount already paid by way of Infrastructure Charges in respect of that House for the connection concerned.

7 Paragraph 2 does not apply to the interest element of any Instalment Amount payable in accordance with Condition D.

8

8.1 Nothing in this Condition precludes the Appointee from charging less in any particular case than the level of Infrastructure Charge applying under paragraph 2.

8.2 Nothing in this Condition restricts the recovery or amount of any expenses or charges recoverable otherwise than under section 146 of the Water Industry Act 1991 or (except if and to the extent that sub-paragraph 3.1 applies to the amount) restricts the recovery or level of any Infrastructure Charge by reference to any such amount.

9 [not used]

10 Arbitration

If, in any case to which a Relevant Multiplier applies, there is any dispute between the Appointee and the person on whom any Infrastructure Charge has been levied about the calculation of the Relevant Multiplier, or the number or type of fittings on which that calculation is based, it may be referred by either party for determination by the Water Services Regulation Authority.

11 Periodic Review of Level of Infrastructure Charges

11.1 Where a Periodic Review is to be carried out under paragraph 8 of Condition B, the Appointee may, by notice given to the Water Services Regulation Authority in relation to water or sewerage connections or both, refer to the Water Services Regulation Authority, for determination by it, the question whether any (and if so, what) change to
the Standard Amount or the manner of calculation of any Relevant Multiplier should be made for the period or periods to which that review relates.

11.2 Where a Periodic Review is to be carried out under paragraph 8 of Condition B, the Water Services Regulation Authority may, after giving notice to the Appointee in relation to water or sewerage connections or both, determine the question specified in sub-paragraph 11.1.

11.3 Notice under sub-paragraph 11.1 or 11.2 shall be given not later than 30 days after the Review Notice Date for the Periodic Review concerned.

12 [Not used]

13 Information

13.1 The Appointee shall furnish to the Water Services Regulation Authority, at the time when it gives notice to it under sub-paragraph 11.1 or 12.1, such Information as the Appointee reasonably believes is necessary to enable the Water Services Regulation Authority to make its determination. The Appointee shall also furnish to the Water Services Regulation Authority, after receipt by it of notice given under sub-paragraph 11.2 or 12.3 or this sub-paragraph, such further Information, specified in the notice, as the Water Services Regulation Authority may reasonably require to make its determination.

13.2 The Appointee shall also furnish to the Water Services Regulation Authority from time to time, when so requested by it, such Information as it may reasonably require, to decide whether or not to give notice under sub-paragraph 11.2 or 12.3.

13.3 Any Information furnished to the Water Services Regulation Authority under this paragraph shall, if the Water Services Regulation Authority so requires to make its determination, be reported on by a person ("the Reporter") appointed by the Appointee and approved by the Water Services Regulation Authority (such approval not to be unreasonably withheld). The provisions of sub-paragraphs 17.4, 17.5(2), 17.6 and 17.7(1) of Condition B shall apply to the engagement and terms of reference of each Reporter appointed pursuant to this Condition as they apply to those of each Reporter appointed pursuant to that Condition, save that the reference in sub-paragraph 17.4(1)
to sub-paragraph 17.3 of that Condition shall be taken as a reference to this sub-paragraph.

14 References to the *Competition Commission*[Competition and Markets Authority]*

Where -

(1) following the giving of notice under sub-paragraph 11.1 or 11.2, the Water Services Regulation Authority has not notified the Appointee of its determination within 1 year from the Review Notice Date; or

(2) following the giving of notice under sub-paragraph 12.1 or 12.3, the Water Services Regulation Authority has not notified the Appointee of its determination within 1 month from the date on which the notice under that sub-paragraph is given; or

(3) the Appointee disputes any determination made by the Water Services Regulation Authority under this Condition

the Appointee may, by notice given to the Water Services Regulation Authority within -

(a) 13 months from the Review Notice Date (in the cases referred to in (1) above); or

(b) 2 months from the date on which the notice under sub-paragraph 12.1 or 12.3 is given (in the cases referred to in (2) above); or

(c) 2 months from the date on which the Water Services Regulation Authority gives notice of its determination to the Appointee (in the cases referred to in (3) above)

require the Water Services Regulation Authority to refer to the *Competition Commission*[Competition and Markets Authority], for determination by it -

(i) in any case referred to in (1) or (2) above, the relevant question; or

(ii) in the case referred to in (3) above, the disputed determination.
15      Modification of this Condition

15.1    This Condition shall be modified by the change (if any) to the Standard Amount or the
manner of calculation of any Relevant Multiplier, necessary to give effect to any
determination made by the Water Services Regulation Authority or the Competition
Commission [Competition and Markets Authority] under, or, as the case may be, following a reference under, this Condition.

15.2    Where the Appointee requires the Water Services Regulation Authority to make a
reference to the Competition Commission [Competition and Markets Authority] under
paragraph 14, this Condition shall be modified by the change (if any) to the Standard
Amount or the manner of calculation of any Relevant Multiplier, necessary to give
effect to the Water Services Regulation Authority's determination, but so that sub-
paragraph 15.1 shall then apply to the determination made by the Competition
Commission [Competition and Markets Authority] following that reference.

15.3    In this paragraph "this Condition" includes the Appendix to it.

16      Cessation of this Condition

16.1    Subject to sub-paragraph 16.2, this Condition (including the Appendix) shall cease to
have effect on 1 April 2018 and shall not limit the amount of any Infrastructure
Charge in respect of each Charging Year starting on or after that date.

16.2    This Condition (including the Appendix) shall continue to have effect in relation to a
connection made on or after 1 April 2018 in the following circumstances:

(a) in relation to a Water Infrastructure Charge, if the premises are connected
to a water main that:

    (i) was provided by a water undertaker under section 41 of the Water
    Industry Act 1991 and the charges for that water main were calculated
    on the basis of the provisions of the Water Industry Act 1991 before
    they were amended by the Water Act 2014; or
(ii) was, or will be, adopted by a water undertaker in accordance with an agreement to which new charging rules do not apply; and

(b) in relation to a Sewerage Infrastructure Charge, if the premises are being connected to a public sewer that:

(i) was provided by a sewerage undertaker under section 98 of the Water Industry Act 1991 and the charges for that public sewer were calculated on the basis of the provisions of the Water Industry Act 1991 before they were amended by the Water Act 2014; or

(ii) was, or will be, adopted by a sewerage undertaker in accordance with an agreement to which new charging rules do not apply.

16.3 In this paragraph “new charging rules” means rules about charges issued by the Water Services Regulation Authority under section 51CD or 105ZF of the Water Industry Act 1991.
APPENDIX: CALCULATION OF RELEVANT MULTIPLIER

To calculate the Relevant Multiplier for a House to which sub-paragraph 2.1.1 of Condition C applies:

1.1 ascertain in respect of all the Houses subject to the Common Billing Agreement in question (e.g. all the flats in a block to which such an agreement applies) and all communal facilities shared by all or any of them, the total number of water fittings in all the categories specified in column 1 of the table below;

1.2 calculate by reference to column 2 of the Table the aggregate loading units attributable to that total number of water fittings (and increase the aggregate, where necessary, to take account of the minimum for domestic appliances);

1.3 divide that number of loading units by 24 and divide the resulting figure by the number of Houses subject to the Common Billing Agreement;

1.4 the resulting number, will be the Relevant Multiplier.

To calculate the Relevant Multiplier for premises to which sub-paragraph 2.1.2 of Condition C applies, ascertain in respect of the premises the total number of water fittings in all the categories specified in column 1 of the Table below; calculate by reference to column 2 of the Table the aggregate loading units attributable to that total number of water fittings; divide the aggregate loading units by 24; and the resulting number will be the Relevant Multiplier, provided that if the resulting number is less than 1, the Relevant Multiplier will be 1.

**Notes to be read with the Table:**

1. Reference to any fitting includes reference to any plumbing, outlet, dedicated space or planning or other provision for that fitting;

2. "Bath" includes a whirlpool bath and a jacuzzi;

3. "Domestic appliance" means an appliance (including a dishwasher, a washing machine and waste disposal unit) in a House and "communal or commercial appliance" means an appliance (including a dishwasher, a washing machine and a waste disposal unit) elsewhere than in a House (including in communal facilities);

4. In any calculation under paragraph 1, a minimum of six loading units shall be included, in respect of each House, for domestic appliances (whether or not the House has any such appliances) except, in the case of any House, where neither a washing machine nor a dishwasher can be provided (and there is no plumbing, outlet, dedicated space or planning or other provision for either appliance) in the House;

5. In the case of any premises with a sewerage only connection and no water fittings, the Relevant Multiplier will be one.
**Condition D: New connections**

**Introduction**

This condition requires that, where the Appointee makes a new connection to one of its water mains, the Appointee must provide specified information to any separate sewerage undertaker for the premises.

**Informing sewerage undertakers of connections**

D1 Where the Appointee connects premises to a water main which is owned by the Appointee, and the drainage of those premises is into a public sewer owned by a sewerage undertaker which is not the Appointee, the Appointee must as soon as reasonably practicable inform that sewerage undertaker of:

D1.1 the address of the premises;

D1.2 the date of the connection; and

D1.3 to the extent known to the Appointee:

D1.3.1 the name and address of the person who is liable to pay charges for the supply of water to the premises; and

D1.3.2 the name and address of any other person who is liable to pay Infrastructure Charges in respect of the premises.
**Condition E: Undue Preference/Discrimination in Charges**

**Introduction**

This condition requires that the Appointee must not set its charges in a way which results in undue preference in favour of, or undue discrimination against, any of its customers or potential customers. This condition also sets out a number of limits to this requirement.

**Requirement not to show undue preference or undue discrimination**

**E1** Subject to paragraphs E2 to E4, in fixing or agreeing any charges for the carrying out of the Regulated Activities (whether Class Charges or Bespoke Charges), the Appointee must not show undue preference to, or exercise undue discrimination against:

E1.1 any class of customers or potential customers of the Appointee;

Undue preference and undue discrimination

1.    (5) the provision of supplies of water to premises by a water undertaker.

Restrictions on the use of information

2. The Appointee shall not disclose the information referred to in paragraph 3 below, or otherwise use, distribute or disseminate such information within the Appointed Business, otherwise than for the purpose or purposes for which that information was furnished by the relevant person, except -

Condition F: Regulatory accounting statements [coming into effect on 1 March 2019]

Introduction

This condition requires the Appointee to keep appropriate accounting records which are consistent with guidelines published by Ofwat. Ofwat will publish the guidelines and revise them, subject to certain procedural protections.

The Regulatory Accounting Guidelines

F1 Ofwat will publish the Regulatory Accounting Guidelines which will:

   F1.1 relate to the accounting records that must be kept by the Appointee and the accounting Information that must be provided by it to Ofwat; and

   F1.2 have the purpose of ensuring that:

       F1.2.1 Ofwat may obtain all appropriate accounting Information in respect of the Appointed Business; and

       F1.2.2 the financial affairs of the Appointed Business are recorded and reported on, and may be assessed, separately from any other business or activity of the Appointee.

F2 The Regulatory Accounting Guidelines may in particular include provisions in relation to:

   F2.1 the form and content of the accounting records that the Appointee is required to keep;

   F2.2 the form and content of the accounting statements, and any associated reports or analyses, that the Appointee is required to prepare;

   F2.3 any audit of the accounting records and statements that the Appointee is required to procure, the terms on which that audit is to be procured, and the basis on which the record and conclusions of that audit must be provided to Ofwat; and

   F2.4 the time by which the Appointee is required to provide any accounting Information to Ofwat and any requirement on the Appointee to publish that Information.
F3 The Regulatory Accounting Guidelines may not require the disclosure of Information which relates solely to a transaction wholly unconnected with the Appointed Business.

F4 Ofwat may, from time to time, revise the Regulatory Accounting Guidelines in any manner that it considers appropriate, provided that, before any revision takes effect, Ofwat:

F4.1 consults the Appointee on a draft of the proposed revision;

F4.2 has regard to any representations made by the Appointee;

F4.3 publishes a final version of the revision, incorporating any changes made to the draft following consultation; and

F4.4 gives reasonable notice (of at least one month) to the Appointee of the date on which that revision will take effect.

F5 The Appointee may notify Ofwat, within one month of receiving notice that a revision to the Regulatory Accounting Guidelines will take effect, that it disputes the revision, and in that case:

F5.1 the question of whether the revision is appropriate shall (unless Ofwat withdraws the decision to make it) be referred by Ofwat to the Competition and Markets Authority for determination; and

F5.2 the revision shall not take effect unless and until the Competition and Markets Authority determines that it shall.

**Compliance with the Regulatory Accounting Guidelines**

F6 The Appointee must:

F6.1 prepare a set of regulatory accounting statements, in respect of the twelve month period ending on 31 March in each Charging Year, which are in accordance with the Regulatory Accounting Guidelines; and

F6.2 comply with all other requirements that are set out in the Regulatory Accounting Guidelines.
**Condition G: Core Customer Information**

Publication of the Core Customer Information

G6 The Appointee must:

G6.1 publish the Core Customer Information, presenting it in a manner which is effective, accessible and clear as a means of informing customers;

G6.2 publicise the Core Customer Information to its customers; and

G6.3 where any customer requests information which is part of the Core Customer Information, provide that information to the customer in writing.
Revising the Core Customer Information

G7 The Appointee must ensure that the Core Customer Information is accurate and up to date.

G8 The Appointee must review the Core Customer Information as a whole and, where necessary, revise it:

G8.1 at least once every three years; and

G8.2 whenever requested to do so by Ofwat, provided that such a request may not be made more than once in each year.

G9 In carrying out any review under paragraph G8, the Appointee must consider whether the content of the Core Customer Information remains appropriate and whether the manner in which the Core Customer Information is published is effective.

G10 Whenever it undertakes a review of the Core Customer Information under paragraph G8 or proposes to make any substantive revision to the Core Customer Information or the manner in which it is presented, the Appointee must consult the Consumer Council for Water and take its representations into account before (as the case may be) completing the review or making the revision.

G11 Where a revision is made to the Core Customer Information or the manner in which it is presented, the Appointee must inform the Consumer Council for Water of the revision which has been made and of how the revised Core Customer Information may be accessed.

G12 Where a revision is made to the Core Customer Information, the Appointee must publicise the revised Core Customer information to its customers.

Inclusion of information with bills

**Complaints Handling Procedure**

G14 The Appointee must establish, maintain and comply with a Complaints Handling Procedure for handling complaints from customers.
Condition H: Procedure on leakage

Introduction

This condition sets out the procedure which the Appointee must follow in relation to leaks or potential leaks on Supply Pipes of Domestic Premises.

Application

H1. The Appointee must follow the procedure set out in this condition in relation to customers whose premises are Domestic Premises.

H2. In this condition, any reference to the Appointee making an adjustment to Metered Charges for water supply in respect of premises means:

   H2.1 in any case where the Appointee supplies water at the premises, making an adjustment to the Metered Charges payable by the customer for that supply; and

   H2.2 in any case where the premises are supplied by a Licensee with whom the Appointee has an agreement under section 66D of the Water Industry Act 1991, making an adjustment to the Metered Charges payable by the Licensee for that supply.

H3. In this condition, any reference to the Appointee making an adjustment to Metered Charges for sewerage services in respect of premises means:

   H3.1 in any case where the Appointee provides sewerage services at the premises, making an adjustment to the Metered Charges payable by the customer for those services; and

   H3.2 in any case where the premises are provided with sewerage services by a Licensee with whom the Appointee has an agreement under section 117E of the Water Industry Act 1991, making an adjustment to the Metered Charges payable by the Licensee for those services.
**Checking for a leak on the Supply Pipe**

H4. At the time of the installation of a meter at a customer’s premises, the Appointee must check the Supply Pipe between the meter and the customer's tap to detect whether there are any leaks.

H5. Where, as a result of that check, a leak is detected on the Supply Pipe:

H5.1 if the leak can be repaired without additional excavation at the time the meter is installed, the Appointee must repair the leak; and

H5.2 if the leak cannot be repaired without additional excavation at that time, the Appointee must notify the customer of the leak and either:

H5.2.1 repair the leak; or

H5.2.2 request that the customer repairs the leak at the customer's own expense.

**Adjustment of charges for water supply**

H6. Paragraph H7 applies where, after a meter has been installed:

H6.1 a meter reading indicates that there could be an undetected leak on the Supply Pipe; and

H6.2 such a leak is subsequently discovered.

H7. Where this paragraph applies, the Appointee must make an adjustment to the Metered Charges for water supply in respect of the premises, subject to paragraphs H8 and H9.

H8. The requirement to adjust Metered Charges under this condition is conditional on the leak being repaired within any reasonable period of time specified by the Appointee.

H9. The Appointee is not required to make any adjustment to Metered Charges under this condition in relation to any leak:

H9.1 detected following the repair of a previous leak in relation to which such an adjustment has been made;
H9.2 which was caused through the negligence of the customer, the owner of the Supply Pipe or anyone acting on behalf of either of them;

H9.3 where the Appointee has requested that a customer repairs the leak under paragraph H5.2.2 and the customer has failed to repair it; or

H9.4 which the customer otherwise knew or ought to have known about and failed to repair.

The amount of the adjustment of charges for water supply

H10. In making an adjustment to the Metered Charges for water supply in respect of the premises under this condition:

H10.1 where the Appointee has a record of the customer's past consumption, the adjustment must be based on that consumption, and

H10.2 where the Appointee has no such record:

H10.2.1 the adjustment must be based on typical usage for properties of a similar type; and

H10.2.2 the Metered Charges in respect of the premises must be further adjusted if the customer's subsequent actual usage is significantly different.

Adjustment of charges for sewerage services

H11. Where the Appointee is required to make any adjustment to the Metered Charges for water supply under this condition:

H11.1 if the Appointee is the sewerage undertaker for the premises, it must also make an adjustment to the Metered Charges for sewerage services in respect of the premises; and

H11.2 if another relevant undertaker is the sewerage undertaker for the premises, the Appointee must inform that undertaker as soon as reasonably possible of the adjustment the Appointee is required to make to the Metered Charges for water
supply (specifying the basis on which the adjustment has been, or will be, made).

H12. The Appointee must also make an adjustment to the Metered Charges for sewerage services in respect of premises where:

H12.1 the Appointee is the sewerage undertaker for the premises; and

H12.2 the Appointee is informed by a water undertaker that the undertaker is required to make an adjustment to the Metered Charges for a supply of water to the premises (specifying the basis on which the adjustment has been, or will be, made).

H13. Where the Appointee is required to make any adjustment to Metered Charges for sewerage services under this condition, it must make that adjustment on a similar basis to the adjustment being made to the Metered Charges for water supply in respect of the premises.
**Condition I: Ring-fencing**

**Introduction**

The purposes of this Condition are to ensure that:

1. there is no cross-subsidy between the Appointed Business and any other business of the Appointee or between the Appointed Business and any Associated Company;

2. the transfer of assets (including the provision of financial support) to Associated Companies does not adversely affect the Appointee's ability to carry out its functions as a water undertaker or to finance those activities; and

3. the Appointee has at its disposal sufficient financial and managerial resources to carry out the Regulated Activities (including the investment programme necessary to fulfil its obligation under the Appointment(s)).

**Interpretation and Construction**

I1. In this Condition and for the purposes of this Condition:

   I1.1 references to "the Appointed Business" shall be construed as if the Appointed Business included the management and holding by the Appointee of any protected land; and

   I1.2 "sewerage services" includes sewage treatment and disposal and reception, treatment and disposal of trade effluent.

I2. Except where otherwise expressly provided, references in this Condition to costs or liabilities shall be construed as including taxation, and references to any profit and loss account shall be construed accordingly.

I3. For the purposes of this Condition:

   I3.1 all forms of property shall be assets, whether situated in the United Kingdom or not, including:
I3.1.1 options, debts and incorporeal property generally; and

I3.1.2 any currency including sterling;

I3.2 references to the supply of a service include references to anything (including the services of any employee) being made available; and

I3.3 references to a transfer of an asset or liability include references to a part transfer of an asset or liability and, without limitation, there is a part transfer of an asset where an interest or right in or over the asset is created.

Transactions entered into by the Appointee or the Appointed Business with or for the benefit of Associated Companies or other businesses or activities of the Appointee

I4. The Appointee shall ensure that every transaction between the Appointed Business and any Associated Company (or between the Appointed Business and any other business or activity of the Appointee) is at arm's length, so that neither gives to nor receives from the other any cross-subsidy.

I5. The Appointee shall not, in respect of any Charging Year, make any payments to any Associated Company in respect of the services rendered to the Appointee by that company, which exceeds:

I5.1 such prices in respect of the service in question which the Appointee has ascertained by market testing in accordance with such arrangements as Ofwat may have approved for the purpose of this Condition I and as set out in Regulatory Accounting Guideline 5 (Transfer Pricing in the Water and Sewerage Industry) or any revision or modification of it for the time being in force, provided that those arrangements have no prejudicial effect upon the proper carrying out of the Appointee's functions or any of them; or

I5.2 if, in the opinion of Ofwat, the Appointee has demonstrated that market testing as described in paragraph I5.1 above is inappropriate, such proportion as Ofwat may agree of the Associated Company's costs in providing to the Appointee the service in question (including a reasonable return to the Associated Company).
I6. Without prejudice to paragraph I4 above, the Appointee shall obtain from any Associated Company referred to in paragraph I5, such information about the latter's costs as Ofwat may reasonably require.

I7. The Appointee shall not, without the consent of Ofwat and otherwise than in compliance with its directions concerning the valuation of the asset and the treatment of the consideration in the Appointee's accounts, transfer to any Associated Company to which paragraph I5 applies any right or asset to which paragraph 3 of Condition K of these Conditions applies.

I8. The Appointee shall not, without the consent of Ofwat:

I8.1 give any guarantee of any liability of any Associated Company; or

I8.2 make to any such company any loan.

I9. The Appointee shall not, without the consent of Ofwat:

I9.1 enter into an agreement or incur [any] commitment incorporating a cross-default obligation, or

I9.2 subject to paragraph I10 below, continue or permit to remain in effect any agreement or commitment incorporating a cross-default obligation.

I10. Where liability under the cross-default obligation would arise only on a default by a subsidiary company of the Appointee, the Appointee may permit that cross-default obligation to remain in effect for the period for which it was fixed by the instrument which created it, so long as its potential liability is not increased and no changes are made in the terms under which that liability might arise.

I11. For the purposes of paragraphs I8 to I10:

I11.1 "liability" includes the creation of any mortgage, charge, pledge, lien or other form of security or encumbrance, the making of any loan and the undertaking of any other indebtedness;
I11.2 "loan" includes the transfer or lending, by any means, of any sum of money or of any rights in respect of that sum; and

I11.3 "cross-default obligation" means a term of any agreement or arrangement whereby the Appointee's liability to pay or repay any debt or other sum arises or is increased or accelerated by reason of a default of any person other than the Appointee.

Dividend policy

I12. The Appointee shall declare or pay dividends only in accordance with a dividend policy which has been approved by the Board of the Appointee and which complies with the following principles:

I12.1 the dividends declared or paid will not impair the ability of the Appointee to finance the Appointed Business; and

I12.2 under a system of incentive regulation dividends would be expected to reward efficiency and the management of economic risk.

Ring-fencing

I13. The Appointee shall at all times act in the manner best calculated to ensure that it has adequate:

I13.1 financial resources and facilities;

I13.2 management resources; and

I13.3 systems of planning and internal control,

to enable it to secure the carrying out of the Regulated Activities including the investment programme necessary to fulfil its obligations under the Appointment(s). The above requirements must not be dependent upon the discharge by any other person of any obligation under, or arising from, any agreement or arrangement under which that
other person has agreed to provide any services to the Appointee in its capacity as a Relevant Undertaker.

I14. For the purposes of paragraph I13.3 above, the Appointee shall ensure that its systems of planning and internal control comply with such guidance as Ofwat may, from time to time, specify in writing for the purposes of this Condition.

I15. Paragraph F4 shall apply to revisions to the guidance referred to in paragraph I14 above, as it applies to revisions to the Regulatory Accounting Guidelines.

I16. In paragraphs I17 and I18:

I16.1 “Wholesale Business” means the business undertaken as part of the Appointed Business excluding the Retail Business;

I16.2 “Retail Business” means those activities that constitute the provision of goods or services by the Appointee directly to one or more End-Users, and such activities ancillary to such provision including ownership of meters, and that are so designated from time to time (which designation, for the avoidance of doubt, shall be reversible) by Ofwat or by such person or persons as may be nominated by Ofwat to do so, but for the avoidance of doubt shall not include the following:

(a) water resources, raw water distribution, water treatment, treated water distribution, sewage collection, sewage treatment, sludge treatment or sludge disposal (as each of those is defined in Ofwat’s Regulatory Accounting Guideline 4.04); or

(b) in so far as the ownership of meters is so designated, the ownership of meters that were installed at, or in order to measure supplies to, End-Users’ premises on or before the date of such designation;

I16.3 “NHH Retail Business” means those aspects of the Appointee’s Retail Business in respect of non-household customers, which would, if carried on by a Licensee, fall within the scope of a retail authorisation as set out in Schedules
2A or 2B to the Water Industry Act 1991 or restricted retail authorisation as set out in Schedule 2A to that Act;

I16.4 “Residual Business” means the Retail Business excluding the NHH Retail Business together with the Wholesale Business;

I16.5 “End-User” means a person who, otherwise than as a person holding an appointment or a licence under the Water Industry Act 1991 or under other legislation in respect of the supply of water or sewerage services enacted from time to time, is a customer of the Appointee or a user of the goods or services concerned; and

I16.6 “Exit Date” shall have the same meaning as in the Water and Sewerage Undertakers (Exit from Non-household Retail Market) Regulations 2016.

Requirement for certificates of adequacy

I17. The Appointee shall, at the same time as it complies with any requirement in the Regulatory Accounting Guidelines to submit regulatory accounting statements to Ofwat, submit to Ofwat separate Certificates in respect of each of its NHH Retail Business and its Residual Business in the following terms:

"(1) that in the opinion of the Directors, the Appointee will have available to it sufficient financial resources and facilities to enable it to carry out, for at least the next 12 months, the Regulated Activities (including the investment programme necessary to fulfil the Appointee's obligations under the Appointment(s));

(2) that in the opinion of the Directors the Appointee will, for at least the next 12 months, have available to it –

(a) management resources; and

(b) methods of planning and internal control
which are sufficient to enable it to carry out those functions as required by paragraph I13 above; and

(3) in respect of the Wholesale Business only, that in the opinion of the Directors, all contracts entered into with any Associated Company include all necessary provisions and requirements concerning the standard of service to be supplied to the Appointee, to ensure that it is able to meet all its obligations as a water and a sewerage undertaker”.

I18. The provisions in paragraph I17 requiring a separate certificate of adequacy for the Appointee’s NHH Retail Business shall cease to have effect on the Exit Date.

I19. The Appointee shall, when it complies with paragraph I17, submit with each Certificate a statement of the main factors which the Directors have taken into account in giving that Certificate.

I20. Without prejudice to paragraphs I21 and I22 below, the Directors shall inform Ofwat in writing as soon as they become aware of any circumstance which causes them to believe that the most recent Certificate under paragraph I27 could not be repeated in the light of that circumstance.

I21. Whenever the Directors become aware that the Appointee or any Group Company is proposing to embark upon any activity which is not one of those described in paragraph I13 and which may be material in relation to the Appointee's ability to finance the carrying out of the functions mentioned in that paragraph, they shall as soon as is practicable, having regard to the purposes of this Condition, notify Ofwat about that proposal.

I22. Not later than 14 days after the Directors become aware that the Appointee or any Group Company has embarked upon any activity to which paragraph I21 applies, they shall submit to Ofwat a Certificate in the terms specified in paragraph I17.

I23. Each Certificate under paragraphs I17 to I22 shall be either:

I23.1 signed by all the Directors of the Appointee for the time being; or
I23.2 approved by a duly-convened meeting of the board of Directors of the Appointee for the time being, signed (in confirmation of that approval) by a Director or the Secretary of the Appointee and have attached to it a certified copy of an extract of the minutes of the relevant meeting containing the resolution to approve it.

I24. Each Certificate under paragraph I17, shall be accompanied by a report prepared by the Appointee's Auditors and addressed to Ofwat, stating whether they are aware of any inconsistencies between that certificate and either the regulatory accounting statements referred to in paragraph F5 or any information which the Auditors obtained in the course of their work as the Appointee's Auditors and, if so, what they are.

I25. [Not used]

I26. The Appointee shall, at all times, conduct the Appointed Business as if it were substantially the Appointee's sole business and the Appointee were a separate public limited company. The Appointee should have particular regard to the following in the application of this Condition:

I26.1 the composition of the Board of the Appointee should be such that the directors, acting as such, act independently of the parent company or controlling shareholder and exclusively in the interests of the Appointee;

I26.2 the Appointee must ensure that each of its Directors must disclose, to the Appointee and Ofwat, conflicts between duties of the Directors as Directors of the Appointee and other duties;

I26.3 where potential conflicts exist between the interests of the Appointee as a water undertaker and those of other Group Companies, the Appointee and its Directors must ensure that, in acting as Directors of the Appointee, they should have regard exclusively to the interests of the Appointee as a water undertaker;

I26.4 no Director of the Appointee should vote on any contract or arrangement or any other proposal in which he has an interest by virtue of other directorships. This arrangement should be reflected in the Articles of Association of the Appointee;
I26.5 the Appointee should inform Ofwat without delay when:

I26.5.1 a new Director is appointed;

I26.5.2 the resignation or removal of a Director takes effect; or

I26.5.3 any important change in the functions or executive responsibilities of a Director occurs.

The Appointee should notify Ofwat of the effective date of the change and, in the case of an appointment, whether the position is executive or non-executive and the nature of any specific function or responsibility;

I26.6 the dividend policy adopted by the Appointee and the implications of paragraph I12; and

I26.7 the Principles of Good Governance and Code of Best Practice (or any successor document having a similar purpose and content) as may from time to time be incorporated into or approved for the purposes of the Listing Rules of the Financial Conduct Authority.

I27. The Appointee shall, at such times and in such ways as may from time to time be required by the Listing Rules of the Financial Conduct Authority, publish such information about its annual interim and final results as is by those rules required to be announced by a company whose shares are for the time being listed on the London Stock Exchange.

I28. Subject to paragraph I29 below, the Appointee shall maintain the listing of a financial instrument and shall use all reasonable endeavours to retain that financial instrument, whose market price should react to the financial position of the Appointee's Appointed business, on the London Stock Exchange, or with the prior agreement of Ofwat, some other exchange of similar standing.

I29. The obligation in paragraph I28 applies unless the Appointee satisfies Ofwat that market conditions make it inappropriate for the Appointee to maintain such a financial instrument.
I30. The Appointee shall use all reasonable endeavours to ensure that it, or any Associated Company as an Issuer of corporate debt on its behalf, maintains at all times an Issuer credit rating which is an Investment grade rating.

I31. In this Condition:

"Investment grade rating" means a rating recognised as investment grade by Standard and Poor's Rating Group (or any of its subsidiaries), by Moody's Investors Services Incorporated (or any of its subsidiaries) or by Fitch Ratings Limited, or any other reputable credit rating agency which has comparable standing in the United Kingdom and the United States of America; and

time when the certificate is given (including, but without limitation, any reasonable
prospect of planning permissions being obtained).

4.6 Where the Appointee proposes to make any such disposal as is mentioned in sub-
paragraph 4.1 and the terms or circumstances of the proposed disposal are such that a
Disposal Certificate giving the full confirmation required by (f) or (g) of sub-paragraph

(b) furnish to the Water Services Regulation Authority a certificate by a valuer appointed by the Appointee ("the Valuer") addressed to the

(2) prior to the date of the auction or the invitation to tender, furnish to the Water Services Regulation Authority in writing such further Information regarding the proposed disposal which the Water Services Regulation Authority may reasonably request.

(ii) a certificate by a valuer appointed by the Appointee and approved by the Water Services Regulation Authority for the purpose of this sub-paragraph ("the Valuer") addressed to the Water Services Regulation Authority which states:

(A) that in the opinion of the Valuer the consideration to be received by the Appointee from the proposed disposal is the best price likely to be obtained from a disposal of the land in question to an unconnected third party, having regard to all the circumstances at the time when the certificate is given (including, but without limitation, any reasonable prospect of planning permissions being obtained); and

(B) the amount of the consideration to be received or expected to be received by the Appointee from the proposed disposal, expressed in cash according to when that consideration is to be, or is expected to be, received; and

(2) shall furnish to the Water Services Regulation Authority in writing such further information regarding the proposed disposal which the Water Services Regulation Authority may reasonably request; and
(3) ensure that the terms on which the proposed disposal is made are in accordance with any terms which may have been specified by the Water Services Regulation Authority, either in relation to disposals of protected land to Associated Companies generally or in relation to the particular proposed disposal, being such terms as the Water Services Regulation Authority considers appropriate to secure that the Appointee receives such share of any value to be derived or expected to be derived by the Associated Company from the land in question as the Water Services Regulation Authority considers appropriate, having regard to the duty imposed on the Water Services Regulation Authority under section 2(3)(c) of the Water Industry Act 1991.

6.4 In any case where the full confirmation required by (f) of sub-paragraph 4.3(1) cannot properly be given, the Appointee shall not enter into a relevant obligation unless the prior written consent of the Water Services Regulation Authority to the proposed disposal has been obtained, such consent not to be unreasonably withheld or delayed.

7 Disclosure of Information to Valuers

The Appointee shall disclose to the Valuer appointed for the purpose of any provision of this Condition all Information which, in the reasonable opinion of the Appointee, has or is likely to have a material bearing on the Valuer's certificate to be given under that provision and such other Information as the Valuer may reasonably require to enable him to give his certificate.
Condition L: Underground Asset Management Plans

1 Interpretation and Construction

In this Condition:

"the Appointment Obligations" means the Appointee's obligations under the Appointment and for this purpose and for this purpose only the Appointee shall be deemed to be subject to an obligation under the Appointment to achieve any Service Target or Revised Service Target notified to the Water Services Regulation Authority by the Appointee under Condition J;

"Network Assets" means

(1) water mains and trunk mains (other than any pumps, valves and hydrants);

(2) resource mains and discharge pipes; and

(3) so much of any service pipe as is vested in the Appointee;

"Network Expenditure" means expenditure in relation to any Network Assets (whether, having regard to the respective purposes referred to in sub-paragraph 2.1, such expenditure is to be made or incurred in or in relation to creating, acquiring, renewing, repairing, maintaining or improving any Network Assets or executing works or procuring the execution of works by other persons in relation to any Network Assets or otherwise);

"the Plan Period" means such period as the Appointee shall specify, being a period of not less than fifteen years commencing on:

(1) in the case of the Underground Asset Management Plan required to be furnished under sub-paragraph 2.1, 1st April 1990;

(2) in the case of any revised Underground Asset Management Plan required to be furnished under sub-paragraph 2.4, the date of such revised Underground Asset Management Plan or, in the case of a revised Underground Asset Management Plan prepared for the purposes of a Periodic Review, the start of the relevant Review Charging Year;
a "Review Date" means the first date specified in the relevant paragraphs of Condition B by which the Appointee is required to furnish Information to the Water Services Regulation Authority for the purpose of any Periodic Review.

2 Duty to furnish information

2.1 The Appointee shall prepare and furnish to the Secretary of State an underground asset management plan (an "Underground Asset Management Plan") showing separately:

(1) an estimate and other Information in respect of Network Expenditure required to be made or incurred by the Appointee in each year during the Plan Period for the purposes of ensuring:

(a) that Network Assets used by the Appointee as at the transfer date (or, in the case of a revised Underground Asset Management Plan, as at the date of that revised Underground Asset Management Plan) are, and will throughout the Plan Period be, maintained in such a state or condition as is necessary for the purposes described in sub-paragraph 2.2 ("the Relevant Purposes"), in so far as Network Assets are necessary for, or relevant to, the Relevant Purposes; and

(b) that the capacity of the system of water supply comprising solely those Network Assets (but not including any other part of the Appointee's system of water supply) is maintained

and the estimate and other Information shall show expenditure to be capitalised and, separately, expenditure to be expensed; and

(2) an estimate and other Information in respect of Network Expenditure required to be made or incurred by the Appointee in each year during the Plan Period for the purpose of ensuring that, taking into account the expenditure to be made or incurred for the purposes referred to in sub-paragraph 2.1(1):

(a) the Appointee will at all times and from time to time have available to it for use all Network Assets (and in such a state or condition) as are necessary for the Relevant Purposes, in so far as Network Assets are necessary for, or relevant to, the Relevant Purposes; and
that the capacity of the system of water supply comprising solely those Network Assets (but not including any other part of the Appointee's system of water supply) is and will be such as is necessary for the Relevant Purposes.

2.2 The Relevant Purposes referred to in sub-paragraph 2.1 are:

(1) to enable the Appointee to carry out the Regulated Activities in respect of the whole of the Area in accordance with the provisions of the Water Industry Act 1991 and of any other enactment or subordinate legislation relating to the Regulated Activities and in accordance with any service objectives which the Appointee has set itself in preparing the Underground Asset Management Plan and to carry out the Regulated Activities in such manner economically and efficiently; and

(2) to enable the Appointee to perform the Appointment Obligations in respect of the whole of the Area (or, in the case of a Service Target or a Revised Service Target which applies only to part of the Area, then in respect of that part)

but so that, unless the context otherwise requires, references in this Condition to the Relevant Purposes shall be read and construed subject to any assumptions as may be specified by the Appointee in the Underground Asset Management Plan as to the nature and scope of the Regulated Activities or, as the case may be, the Appointment Obligations and as to the effect of any provision of the Water Industry Act 1991 or any other enactment or subordinate legislation relating to the Regulated Activities.

2.3 Where the Appointee has specified any such assumptions as are referred to in sub-paragraph 2.2, the Appointee shall also furnish an estimate and other Information as described in sub-paragraphs 2.1(1) and (2) on the basis of such other assumptions as to the matters referred to in sub-paragraph 2.2 as may be specified by the Secretary of State.

2.4 The Appointee shall keep the Underground Asset Management Plan prepared under sub-paragraph 2.1 under review and shall prepare a revised Underground Asset Management Plan in respect of the Plan Period from time to time and in any event by each Review Date, to the extent that such revision is necessary having regard to the
Relevant Purposes, this Condition and Condition B and shall furnish to the Water Services Regulation Authority any such revised Underground Asset Management Plan. Sub-paragraph 2.3 shall apply to any such revised Underground Asset Management Plan (and so that for this purpose the reference in that sub-paragraph to the Secretary of State shall be taken to be a reference to the Water Services Regulation Authority) and references in this Condition to a revised Underground Asset Management Plan shall include references to any estimate and other Information which the Appointee is required to furnish under sub-paragraph 2.3 in respect of that revised Underground Asset Management Plan.

2.5 For the purposes of sub-paragraphs 2.1 and 2.4:

(1) due allowance shall be made for Network Assets ceasing to be required for the Relevant Purposes during the Plan Period;

(2) the Appointee shall include in any Underground Asset Management Plan furnished to the Secretary of State under sub-paragraph 2.1 or, as the case may be, to the Water Services Regulation Authority under sub-paragraph 2.4 a description of any agreement or arrangement under which the Appointee uses Network Assets which are owned by, or used in conjunction with, another water undertaker (including, without limitation, a description of any arrangements, as between the Appointee and the other undertaker, for the repair, renewal, maintenance and improvement of any such Network Assets) and an estimate and other Information in respect of any expenditure required to be made or incurred by the Appointee during the Plan Period in respect of such Network Assets for the Relevant Purposes; and

(3) there shall be taken into account any changes in the nature of the Regulated Activities and the Appointment Obligations which the Appointee knows have occurred or will occur or which the Appointee reasonably believes will, or are likely to, occur (including, without limitation, any change in demand for the provision by the Appointee of any services provided by it in the course of carrying out the Regulated Activities).

3 Information Systems
3.1 The Appointee shall establish and maintain methods and procedures for the purposes of:

(1) keeping under review, collecting Information in respect of, and carrying out surveys of, the state, condition, capacity and performance of Network Assets; and

(2) preparing, keeping under review and revising from time to time the Underground Asset Management Plan for the purposes of:

   (a) providing Information to the Water Services Regulation Authority in accordance with Condition B to enable it to carry out Periodic Reviews; and

   (b) providing Information to the Water Services Regulation Authority in accordance with paragraph 17 of Condition B.

3.2 The Appointee shall furnish to the Secretary of State a written description of such methods and procedures. The Appointee shall keep under review and shall revise such methods and procedures from time to time to the extent necessary having regard to the purposes for which such systems and procedures are intended to be used, this Condition and Condition B and shall furnish to the Water Services Regulation Authority a written description of any revision of such methods and procedures.

4 Reports

4.1 Any revised Underground Asset Management Plan and any revision of the methods and procedures referred to in paragraph 3 (which in the reasonable opinion of the Water Services Regulation Authority is material having regard to the purposes for which the Underground Asset Management Plan and such methods and procedures are intended, to this Condition and to Condition B) shall, if so required by the Water Services Regulation Authority, be reported on by a person appointed by the Appointee and approved by the Water Services Regulation Authority (such approval not to be unreasonably withheld) ("the Assessor").

4.2 The Appointee shall enter into a written contract of engagement with the Assessor which shall:
where such a report is required by the Water Services Regulation Authority under sub-paragraph 4.1, require the Assessor to prepare and furnish to the Water Services Regulation Authority, and separately to the Appointee, a written report addressed jointly to the Water Services Regulation Authority and Appointee:

(a) in the case of a revised Underground Asset Management Plan, stating whether, in his opinion, the estimate included in the revised Underground Asset Management Plan has been prepared in accordance with the methods and procedures established and maintained by the Appointee under sub-paragraph 3.1 at the date at which the revised Underground Asset Management Plan has been prepared and if the action to be taken as described in the other Information included in the Underground Asset Management Plan were taken it would be sufficient for the Relevant Purposes, in so far as Network Assets are necessary for, or relevant to, the Relevant Purposes, (both on the basis of any assumptions specified by the Appointee and on the basis of any assumptions specified by the Water Services Regulation Authority) and, if not, what other action would need to be taken; and

(b) in the case of a revision of the methods and procedures referred to in paragraph 3, stating whether, in his opinion, the methods and procedures (as so revised) are sufficient for the purposes described in sub-paragraph 3.1 and if not, what changes would need to be made to those methods and procedures so that they were sufficient for those purposes; and

(2) include a term that the Assessor will provide such further explanation or clarification of his report as the Water Services Regulation Authority may reasonably require and that where, by reason of anything in the Assessor’s report, it appears to the Water Services Regulation Authority:

(a) that the state or condition or capacity of Network Assets is such that they are or may be materially inadequate for the Relevant Purposes, in so far as Network Assets are necessary for, or relevant to, the Relevant Purposes, (either on the basis of the assumptions specified by the
Appointee or on the basis of the assumptions specified by the Water Services Regulation Authority, if any); or

(b) that the methods and procedures are insufficient for the purposes described in sub-paragraph 3.1 and that as a result information as to the state, condition, capacity or performance of Network Assets is or may be materially inaccurate or incomplete

the Assessor will provide such further Information in respect of, or verification of, the matters which are the subject of his report as the Water Services Regulation Authority may reasonably require.

The contract of engagement may also include provisions requiring the Assessor, his employees and agents to keep confidential and not to disclose, except to the Water Services Regulation Authority or as required by law, any Information which the Assessor obtains in the course of preparing his report.

4.3 The Appointee shall co-operate fully with the Assessor to enable him to prepare his report, including without limitation, so far as is necessary for that purpose:

(1) subject to reasonable prior notice to the Appointee, giving to the Assessor access at reasonable hours to any Network Assets used by the Appointee and to any premises occupied by the Appointee in relation to the carrying out of the Regulated Activities; and

(2) subject to reasonable prior notice to the Appointee, allowing the Assessor at reasonable hours:

(a) to inspect and make photocopies of, and take extracts from, any books and records of the Appointee maintained in relation to the carrying out of the Regulated Activities;

(b) to carry out inspections, measurements and tests on or in relation to any such premises or Network Assets; and
(c) to take on to such premises or on to or in to any Network Assets such other persons and such equipment as may be necessary for the purposes of preparing and completing his report.

4.4 Nothing in sub-paragraph 4.3 shall require the Appointee:

(1) to do anything which is outside its reasonable control; or

(2) to do, or to allow the Assessor to do, anything which would materially disrupt the Appointee's business (unless it is essential that that thing be done to enable the Assessor to prepare his report).

4.5 In sub-paragraphs 4.3 and 4.4 references to the Assessor include references to his employees and agents.

5 General

5.1 The Underground Asset Management Plan and the written description of the Appointee's relevant methods and procedures required to be furnished to the Secretary of State by the Appointee under sub-paragraphs 2.1 and 3.2 shall be so furnished not later than 31st January 1990 and if accepted by him shall be deemed to satisfy the obligations of the Appointee under those sub-paragraphs (insofar as sub-paragraph 3.2 requires the Appointee to furnish a written description of the methods and procedures established by it).

5.2 Any other Information required to be furnished by the Appointee to the Water Services Regulation Authority under this Condition shall be furnished within three months of the revision which gives rise to the requirement to furnish Information.

5.3 The Appointee shall deliver to the Water Services Regulation Authority, at the same time as it delivers to it accounting statements in respect of a financial year prepared under Condition F, a statement of the expenditure made or incurred in relation to Network Assets during that financial year, distinguishing between amounts which have been expensed and amounts which have been capitalised, together with the details necessary to explain any difference between that expenditure and the expenditure which the Appointee had informed the Secretary of State or, as the case may be, the Water
Services Regulation Authority under this Condition it intended to make or incur in relation to Network Assets during that financial year.

6 This Condition shall apply separately in relation to those parts of the Appointed Business which relate to the South Staffordshire Area and the Cambridge Area. However:

(a) the Appointee may furnish to the Water Services Regulation Authority a single Underground Asset Management Plan; or

(b) separate Underground Asset Management Plans in respect of those parts of the Appointed Business which relate respectively to the South Staffordshire Area and the Cambridge Area.

7 If the Appointee furnishes a single Underground Asset Management Plan, that plan shall make separate provision in respect of each of the South Staffordshire Area and the Cambridge Area and such provision may be different in each case.

8 If the Appointee furnishes two Underground Asset Management Plans:

(a) those underground asset management plans may be different; and

(b) the provisions of paragraphs 1-5 of this Condition shall apply separately in relation to each of them.
**Condition M: Provision of Information to Ofwat**

**Introduction**
This condition requires the Appointee to provide information to Ofwat (subject to certain limitations) and to co-operate with certain investigations carried out by Ofwat for purposes relating to standards of performance.

**Limits on the duty to provide Information**
M3 The Appointee is not required to provide Ofwat with Information for the purpose of Ofwat carrying out any function under section 14 or 201 of the Water Industry Act 1991, but if Ofwat requires it to do so the Appointee must provide reasoned comments on the accuracy of any information or advice which Ofwat proposes to publish under section 201 of that Act.

M4 The Appointee is not required to provide Ofwat with any Information for the purpose of Ofwat carrying out an enforcement function if the Appointee could not have been required to provide that Information under section 203 of the Water Industry Act 1991.

M5 The Appointee is not required to provide Ofwat with any Information that is protected by legal professional privilege.

**Use of Information provided**
M6 Ofwat may use or disclose any Information which it has received from the Appointee for the purpose of carrying out any of its functions under the provisions of any enactment, including its functions under sections 14 and 201 of the Water Industry Act 1991.
Relationship to other conditions

M7 Any duty on the Appointee to provide Information to Ofwat under any other Condition does not limit the duty of the Appointee to provide Information under paragraph M1.

M8 The requirement in paragraph M2, and the limits in paragraphs M4 and M5, also apply in any other Condition under which the Appointee has a duty to provide Information to Ofwat.

Standards of Performance

M9 Paragraph M10 applies in any case in which Ofwat notifies the Appointee that, for the purpose of deciding whether to make an application to the Secretary of State under either section 39 or 96 of the Water Industry Act 1991, it intends to investigate:

M9.1 any Information provided by the Appointee to Ofwat in relation to the Appointee's service levels in carrying out the Regulated Activities; or

M9.2 the means by which that Information was collated or recorded.

M10 Where this paragraph applies, the Appointee must co-operate fully with any investigation by Ofwat, including in particular by allowing Ofwat (at reasonable hours and on reasonable notice) to:

M10.1 access any plant or premises used by the Appointee in carrying out the Regulated Activities;

M10.2 while at the plant or premises, carry out inspections, measurements or tests, and take copies of any document or record held for the purpose of the Appointed Business; and

M10.3 take with it any persons or equipment necessary for those purposes.

4. Any Direction under paragraph 2 may only be given where the Water Services Regulation Authority –

   (a) considers it to be reasonable and appropriate for the purpose referred to in paragraph 3 above;
(b) has consulted with the Appointee; and

(c) reasonably considers that the Direction would not –

(i) be contrary to the interests of national security; or

(ii) seriously and prejudicially affect the interests of any person.

5. The Appointee may within one month of the date of any such Direction require the Water Services Regulation Authority to refer to the Competition and Markets Authority for determination by it the question whether the Direction is reasonable and appropriate for the purpose referred to in paragraph 3.

6. Where the Appointee requires the Water Services Regulation Authority to make a reference to the Competition and Markets Authority under paragraph 5 the Direction which is the subject of that reference shall not apply to the Appointee unless and until the Competition and Markets Authority determines that it shall apply.

(6) on 1 April of the first Charging Year after the announcement by the Water Services Regulation Authority of its intention to carry out a Periodic Review, and at the start of each Charging Year up to but not including the Periodic Review Year, an additional fee, which shall represent a fair proportion, to be determined each year by the Water Services Regulation Authority according to a method which has been disclosed in writing to the Appointee, of additional costs estimated by the Water Services Regulation Authority as being likely to be incurred in that Charging Year by it in the preparation for or the carrying out of a Periodic Review, over and above the costs estimated by the Water Services Regulation Authority as being likely to be incurred in that Charging Year under paragraph 2(5) above;

(7) where the Water Services Regulation Authority so determines, on 1 January in any year, a special fee, which shall represent a fair proportion, to be determined each year by the Water Services Regulation Authority according to a method which has been disclosed in writing to the Appointee, of the amount, if any, by which the aggregate of the costs estimated by the Water Services Regulation Authority to have been already incurred in that Charging Year and to be incurred in the remainder of that Charging Year by the Water Services Regulation Authority as having been or likely to be incurred by it in respect of any reference by the Appointee under paragraph 13 of Condition B and any determination by the Water Services Regulation Authority under paragraph 14 of Condition B made in the Charging Year in which the Water Services Regulation Authority's notification for the purposes of this sub-paragraph is given;

\[
J = G \times \frac{t}{T}
\]

Where

J is the amount payable under this sub-paragraph

G is for each Charging Year the sum of £5.7 million increased by the percentage increase in the Retail Prices Index between that published for November 2005 and that published for November in the Prior Year;

\( t \) is equal to the turnover of the Appointed Business as shown in the accounting statements prepared by the Appointee under paragraph 4 of Condition F for the
financial year ending 12 months before the start of the Charging Year in which the payment under this sub-paragraph is payable;

T is equal to the aggregate of the turnover of the Appointed Business of all of the companies holding an Appointment under Chapter I of Part II of the Water Industry Act 1991 as shown in their accounting statements prepared under paragraph 4 of Condition F for the financial year ending 12 months before the start of the Charging Year in which the payment under this sub-paragraph is payable

PROVIDED THAT if, in respect of any Charging Year, the Secretary of State issues to the Water Services Regulation Authority any direction or directions under section 37(8) of the Water Act 2003, which requires or require it to recover under this Condition any amount or amounts greater than G, the amount of that excess shall also be recoverable under this sub-paragraph (9).

3 Limits on renewal fee, special fee and additional fee applied to Ofwat

3.1 The aggregate of the renewal fee payable in respect of any Charging Year starting on or after 1 April 2000 (other than a Periodic Review Year) and part of any special fee apportioned to the renewal fee payable in the same Charging Year shall not exceed X, where X shall be calculated in any year by the equation:

\[
X = S \times \frac{t}{T}
\]

Where the figures in the equation are defined as follows:

"S" is equal to the figure £11.9 million, increased by the percentage increase in the Retail Prices Index between that published for the month of November 1998 and that published for the month of November immediately preceding the start of the Charging Year in which that renewal fee and special fee are payable;

"t" is equal to the turnover of the Appointed Business as shown in the accounting statements prepared by the Appointee under paragraph 4 of Condition F for the financial year ending twelve months before the start of the Charging Year in which that renewal fee and special fee are payable;
"T" is equal to the aggregate of the turnover of the Appointed Business of all of the Appointees as shown in their accounting statements prepared under paragraph 4 of Condition F for the financial year ending twelve months before the start of the Charging Year in which that renewal fee and special fee are payable.

3.2 The aggregate of the renewal fee and any special fee payable in any Periodic Review Year and of the additional fees payable under paragraph 2(6), in the years immediately preceding that Periodic Review Year, shall not exceed \( X \) derived from sub-paragraph 3.1 plus a figure of 0.3, calculated as the sum of the percentages which each such fee represents of the turnover of the Appointed Business, as shown in the accounting statements prepared by the Appointee under paragraph 4 of Condition F, as an average over the five years concluding with the previous Periodic Review Year.

3.3 Where:

(1) [Not used];

(2) a Periodic Review falls to be carried out under paragraph 8 of Condition B; or

(3) [Not used]

the Water Services Regulation Authority may, by notice to the Secretary of State, refer to the Secretary of State for determination by him not later than twelve months after the date which is the Review Notice Date for the purpose of the relevant Periodic Review, the question whether the limits on the fees specified in sub-paragraph 3.1 and 3.2 payable in respect of any Charging Year starting on or after 1 April 2000 should be changed (and if so what change should be made to that limit).

3.4 This Condition shall be modified by the change or changes (if any) to the said limits necessary to give effect to any determination made by the Secretary of State following a reference under sub-paragraph 3.3.

4 [Not used]

5 For the purposes of this Condition, the turnover of the Appointed Business in relation to any period prior to 1 April 2013 shall include the equivalent turnover of the Appointed Business of Cambridge Water as shown in the Accounting Statements
prepared by it under paragraph 4 of Condition F of its appointment as a water undertaker.
**Condition N: Fees** [coming into effect on 1 March 2019]

**Introduction**
This condition provides for the payment of fees by the Appointee to cover costs incurred by Ofwat, the Consumer Council for Water and the Competition and Markets Authority and sets out how the amount of those fees will be determined.

**Fees**

N1   The Appointee must pay the following Fees to the Secretary of State in accordance with this condition:

N1.1   the Annual General Fee (or such part of the Annual General Fee as is payable under paragraph N2);

N1.2   the Special Fee (if any);

N1.3   the Interim Determination Fee (if any);

N1.4   the Consumer Council for Water Fee; and

N1.5   the Competition and Markets Authority Fee (if any).

N2   Where Ofwat notifies the Appointee of an amount which is payable towards the Annual General Fee, the Appointee must pay that amount no later than 30 days following the notification, provided that:

N2.1   the total of such amounts in a Charging Year may not exceed the Annual General Fee; and

N2.2   Ofwat may not give such a notification more than twice for a Charging Year.

N3   Where Ofwat notifies the Appointee of the amount of any Fee other than the Annual General Fee, the Appointee must pay that amount no later than 30 days following the notification, provided that Ofwat may not give such a notification in respect of any one of these Fees more than once in a Charging Year.
In this condition any determination by Ofwat of a fair proportion of an amount may only be made in accordance with a method which Ofwat has disclosed to the Appointee in writing.

**Annual General Fee**

The **Annual General Fee** is Ofwat's determination of a fair proportion of its estimate of costs incurred or likely to be incurred by it in the Charging Year in the carrying out of its functions under any enactment, provided that any such determination is subject to paragraph N13.

**Special Fee**

The **Special Fee** is Ofwat's determination of a fair proportion of its estimate of any costs incurred or likely to be incurred by it which:

N6.1 could have been included in the estimate used by it to determine the Annual General Fee for the Charging Year; and

N6.2 were not included in that estimate,

provided that any such determination is subject to paragraph N13.

(a) **Interim Determination Fee**

The **Interim Determination Fee** is an amount determined by Ofwat which represents its estimate of any costs incurred by it in the previous twelve months in relation to any Interim Determination which it is required to make.

**Consumer Council for Water Fee**

The **Consumer Council for Water Fee** is:

N8.1 Ofwat's determination of a fair proportion of its estimate of costs incurred or likely to be incurred by the Consumer Council for Water in the Charging Year in the carrying out of its functions under any enactment, provided that no such amount will exceed the amount calculated in accordance with paragraph N10; or
