8.3 In respect of the Appointed Business’s Retail Activities, the Water Services Regulation Authority shall determine (having regard to all the circumstances which are relevant in the light of the principles which apply by virtue of Part I of the Water Industry Act 1991 in relation to the Water Services Regulation Authority’s determinations, including, without limitation, any change in circumstance which has occurred since the last Periodic Review or which is to occur):

- (1) what is the appropriate nature, form and level of one or more Price Controls in respect of the relevant part or parts of the Appointed Business;
- (2) how the Appointee shall, in respect of each such Price Control applicable to it, demonstrate the compliance referred to in sub-paragraph 8.1; and
- (3) for how long each such Price Control in respect of the Appointee shall last (being a period of consecutive Charging Years).

#### 8.4

- (1) In respect of the Appointed Business's Water Resources Activities and Network Plus Water Activities except for those activities for which there are Excluded Charges, the Water Services Regulation Authority shall determine separate Price Controls in accordance with this sub-paragraph (having regard to all the circumstances which are relevant in the light of the principles which apply by virtue of Part I of the Water Industry Act 1991 in relation to the Water Services Regulation Authority's determinations including, without limitation, any change in circumstance which has occurred since the last Periodic Review or which is to occur).
- (2) In relation to Network Plus Water Activities, the Water Services Regulation Authority shall determine:
  - (a) one single Price Control in respect of the Appointed Business's Network Plus Water Activities, such Price Control consisting of, in each Charging Year:
    - (i) the percentage change (expressed, in the case of an increase, as a positive number, in the case of a decrease, as a negative number, and, in the case of no change, as zero) in the Relevant Index between that published for the month of November in the Prior Year and that published for the immediately preceding November; and

- (ii) a number, "K" which may be a positive number or a negative number or zero

which shall together be expressed as a percentage, and which shall limit the change in the charges to be levied by and/or revenue allowed to the Appointed Business in each Charging Year in respect of the activities concerned; and

- (b) how the Appointee shall, in respect of the Network Plus Water Activities Price Control applicable to it, demonstrate the compliance referred to in sub-paragraph 8.1.

- (3) In relation to Water Resources Activities, the Water Services Regulation Authority shall determine:

- (a) what is the appropriate nature, form and level of the Price Control in respect of the Water Resources Activities; and

- (b) how the Appointee shall demonstrate the compliance referred to in sub-paragraph 8.1 in respect of Water Resources Activities,

and in making any such determination will include an annual adjustment to reflect any percentage change in the Relevant Index between that published for the month of November in the Prior Year and that published for the immediately preceding November.

8.5 Each Price Control determined under sub-paragraph 8.3 pursuant to a Periodic Review shall be set for a period which shall be a number of Charging Years to be determined by the Water Services Regulation Authority, in conjunction with its determination pursuant to sub-paragraph 8.3, in each case starting on 1 April, with the first such period starting on 1 April 2015, provided that no such period shall exceed five consecutive Charging Years.

8.6 Each Price Control determined under sub-paragraph 8.4 pursuant to a Periodic Review shall be set:

- (1) for the five consecutive Charging Years starting on 1 April 2020; and

- (2) thereafter for each period of five consecutive Charging Years starting on the fifth anniversary of the first day of the period in respect of which the immediately preceding Periodic Review was carried out.

8.7 If, at any time after 1 April 2020, the Water Services Regulation Authority is unable to conduct a Periodic Review by 31 December in the Charging Year before the Review Charging Year, then:

- (1) in respect of Retail Activities, the previous determination pursuant to sub-paragraph 8.3 – in so far as that determination includes the matters decided under sub-paragraphs 8.3(1) and (2) – in respect of the final Charging Year of the period that was set in that previous determination pursuant to sub-paragraph 8.3(3), shall continue to apply for consecutive Charging Years until the next relevant determination under sub-paragraph 8.3 (or equivalent determination by the Competition and Markets Authority pursuant to paragraph 15) or the next relevant Interim Determination becomes effective;
- (2) in respect of Water Resources Activities and Network Plus Water Activities, the previous determination pursuant to sub-paragraph 8.4 in respect of the final Charging Year of the period that was set in that previous determination shall continue to apply for consecutive Charging Years until the next relevant determination under sub-paragraph 8.4 (or equivalent determination by the Competition and Markets Authority pursuant to paragraph 15) or the next relevant Interim Determination becomes effective;
- (3) the Water Services Regulation Authority shall conduct a Periodic Review as soon as reasonably practicable thereafter, provided that the Appointee has not given a relevant notice under paragraph 15.

8.8 Where there is a material change to the basis of compiling the Relevant Index, this Condition, in so far as it relates to that part of the calculation of any Price Control to which the Relevant Index is relevant, shall be modified in such a manner as the Water Services Regulation Authority, after prior consultation with the Appointee, may determine to be appropriate to take account of such change.

8.9 The Water Services Regulation Authority may, at its discretion, from time to time (whether pursuant to a Periodic Review in connection with a determination pursuant to sub-paragraph 8.3 or sub-paragraph 8.4, or at other times) designate any activity carried out as part of the Appointed Business as falling within:

- (i) Retail Activities (subject to the definition of "Retail Activities" in paragraph 2);
- (ii) Water Resources Activities (subject to the definition of "Water Resources Activities" in paragraph 2); or
- (iii) Network Plus Water Activities (subject to the definition of "Network Plus Water Resources Activities" in paragraph 2).

8.10 Where a designation is made under sub-paragraph 8.9 pursuant to a Periodic Review in conjunction with a determination pursuant to sub-paragraph 8.3 or sub-paragraph 8.4, that designation shall be treated for the purposes of sub-paragraph 15.1 as part of the determination.

8.11 Where a designation is made under sub-paragraph 8.9 otherwise than pursuant to a Periodic Review in conjunction with a determination pursuant to sub-paragraph 8.3 or sub-paragraph 8.4, that designation shall be treated for the purposes of sub-paragraph 15.1 as part of the next following determination in respect of the activity concerned.

9 Non Retail Charges Publication

9.1 The Appointee may from time to time be required to publish charges fixed for the purposes of demonstrating compliance with the Price Controls determined in respect of its Water Resources Activities and Network Plus Water Activities. Such requirement shall be made by way of a notice from the Water Services Regulation Authority to the Appointee specifying the information to be provided, the method of publication, the time by which publication is required (being a reasonable period of time) and the period for which the published charges are to be effective. The Appointee shall comply with the said requirement by notice and adhere to the charges accordingly published.

10 Periodic Reviews relating to the Appointed Business where a Termination Notice has been given

10.1 Where a Termination Notice has been given by the Secretary of State to the Appointee, the Appointee may refer to the Water Services Regulation Authority for determination by it the question whether, on the assumption that such a Termination Notice had not been given, (but subject thereto, having regard to all the circumstances which are relevant in the light of the principles which apply by virtue of Part I of the Water Industry Act 1991 in relation to the Water Services Regulation Authority's determination or determinations, including, without limitation any change in circumstance which has occurred since the most recent one or more Periodic Reviews or which is to occur), the Price Controls, and in the case of Retail Activities and Water Resources Activities, the nature, form and level of one or more Price Controls should be changed (and if so what change should be made to the relevant Price Control or Price Controls and, in the case of Retail Activities and Water Resources Activities, to the nature, form and level of the relevant Price Control or Price Controls) for one or more periods (as decided by the Water Services Regulation Authority) of consecutive Charging Years starting with the Charging Year starting 1 April last before the Termination Notice is to expire.

10.2 A reference to the Water Services Regulation Authority under this paragraph 10 shall be made by notice given to the Water Services Regulation Authority not earlier than 1

July and not later than 14 July in the Charging Year next but one before that commencing on the said 1 April.

### **Part 3A Performance Measure Adjustments**

11

- 11.1 This Part 3A applies where the Water Services Regulation Authority has notified the Appointee by 31 December in the Charging Year before the Review Charging Year that a Price Control determined under sub-paragraph 8.3 in respect of the Appointee's Retail Activities or sub-paragraph 8.4 in respect of the Appointee's Water Resources Activities or Network Plus Water Activities may be adjusted to reflect the Appointee's performance in relation to a specific Performance Commitment.
- 11.2 The Appointee may by notice to the Water Services Regulation Authority refer for a determination under this Part the question set out in sub-paragraph 11.5 or the Water Services Regulation Authority may make a determination under this Part of the question set out in sub-paragraph 11.5 on its own initiative.
- 11.3 Any such reference by the Appointee must be made no later than 15 August in the year before the first Charging Year for which any adjustment to a Price Control is sought.
- 11.4 Any such determination by the Water Services Regulation Authority must be made no later than 15 November in the year before the first Charging Year for which any adjustment to a Price Control would take effect.
- 11.5 Under this Part the Water Services Regulation Authority may determine the question of whether there should be a change to the revenue allowed under, or, as the case may be, the level of, any Price Control determined under sub-paragraph 8.3 in respect of the Appointee's Retail Activities or sub-paragraph 8.4 in respect of its Water Resources Activities or Network Plus Water Activities for the following and any subsequent Charging Year and, if so, the amount of such change.
- 11.6 The Appointee shall furnish to the Water Services Regulation Authority such Information as the Water Services Regulation Authority may reasonably require for the purpose of making a determination pursuant to this Part.

11.7 In making a determination pursuant to this Part, the Water Services Regulation Authority shall:

- (a) consider the Appointee's performance in relation to each relevant Performance Commitment in the period for which performance is being assessed and, in deciding for which Charging Year or Charging Years an adjustment to a Price Control should be made, shall consider both that and the Appointee's expected performance in the current year or one or more future years up to, but not including, the next Review Charging Year; and
- (b) take account of the adjustments to the relevant Price Control which the Water Services Regulation Authority notified to the Appointee under sub-paragraph 11.1 above in relation to each relevant Performance Commitment in question.

11.8 In this Part "**Performance Commitment**" means a target or other measure of the performance of the Appointee in relation to the carrying out of the Regulated Activities that the Water Services Regulation Authority has notified to the Appointee by 31 December in the Charging Year before the Review Charging Year or which is set by the Competition and Markets Authority following a determination under paragraph 15.

11.9 In this Condition references to a "**Price Control**" include a Price Control that has been changed in accordance with a determination made under this Part.

11.10 Where a notification of a Performance Commitment is made for the purposes of sub-paragraph 11.1, that notification shall be treated for the purposes of sub-paragraph 15.1 (regarding references to the Competition and Markets Authority) as part of the relevant determination made under sub-paragraph 8.3 or sub-paragraph 8.4.

#### Part IV. Interim Determinations

12 Matters of interpretation and construction which apply for the purposes of this Part IV

12.1 In this Part of this Condition:

"**the Appropriate Discount Rate**" means such rate of return as, at the time at which the Appropriate Discount Rate falls to be applied from time to time under this Condition, investors and creditors would reasonably expect of a properly managed

company holding the Appointment whose sole business consists of being a water undertaker and, without excluding other considerations which may also be relevant, having its equity share capital listed on The London Stock Exchange, and the same Appropriate Discount Rate shall be applied for all purposes in determining questions the subject of the same reference (including questions determined by the Water Services Regulation Authority under paragraph 14 when it determines questions referred to it by the Appointee under paragraph 13);

"**equity share capital**" has the same meaning as in the Companies Act 2006;

"**making a Relevant Determination**" means, as regards each Price Control to which an Interim Determination relates or is to relate, making one or more determinations pursuant to sub-paragraph 8.3 or sub-paragraph 8.4, pursuant to a Periodic Review, as to that Price Control, or making any subsequent Interim Determination as to whether the level of that Price Control should be changed (and, if so, what change should be made to the level of the Price Control or Price Controls), and "**Relevant Determination**" shall be construed accordingly;

"**Net Present Value**" means the net present value calculated as at 30 September in the year in which the relevant Reference Notice is given or, where in any year no Reference Notice is given under paragraph 13 but the Water Services Regulation Authority gives a notice to the Appointee under paragraph 14, as at 30 September in the year in which the Water Services Regulation Authority gives the notice, by discounting subsequent cash flows and inflating earlier cash flows at the Appropriate Discount Rate, assuming all cash flows in any Charging Year occur on 30 September in that Charging Year;

a "**Notified Item**" is any item notified by the Water Services Regulation Authority to the Appointee as not having been allowed for (either in full or at all) in making a Relevant Determination; and for the purpose of this definition:

- (a) where any such item was not allowed for in full then it shall only be a Notified Item to the extent that it was not allowed for; and
- (b) where, in determining whether the Relevant Determination should be changed (and if so what change should be made to it), the Water Services Regulation

Authority, or, as the case may be, the Competition and Markets Authority, allows for any such item as was previously so notified by the Water Services Regulation Authority then references in this Condition to Notified Items and Relevant Items shall be taken, for the purposes of any subsequent Interim Determination, to exclude such item to the extent that the Water Services Regulation Authority, or, as the case may be, the Competition and Markets Authority, allowed for it as aforesaid;

a "**Relevant Change of Circumstance**" is any of the following:

- (1)
  - (a) the application to the Appointee of any legal requirement; and
  - (b) any change to any legal requirement which applies to the Appointee (including any legal requirement ceasing to apply, being withdrawn or not being renewed);
- (2) either of the following circumstances for any Charging Year in respect of which the Secretary of State, or, as the case may be, the Water Services Regulation Authority, notified the Appointee that variations in value received or expected to be received from Relevant Disposals of Land shall constitute a Relevant Change of Circumstance:
  - (a) where for any Charging Year the value received or expected to be received from a Relevant Disposal of any Identified Land is, or is expected to be, different from the value which the Secretary of State, or, as the case may be, the Water Services Regulation Authority, notified the Appointee was the value attributable to a Relevant Disposal of that Identified Land for that Charging Year which had been allowed for in making a Relevant Determination; or
  - (b) where for any Charging Year, and to the extent not taken into account under (a) above, the aggregate value received or expected to be received from Relevant Disposals of Non-identified Land is, or is expected to be, different from the value which the Secretary of State, or, as the case may be, the Water Services Regulation Authority, notified the Appointee was the value attributable to Relevant Disposals

of Non-identified Land for that Charging Year which had been allowed for in making a Relevant Determination;

and so that any notification by the Water Services Regulation Authority for the purposes of this sub-paragraph (2) shall be relevant for the purposes of this sub-paragraph (2) to the exclusion of any earlier notification by the Secretary of State or the Water Services Regulation Authority for the purposes of this sub-paragraph (2) to the extent that the first-mentioned notification is made in respect of matters in respect of which that earlier notification was made.

For the purposes of this sub-paragraph (2):

- (i) "**Identified Land**" means any piece or parcel of protected land identified in any such notification referred to in (a) above as is relevant for the time being for the purposes of this sub-paragraph (2) as being included in that notification, not being, or being part of, a piece or parcel of land which has previously been the subject of a transfer under paragraph 7 of Condition K;
- (ii) "**land**" includes any interest or right in or over land;
- (iii) "**Non-identified Land**" means any piece or parcel of protected land, not being, or being part of:
  - (A) a piece or parcel of protected land identified in any such notification referred to in (a) above as is relevant for the time being for the purposes of this sub-paragraph (2); or
  - (B) a piece or parcel of protected land which has previously been the subject of a transfer under paragraph 7 of Condition K;
- (iv) "**protected land**" and "**disposal**" have the meanings respectively given to them in section 219 of the Water Industry Act 1991;
- (v) a "**Relevant Disposal**" means and includes any disposal by the Appointee;

- (vi) a "**Relevant Disposal of Land**" means and includes a Relevant Disposal of Identified Land and a Relevant Disposal of Non-identified Land;
  - (vii) "**value**" includes value of any kind including, without limitation, cash, the value of real or personal property or any interest in such property, the value of any right or benefit (actual or prospective) and the value of any release, in whole or in part, of any obligation or claim, provided that to the extent that any property, right or benefit shall consist of a right to receive cash or any other asset then no value shall be attributed to that property, right or benefit but the cash or other asset the subject thereof shall be included and treated as value received or expected to be received in the Charging Year in which it is received or expected to be received;
  - (viii) references to "**value received or expected to be received**" shall be construed so as to include receipts by, and grants to, the Appointee, any Associated Company or any other business in which either the Appointee or any Associated Company has a material direct or indirect interest;
  - (ix) in the case of a right or benefit, but subject to the proviso to (vii) above, value shall be deemed to have been received at the time the right is granted or the benefit arises;
- (3) where:
- (i) in making a Relevant Determination, an amount has been allowed for on account of steps taken or to be taken for the purpose of securing or facilitating compliance with a legal requirement (not being one to comply with which the Appointee has determined to make a change to the basis on which it charges customers for water supply services) or achieving a service standard adopted or to be adopted by the Appointee; and
  - (ii) in any such case:

- (A) the Appointee has not taken (by the date by which it was assumed for the purposes of assessing the amount allowed for as aforesaid it would take those steps) any or all of those steps which, for the purpose of assessing the amount allowed for as aforesaid, it was assumed it would take; and
- (B) as a result, the amount allowed for as aforesaid is substantially greater than the sum of (a) the costs (if any) actually incurred by the Appointee for the relevant purpose specified in (i) above and (b) so much (if any) of that amount as has been otherwise offset by prudent management of the capital programme; and
- (C) that purpose has not been otherwise achieved;

a "**Relevant Item**" is any of the following:

- (1) A Relevant Change of Circumstance (other than a Relevant Change of Circumstance falling within sub-paragraph (2) of the definition);
- (2) A Notified Item; and
- (3) A Relevant Disposal of Land

and references to a Relevant Item are to a Relevant Change of Circumstance (other than a Relevant Change of Circumstance falling within sub-paragraph (2) of the definition), a Notified Item or a Relevant Disposal of Land as the context may require.

12.2 In the definition of a "Relevant Change of Circumstance" and for the purpose of that definition:

- (1) a "**legal requirement**" is any of the following:
  - (a) any enactment or subordinate legislation to the extent that it applies to the Appointee in its capacity as a water undertaker (and for this purpose, but without prejudice to the generality of the foregoing, "subordinate legislation" includes any order made under section 18 of the Water Industry Act 1991, and any authorisation granted, approval

given, or prohibition imposed, by the Secretary of State under The Water Supply (Water Quality) Regulations 2016);

- (b) any regulation made by the Council or the Commission of the European Union to the extent that it applies to the Appointee in its capacity as a water undertaker, or decision taken by the said Commission which is binding on the Appointee in its capacity as a water undertaker and to the extent that it is so binding;
- (c) any licence, consent or authorisation given or to be given by the Secretary of State, the Environment Agency or other body of competent jurisdiction to the Appointee for the purpose of carrying on any of the functions of a water undertaker;
- (d) any undertaking given by the Appointee to, and accepted by, the Secretary of State or, as the case may be, the Water Services Regulation Authority for the purposes of section 19(1)(b) of the Water Industry Act 1991;
- (e) other than any such undertaking as is referred to in (d), any undertaking given by the Appointee to any enforcement authority, and accepted by that enforcement authority, to take all such steps:
  - (i) as are specified by that enforcement authority to be necessary or appropriate for the Appointee to take for the purpose of securing or facilitating compliance with any legal requirement in relation to which that enforcement authority is the enforcement authority; or
  - (ii) the taking of which is specified by that enforcement authority to be a condition or requirement of granting or renewing any such licence, consent or authorisation as is referred to in (c) or agreeing not to withdraw the same;
- (f) the Conditions of these Appointments; and

- (g) any interpretation of law, or finding, contained in any judgment given by a court or tribunal of competent jurisdiction in respect of which the period for making an appeal has expired which requires any legal requirement falling within (a) to (f) above to have effect in a way;
  - (i) different to that in which it previously had effect; or
  - (ii) different to that in which it was taken to have effect:
    - (A) for the purpose of making a Relevant Determination or, as the case may be,
    - (B) in determining whether a Relevant Determination should be changed

but so that nothing in sub-paragraphs (a) to (g) above shall apply so as to include:

- (i) any such legal requirement as is referred to in section 41 of the Environment Act 1995, or
- (ii) that section

to the extent in either case that they require the Appointee to pay fees or charges to the relevant enforcement authority; and

- (2) "**enforcement authority**" means any person or body having jurisdiction to enforce or to take action under or in respect of the relevant legal requirement.

12.3 In paragraph 13 and in the definition of a "Relevant Change of Circumstance":

- (1) references to costs include references to expenditure and loss of revenue and references to costs being incurred include references to expenditure being made and loss of revenue being suffered;
- (2) references to receipts include references to receipts, cash or other assets of any sort, whether of a capital or revenue nature and including receipts of grants, contributions, gifts and loans; and

- (3) without prejudice to sub-paragraph (1) above, "Operating Expenditure" in sub-paragraph 13.2(6) includes third party services as defined in pro forma A7 and A8 of the Water Services Regulation Authority's Regulatory Accounting Guideline 3.07. For the avoidance of doubt, depreciation, the write-down/off of assets, the profits/loss on disposal of assets and infrastructure renewals expenditure or charges are excluded.
- 12.4 (1) For the purposes of sub-paragraph 13.2(1) costs, receipts and savings shall be ascertained at the general price level prevailing, or expected to prevail, on 30 September in the year in which the Appointee gives notice under sub-paragraph 13.1, or the Water Services Regulation Authority gives notice under sub-paragraph 14.1.
- (2) In sub-paragraphs 13.2(8) and 13.2(9) and sub-paragraph (3) below "**at Outturn Prices**", in relation to the amount of any Base Cash Flow or depreciation, means that amount as adjusted to take account of the actual or expected cumulative percentage change in the Relevant Index from that prevailing, or expected to prevail, on 30 September in the year in which the Appointee gives notice under sub-paragraph 13.1, or the Water Services Regulation Authority gives notice under sub-paragraph 14.1, up to and including that prevailing, or expected to prevail, on 30 September in the year in which the Base Cash Flow or depreciation occurred, or is expected to occur.
- (3) In sub-paragraph 13.2(8) "**Current Value**", in relation to any Base Cash Flow or depreciation at Outturn Prices, means that amount, as adjusted to take account of the actual or expected cumulative percentage change in the Relevant Index from 30 September in the year in which that Base Cash Flow or depreciation occurred or is expected to occur, up to and including 30 September in the relevant year.
- 12.5 For the purpose of section 13(5)(b) of the Water Industry Act 1991, the provisions of this Condition, to the extent that they relate to a Relevant Change of Circumstance falling within sub-paragraph (2) of that definition, are provisions of the Appointments which cannot be modified. This sub-paragraph shall cease to have effect if, but only

if, this Condition ceases to contain any provision relating to changes to the Relevant Determination to allow for Notified Items and Relevant Changes of Circumstance.

13 References to the Water Services Regulation Authority relating to Notified Items and Relevant Changes of Circumstance and circumstances having a substantial effect on the Appointed Business

13.1 The Appointee may from time to time refer to the Water Services Regulation Authority for determination by it (having considered the proposals of the Appointee) the questions set out in sub-paragraph 13.2 or, as the case may be, sub-paragraph 13.3. Such reference shall be made by notice given to the Water Services Regulation Authority, which, in the case of the questions set out in sub-paragraph 13.2, shall be given in accordance with sub-paragraph 13.4. For the purposes of sub-paragraph 13.2 a single reference may be made in respect of any number of Notified Items and Relevant Changes of Circumstance and sub-paragraph 13.2 shall be construed accordingly.

13.2 In the case of a Notified Item or where there has been or is to be a Relevant Change of Circumstance all of the following:

- (1) what are, or are likely to be, the costs, receipts and savings reasonably attributable to the Relevant Item and also, in the case of a Relevant Change of Circumstance falling within sub-paragraph (2) of the definition, the costs, receipts and savings reasonably connected with the Relevant Disposal of Land;
- (2) except in the case of a Relevant Change of Circumstance falling within sub-paragraph (2) of the definition, to what extent:
  - (a) are the costs determined under (1) reasonably recoverable through charges for services provided, functions carried out by, and other activities of, the Appointee in its capacity as a water undertaker which are not Standard Charges for water supply (not being Excluded Charges);

- (b) in the case of receipts and savings, is the Relevant Item relevant to services provided, functions carried out by, and other activities of, the Appointee as a water undertaker which are not water supply in respect of which the Appointee makes Standard Charges (not being Excluded Charges)

and where it is determined that such costs are reasonably recoverable as aforesaid or, as the case may be, that the Relevant Item is relevant as aforesaid, either in full or to an extent, then references hereafter to costs, receipts and savings reasonably attributable to a Relevant Item are to those costs, receipts and savings except to that extent;

- (3) both of the following:
  - (a) what costs reasonably attributable to, or connected with, the Relevant Item as determined under (1) and what timing of incurring of such costs are appropriate and reasonable for the Appointee in all the circumstances to incur and programme, or, as the case may be, to have incurred and programmed, by reason of the Relevant Item; and
  - (b) what receipts and savings reasonably attributable to, or connected with, the Relevant Item as determined under (1) and what timing of such receipts and savings is appropriate and reasonable for the Appointee in all the circumstances to achieve and programme or, as the case may be, to have achieved and programmed, by reason of the Relevant Item

and for the purpose of determining the separate amounts under (a) and (b), but without prejudice to the generality of the foregoing:

- (i) no account shall be taken of:
  - (A) any trivial amounts;
  - (B) any costs, to the extent that they would have been, or would be, avoided by prudent management action taken since the transfer date (and for this purpose what constitutes "prudent management action" shall be

assessed by reference to the circumstances which were known or which ought reasonably to have been known to the Appointee at the relevant time);

- (C) any savings achieved by management action taken since the transfer date over and above those which would have been achieved by prudent management action (and for this purpose what constitutes "prudent management action" shall be assessed by reference to the circumstances at the relevant time); or
  - (D) any amounts attributable to matters allowed for in making a Relevant Determination, except to the extent that such amounts otherwise fall to be taken into account as amounts reasonably attributable to, or connected with, the Relevant Item under this sub-paragraph (3) and sub-paragraph (1) by virtue of the definition of a Notified Item and a Relevant Change of Circumstance; and
- (ii) in the case of a Relevant Change of Circumstance falling within sub-paragraph (1) of the definition, regard shall be had to whether either:
- (a) the Secretary of State has notified the Water Services Regulation Authority of any change of policy, concerning any environmental or water-quality standard, which has been made since the last Relevant Determination; or
  - (b) the Appointee has itself given notice to the Water Services Regulation Authority of the application to it of, or any change to, any legal requirement, before referring that legal requirement to the Water Services Regulation Authority under sub-paragraph 13.1;

- (4) having determined under (3) the separate amounts of costs and of receipts and savings in respect of each Relevant Item, what are the annual cash flows thereof (costs being netted off against the amount of receipts and savings for this purpose) over each Charging Year included in the timing determined under (3) (those annual cash flows being hereinafter referred to as "**the Base Cash Flows**");
- (5) what is the annual aggregate of:
- (a) one half of the Base Cash Flows in respect of Relevant Changes of Circumstance falling within sub-paragraph (2) of that definition; and
  - (b) the Base Cash Flows in respect of all other Relevant Changes of Circumstance and Notified Items
- in both cases the subject of the notice or notices under sub-paragraph 13.4 or sub-paragraph 14.1;
- (6) (a) where any part of an annual aggregate derived under sub-paragraph (5) consists of items to which (b) below does not apply, what is the Net Present Value of that part of the annual aggregate, calculated up to the start of the first of the Charging Years for which the next Periodic Review falls to be carried out;
- (b) where any part of the annual aggregate derived under sub-paragraph (5) consists of revenue and/or Operating Expenditure, what is the Net Present Value of that part of the annual aggregate, calculated over 15 years; and
- (c) what is the aggregate of the Net Present Values calculated under (a) and (b) ("**the Materiality Amount**");
- (7) is the Materiality Amount equal to or does it exceed ten per cent of the turnover attributable to the Appointed Business in the latest financial year for which accounting statements have been prepared and delivered to the Water Services Regulation Authority under Condition F, as shown by those

accounting statements, and for this purpose where the Materiality Amount is a negative figure it shall be treated as though it were a positive figure;

- (8) if so, for each year, ("**the relevant year**") until the first of the Charging Years for which the next Periodic Review falls to be carried out (having regard to any Review Notice or Reference Notice which has been given at the time when the reference is made),
- (a) what are the following amounts:
- (i) all Base Cash Flows at Outturn Prices attributable to the creation or acquisition of depreciable assets ("**Allowable Capital Expenditure**");
  - (ii) all the Base Cash Flows at Outturn Prices (save in respect of Relevant Changes of Circumstance falling within subparagraph (2) of that definition, where one half of the Base Cash Flow at Outturn Prices shall be used) attributable to the creation, acquisition or disposal of non-depreciable assets ("**Allowable Infrastructure Asset Expenditure**");
  - (iii) all other Base Cash Flows at Outturn Prices ("**Other Allowable Expenditure**");
  - (iv) the sum of the Current Value of all Allowable Capital Expenditure occurring up to and including the relevant year, divided by the weighted average expected life of the assets attributable to that Allowable Capital Expenditure at the time those assets were or are expected to be created or acquired ("**Allowable Depreciation**");
  - (v) the sum of the Current Value of all Allowable Capital Expenditure occurring up to and including the relevant year less the sum of the Current Value of all Allowable Depreciation occurring up to and including the relevant year ("**Allowable Net Asset Value**");

(vi) the sum of the Current Value of all Allowable Infrastructure Asset Expenditure occurring up to and including the relevant year ("**Allowable Infrastructure Asset Value**");

(vii) the Appropriate Discount Rate, adjusted so as to exclude any allowance for changes in the Relevant Index, multiplied by the sum of:

(A) the Allowable Net Asset Value for the relevant year;  
and

(B) the Allowable Infrastructure Asset Value for the relevant year;

("the **Allowable Return**"); and

(b) what is the sum of:

(i) Other Allowable Expenditure;

(ii) Allowable Depreciation; and

(iii) the Allowable Return;

(the "**Annual Allowable Amount**")

(9) what change to the level of Price Control or Price Controls—over the period beginning from the first of the Charging Years referred to in sub-paragraph 13.4(1) (in any case where a Reference Notice has been given in respect of sub-paragraph 13.2) or sub-paragraph 14.1(1) (in any other case) until the first of the Charging Years for which the next Periodic Review falls to be carried out (having regard to any Review Notice or Reference Notice which has been given at the time when the reference is made) ("**the Relevant Period**") is most likely to allow, or, as the case may be, require, the Appointee to make such charges over the Relevant Period ("**Adjusted Charges**"), in such a manner as to secure that the increase, or, as the case may be, the decrease, in revenue attributable to the making of Adjusted Charges would, in each year of the Relevant Period, be equal to:

(i) the Annual Allowable Amount for that year,

plus

(ii) where Base Cash Flows at Outturn Prices have occurred prior to the first year of the Relevant Period, the amount, which, calculated as a constant annual amount over the Relevant Period, would result in the sum of the Net Present Values of these amounts equalling the sum of the Net Present Values of the Annual Allowable Amounts for each of the years prior to the Relevant Period.

13.3 All of the following:

- (1) whether any circumstance (other than a Relevant Change of Circumstance) has occurred which has or will have:
  - (a) a substantial adverse effect on the Appointed Business or on its assets, liabilities, financial position, or profits or losses, not being one which would have been avoided by prudent management action taken since the transfer date; or
  - (b) a substantial favourable effect on the Appointed Business, or on its assets, liabilities, financial position, or profits or losses, being one which is (i) fortuitous and (ii) not attributable to prudent management action; and
- (2) if so, what change should be made to the level of Price Control or Price Controls.

For this purpose:

- (i) what constitutes "prudent management action" shall be assessed by reference to the circumstances which were known or which ought reasonably to have been known to the Appointee at the relevant time;
- (ii) an effect shall not be regarded as a substantial adverse effect or a substantial favourable effect in any case unless, if the questions set out in sub-paragraph 13.2 were to be asked in relation to the circumstance giving rise to it, the

answer to that in 13.2(7) (taking the reference in it to ten per cent as a reference to twenty per cent) would be in the affirmative.

13.4 A Reference Notice given to the Water Services Regulation Authority in respect of sub-paragraph 13.2 shall contain or be accompanied by reasonable details of the Relevant Item in respect of which the Reference Notice is given and, unless the Water Services Regulation Authority otherwise consents, shall be given not later than:

- (1) the fifteenth day of September immediately preceding the first of the Charging Years in respect of which the Appointee wishes the change to the level of Price Control or Price Controls to take effect; or
- (2) if later, where the Water Services Regulation Authority has given a notice to the Appointee under sub-paragraph 14.1 in respect of the same Charging Year, within fourteen days from the receipt by the Appointee of that notice.

14 Changes to the level of a Price Control or Price Controls initiated by the Water Services Regulation Authority relating to Notified Items and Relevant Changes of Circumstance and circumstances within sub-paragraph 13.3(1)(b)

14.1 In the case of a Notified Item or where any Relevant Change of Circumstance has occurred or is to occur, the Water Services Regulation Authority may, having given notice to the Appointee specifying the Notified Item or, as the case may be, the Relevant Change of Circumstance, of its intention so to do not later than:

- (1) the fifteenth day of September immediately preceding the first of the Charging Years in respect of which it proposes the change to the level of a Price Control or Price Controls to take effect; or
- (2) if later, where the Appointee has given a Reference Notice to the Water Services Regulation Authority in respect of sub-paragraph 13.2 and falling within sub-paragraph 13.4(1) in respect of the same Charging Year, within fourteen days from the receipt by the Water Services Regulation Authority of that Reference Notice

determine the questions set out in sub-paragraph 13.2 in respect of that Notified Item or, as the case may be, that Relevant Change of Circumstance. A single notice may be

given under this sub-paragraph 14.1 in respect of any number of Notified Items and Relevant Changes of Circumstance and sub-paragraph 13.2 shall be construed accordingly.

14.2 Where sub-paragraph 13.4(2) or 14.1(2) applies, the questions set out in (5) to (9) inclusive of sub-paragraph 13.2 shall be determined in respect of all Notified Items and Relevant Changes of Circumstance in respect of which the Appointee and the Water Services Regulation Authority have given notice, taken as a whole.

14.3 In the case of sub-paragraph 13.3, the Water Services Regulation Authority shall give notice to the Appointee of its intention to determine the questions set out in sub-paragraph 13.3(1)(b) and (2).

Part V. References to the Competition and Markets Authority

15 References to the Competition and Markets Authority

15.1 Where:

- (1) pursuant to paragraph 8 or following a reference under paragraph 10, the Water Services Regulation Authority has not given notice to the Appointee of its determination or determinations within one year from the Review Notice Date(s) or, in the case of a reference under paragraph 10, within one year from the date of the relevant Reference Notice;
- (2) following a reference under paragraph 13, the Water Services Regulation Authority has not given notice to the Appointee of its determinations (including any determinations under paragraph 14 which fall to be taken into account in determining the questions the subject of the reference under paragraph 13) within 3 months from the date of the relevant Reference Notice;  
or
- (3) the Appointee disputes any determination made by the Water Services Regulation Authority under sub-paragraph 8.3 or sub-paragraph 8.4 or any Interim Determination made by the Water Services Regulation Authority under Part IV of this Condition,

the Appointee may, by notice given to the Water Services Regulation Authority within:

- (a) 13 months from the Review Notice Date or, in the case of a reference under paragraph 10, from the date of the relevant Reference Notice (in the cases referred to in sub-paragraph (1));
- (b) 4 months from the date of the relevant Reference Notice (in the case referred to in sub-paragraph (2)); or
- (c) 2 months from the date on which the Water Services Regulation Authority gives notice of its relevant determination or determinations to the Appointee (in the case referred to in sub-paragraph (3))

require the Water Services Regulation Authority to refer to the Competition and Markets Authority for determination (such determination to be effective as if made by the Water Services Regulation Authority) by it:

- (i) in any case referred to in sub-paragraph (1) or (2), the relevant question or questions (including, where relevant, the questions in respect of any Notified Item or Relevant Change of Circumstance the subject of a notice under paragraph 14); or
- (ii) in any case referred to in sub-paragraph (3), the disputed determination.

15.2 Where the Appointee requires the Water Services Regulation Authority to make a reference to the Competition and Markets Authority under sub-paragraph 15.1 in the case referred to in section (3) of that sub-paragraph, the Appointee shall levy charges in a way best calculated to comply with the Price Control or Price Controls determined by the Water Services Regulation Authority as if a reference had not been made until the Competition and Markets Authority makes its determination following such reference. The determination made by the Competition and Markets Authority shall then take effect as if it had been made by the Water Services Regulation Authority.

15.3 Where after 1 April 2019 the Appointee requests the Water Services Regulation Authority to make a reference to the Competition and Markets Authority in respect of

any determination under sub-paragraph 8.3 concerning Retail Activities, or under sub-paragraph 8.4 concerning Water Resources Activities or Network Plus Water Activities, such reference must comprise all such determinations made under sub-paragraphs 8.3 or 8.4 at the same time relating to the Appointee.

- (1) ...
- (2) not later than 30 September immediately following the date of the Reference Notice (in the case of a reference under paragraph 10);
- (3) at the time when it gives the relevant Reference Notice to the Water Services Regulation Authority (in the case of a reference under paragraph 13 falling within sub-paragraph 13.4(1));
- (4) as soon as reasonably practicable and in any event not later than the expiry of one month from the date of the Water Services Regulation Authority's notice to the Appointee under paragraph 14 (in the case of such a notice, including the case of a reference under paragraph 13 falling within sub-paragraph 13.4(2))

such Information as the Appointee reasonably believes is necessary or, as the case may be, as the Water Services Regulation Authority may reasonably require in its said notice, to enable the Water Services Regulation Authority to make its determination. The Appointee shall also furnish to the Water Services Regulation Authority as soon as reasonably practicable such further Information as the Water Services Regulation Authority may from time to time by notice to the Appointee reasonably require to make its determination.

17.2 The Appointee shall also furnish to the Water Services Regulation Authority from time to time when so requested by the Water Services Regulation Authority such

Information as the Water Services Regulation Authority may reasonably require to decide whether or not to make determinations under paragraph 14.

17.3 Any Information furnished to the Water Services Regulation Authority under this paragraph 17 or under paragraph 8 shall, if the Water Services Regulation Authority so requires to make its determination, be reported on by a person appointed by the Appointee and approved by the Water Services Regulation Authority (such approval not to be unreasonably withheld) ("**the Reporter**").

17.4 The Appointee shall enter into a written contract of engagement with the Reporter which shall:

- (1) where such a report is required by the Water Services Regulation Authority under sub-paragraph 17.3, require the Reporter to prepare and furnish to the Water Services Regulation Authority, and separately to the Appointee, a written report addressed jointly to the Water Services Regulation Authority and the Appointee in form and substance such as may be specified by, or consistent with any guidelines specified by, the Water Services Regulation Authority at the time when it requires the report to be furnished, the matters so specified being reasonably appropriate to enable the Water Services Regulation Authority to make its determination (to the extent that the Information in respect of which that report is required to be prepared and furnished is relevant to that determination); and
- (2) include a term that the Reporter will provide such further explanation or clarification of his report as the Water Services Regulation Authority may reasonably require and such further Information in respect of, or verification of, the matters which are the subject of his report as the Water Services Regulation Authority may reasonably require.

The contract of engagement may also include provisions requiring the Reporter, his employees and agents to keep confidential and not to disclose, except to the Water Services Regulation Authority or as required by law, any information which the Reporter obtains in the course of preparing his report.

17.5 The Appointee shall co-operate fully with the Reporter to enable him to prepare his report, including without limitation, so far as is necessary for that purpose:

- (1) subject to reasonable prior notice to the Appointee, giving to the Reporter access at reasonable hours to any Relevant Plant and to any premises occupied by the Appointee in relation to the Appointed Business; and
- (2) subject to reasonable prior notice to the Appointee, allowing the Reporter at reasonable hours:
  - (a) to inspect and make photocopies of, and take extracts from, any books and records of the Appointee maintained in relation to the Appointed Business;
  - (b) to carry out inspections, measurements and tests on or in relation to any such premises or Relevant Plant; and
  - (c) to take on to such premises or on to or in to any Relevant Plant such other persons and such equipment as may be necessary for the purposes of preparing and completing his report.

17.6 Nothing in sub-paragraph 17.5 shall require the Appointee:

- (1) to do anything which is outside its reasonable control; or
- (2) to do, or to allow the Reporter to do, anything which would materially disrupt the Appointee's business (unless it is essential that that thing be done to enable the Reporter to prepare his report).

17.7 In sub-paragraphs 17.4 and 17.5:

- (1) references to the Reporter include references to his employees and agents; and
- (2) "**Relevant Plant**" means any plant used by the Appointee for the purpose of carrying out the Regulated Activities including, without limitation, water mains and other pipes and their accessories.

Part VII. Developing the Price Controls

18

- 18.1 The Appointee will use all reasonable endeavours to work with the Water Services Regulation Authority, subject to the Appointee's legal duties and obligations, in a constructive and cooperative manner on the development of the Price Controls so that they might be appropriately targeted or operated more effectively in respect of specific activities undertaken as part of the Appointed Business.

Part VIII. Price Controls in effect before 1 April 2020

19

- 19.1 The provisions of Condition B of this instrument in the form that had effect immediately prior to 15 April 2017 shall continue to have effect in respect of the Price Controls set for a period ending before 1 April 2020 and in respect of the making of any Interim Determinations to set any such Price Controls.
- 19.2 In the event that the Water Services Regulation Authority is, in respect of the Appointed Business, unable to determine Price Controls, for the period or periods starting on 1 April 2020, under sub-paragraph 8.3 and sub-paragraph 8.4 of this Condition B by 31 December 2019, the provisions of Condition B in the form that had effect immediately prior to 15 April 2017 shall continue to have effect in respect of the Price Controls until such time as a determination under sub-paragraph 8.3 and sub-paragraph 8.4 of the current Condition B is made and takes effect.
- 19.3 In relation to the determination of a Price Control in respect of the Appointed Business's Network Plus Water Activities for the period starting on 1 April 2020, sub-paragraph 8.4(2)(a) of this Condition B shall, for the avoidance of doubt, have effect as if it allowed the determination of a Price Control that includes an amount in relation to the Charging Year starting on 1 April 2020 that has effect as if it was the revenue allowed to the Appointed Business in respect of the activities concerned for the Charging Year starting on 1 April 2019.

Part IX Changes to the Revenue Forecasting Incentive formula

- 20 The formula notified to the Appointee for the purposes of sub-paragraph 8.1A of this Condition in relation to the Charging Years beginning on 1 April 2021, 1 April 2022,

1 April 2023 and 1 April 2024 shall have effect as if the definition of TBYA (the blind year adjustment to be announced by Ofwat) provided that the adjustment will be based on the items listed in the definition and the difference between the Appointee's forecast and actual performance for the Charging Year beginning on 1 April 2019 in relation to the revenue adjustments arising from the totex menu model applied in relation to Price Controls for the five consecutive Charging Years beginning on 1 April 2015.

## **Condition C: Infrastructure Charges**

### 1 Interpretation

In this Condition:

- 1.1 "**Infrastructure Charge**" means a Water Infrastructure Charge or a Sewerage Infrastructure Charge;
- 1.2 "**House**" means any building or part of a building which is occupied as a private dwelling house or which, if unoccupied, is likely to be so occupied and, accordingly, includes a flat;
- 1.3 "**Common Billing Agreement**" means an agreement between the Appointee and any other person under which that person has undertaken to pay, on terms agreed between them, charges for water supply or sewerage services, or both, in respect of two or more Houses which have a common Supply Pipe and which, in any case where that agreement relates to one of those services only, are also subject to a similar agreement for common billing between that person and the undertaker providing the other service;
- 1.4 "**Relevant Multiplier**" means a number (which may be one or more or less than one) calculated in the manner set out in the Appendix to this Condition;
- 1.5 "**Standard Amount**", in relation to any Infrastructure Charge, means the amount of that charge specified in sub-paragraph 2.1.3, as adjusted pursuant to sub-paragraph 2.2 (in respect of any Charging Year starting on or after 1 April 1996);
- 1.6 "**Supply Pipe**" means any part of a service pipe which a water undertaker could not be, or have been required to lay under section 46 of the Water Industry Act 1991; and
- 1.7 references to a connection are to such a connection as is mentioned in section 146(2)(a) of the Water Industry Act 1991.

### 2 Level of Infrastructure Charges

2.1 Subject to the following provisions of this Condition, in respect of each Charging Year starting on or after 1 April 1995, the amount of any Infrastructure Charge shall be -

2.1.1 in the case of a House subject to a Common Billing Agreement, the Standard Amount multiplied by the Relevant Multiplier for that house;

2.1.2 in the case of premises which do not consist in a House or Houses and to which water is provided by a Supply Pipe with an internal diameter larger than the standard size for the time being adopted by the Appointee for new connections of Houses, the Standard Amount multiplied by the Relevant Multiplier for those premises; and

2.1.3 in the case of any other premises -

Water Infrastructure Charge £200

Sewerage Infrastructure Charge £200

2.2 In respect of each Charging Year starting on or after 1 April 1996 -

2.2.1 the amounts specified in sub-paragraph 2.1.3 shall be adjusted by the percentage of any change in the Retail Prices Index between that published for the month of November in the Prior Year and that published for November 1994; and

2.2.2 where there is a material change to the basis of compiling the Retail Prices Index this Condition, in so far as it relates to that part of the calculation of the Standard Amount to which the Retail Prices Index is relevant, shall be modified in such manner as the Water Services Regulation Authority, after prior consultation with the Appointee, may determine to be appropriate to take account of such change.

3

3.1 Subject to sub-paragraph 3.2, where an amount has been paid or agreed to be paid to the Appointee on account of works which have been allowed for in determining the limits on Infrastructure Charges under the Appointment, that amount shall, to the extent that it is actually paid and is referable to a connection, count towards the level of charge for that connection under paragraph 2.

3.2 Where any such amount referable to a connection is greater than the level of charge for that connection under paragraph 2, nothing in this Condition shall preclude the Appointee from retaining or recovering the greater amount.

4 Where, prior to 1 April 1990 the Appointee has entered into an agreement under which a person has agreed to pay an amount in respect of works referable to a connection and that amount is greater than the amount which would otherwise be charged pursuant to paragraph 2, nothing in this Condition shall preclude the Appointee from recovering the greater amount.

5

5.1 Subject to sub-paragraph 5.2, where a site is developed or redeveloped (including by means of conversion of a building or buildings on it) the total amount of Water Infrastructure Charges or, as the case may be, Sewerage Infrastructure Charges which may be recovered in respect of Houses and other premises on the site resulting from the development or redevelopment shall not exceed the Standard Amount multiplied by X, where X equals -

- (1) the aggregate of the Relevant Multipliers for all those premises less
- (2) the maximum number of premises with water or, as the case may be, sewerage connections on the site at any time in the period of 5 years before the development or redevelopment began.

5.2 For the purpose of calculating the amount of the limit imposed by this paragraph -

- (a) each premises to which sub-paragraph 2.1.3 applies shall be deemed to have a Relevant Multiplier of 1; and
- (b) where, by virtue of paragraph 3 or 4 of this Condition, the Appointee would be permitted to charge more in respect of any premises resulting from the development or redevelopment than the level otherwise applying under paragraph 2, the limit shall be increased by the amount of the excess.

6

6.1 Subject to sub-paragraph 6.2, where -

- (a) a person who has received a demand, or undertaken, to pay Infrastructure Charges in respect of 2 or more Houses subject to a Common Billing Agreement fails to pay them, or any part of them, within 14 days of the date of connection; or
- (b) a Common Billing Agreement is terminated otherwise than in accordance with its terms by the person who has undertaken to pay charges under it,

nothing in this Condition shall preclude the Appointee from recovering, whether from that person or from the occupier of each House subject to the agreement, Infrastructure Charges in respect of that House at the Standard Amount.

6.2 Whenever it takes advantage of sub-paragraph 6.1, the Appointee shall give credit for any amount already paid by way of Infrastructure Charges in respect of that House for the connection concerned.

7 Paragraph 2 does not apply to the interest element of any Instalment Amount payable in accordance with Condition D.

8

8.1 Nothing in this Condition precludes the Appointee from charging less in any particular case than the level of Infrastructure Charge applying under paragraph 2.

8.2 Nothing in this Condition restricts the recovery or amount of any expenses or charges recoverable otherwise than under section 146 of the Water Industry Act 1991 or (except if and to the extent that sub-paragraph 3.1 applies to the amount) restricts the recovery or level of any Infrastructure Charge by reference to any such amount.

9 [not used]

10 Arbitration

If, in any case to which a Relevant Multiplier applies, there is any dispute between the Appointee and the person on whom any Infrastructure Charge has been levied about the calculation of the Relevant Multiplier, or the number or type of fittings on which that calculation is based, it may be referred by either party for determination by the Water Services Regulation Authority.

11 Periodic Review of Level of Infrastructure Charges

- 11.1 Where a Periodic Review is to be carried out under paragraph 8 of Condition B, the Appointee may, by notice given to the Water Services Regulation Authority in relation to water or sewerage connections or both, refer to the Water Services Regulation Authority, for determination by it, the question whether any (and if so, what) change to the Standard Amount or the manner of calculation of any Relevant Multiplier should be made for the period or periods to which that review relates.
- 11.2 Where a Periodic Review is to be carried out under paragraph 8 of Condition B, the Water Services Regulation Authority may, after giving notice to the Appointee in relation to water or sewerage connections or both, determine the question specified in sub-paragraph 11.1.
- 11.3 Notice under sub-paragraph 11.1 or 11.2 shall be given not later than 30 days after the Review Notice Date for the Periodic Review concerned.

12 Interim Review of Level of Infrastructure Charges

- 12.1 The Appointee may, by notice given to the Water Services Regulation Authority in relation to water or sewerage connections or both, refer to the Water Services Regulation Authority, for determination by it, the question whether any (and if so, what) change to the Standard Amount or the manner of calculation of any Relevant Multiplier should be made, in respect of the Subsequent Period, in order to ensure that
- (a) in each Charging Year in that period, the aggregate number of water, or as the case may be, sewerage connections made by the Appointee bears the same proportion to its aggregate revenue from Water Infrastructure Charges or, as the case may be, Sewerage Infrastructure Charges as the aggregate number of such connections assumed by the Secretary of State for that year in setting the initial level of those charges under this Condition bears to the aggregate revenue so assumed by him; and
  - (b) over the Subsequent Period any shortfall in (or excess of) revenue from Infrastructure Charges in any Charging Year in the Prior Period, compared with the revenue so assumed for that year, is recovered (or, as the case may be,

carried forward as a credit) to the extent attributable to any difference in those proportions in respect of that year.

- 12.2 In sub-paragraph 12.1 "the Subsequent Period" means the period from 1 April immediately following the Charging Year in which the reference is made until 31 March 1995 (or, if there is no Periodic Review at the first 5-yearly interval, 31 March 2000) and "the Prior Period" means the period from 1 April 1991 until the end of the Charging Year in which the reference is made.
- 12.3 The Water Services Regulation Authority may, after giving notice to the Appointee in relation to water or sewerage connections or both, determine the question specified in sub-paragraph 12.1.
- 12.4 Notice under sub-paragraph 12.1 or 12.3 may be given not more than once in any Charging Year and not later than 31 December.

### 13 Information

- 13.1 The Appointee shall furnish to the Water Services Regulation Authority, at the time when it gives notice to it under sub-paragraph 11.1 or 12.1, such Information as the Appointee reasonably believes is necessary to enable the Water Services Regulation Authority to make its determination. The Appointee shall also furnish to the Water Services Regulation Authority, after receipt by it of notice given under sub-paragraph 11.2 or 12.3 or this sub-paragraph, such further Information, specified in the notice, as the Water Services Regulation Authority may reasonably require to make its determination.
- 13.2 The Appointee shall also furnish to the Water Services Regulation Authority from time to time, when so requested by it, such Information as it may reasonably require, to decide whether or not to give notice under sub-paragraph 11.2 or 12.3.
- 13.3 Any Information furnished to the Water Services Regulation Authority under this paragraph shall, if the Water Services Regulation Authority so requires to make its determination, be reported on by a person ("**the Reporter**") appointed by the Appointee and approved by the Water Services Regulation Authority (such approval not to be unreasonably withheld). The provisions of sub-paragraphs 17.4, 17.5(2),

17.6 and 17.7(1) of Condition B shall apply to the engagement and terms of reference of each Reporter appointed pursuant to this Condition as they apply to those of each Reporter appointed pursuant to that Condition, save that the reference in sub-paragraph 17.4(1) to sub-paragraph 17.3 of that Condition shall be taken as a reference to this sub-paragraph.

14 References to the Competition Commission [Competition and Markets Authority]

Where -

- (1) following the giving of notice under sub-paragraph 11.1 or 11.2, the Water Services Regulation Authority has not notified the Appointee of its determination within 1 year from the Review Notice Date; or
- (2) following the giving of notice under sub-paragraph 12.1 or 12.3, the Water Services Regulation Authority has not notified the Appointee of its determination within 1 month from the date on which the notice under that sub-paragraph is given; or
- (3) the Appointee disputes any determination made by the Water Services Regulation Authority under this Condition

the Appointee may, by notice given to the Water Services Regulation Authority within -

- (a) 13 months from the Review Notice Date (in the cases referred to in (1) above); or
- (b) 2 months from the date on which the notice under sub-paragraph 12.1 or 12.3 is given (in the cases referred to in (2) above); or
- (c) 2 months from the date on which the Water Services Regulation Authority gives notice of its determination to the Appointee (in the cases referred to in (3) above)

require the Water Services Regulation Authority to refer to the Competition Commission [Competition and Markets Authority], for determination by it -

- (i) in any case referred to in (1) or (2) above, the relevant question; or
- (ii) in the case referred to in (3) above, the disputed determination.

## 15 Modification of this Condition

15.1 This Condition shall be modified by the change (if any) to the Standard Amount or the manner of calculation of any Relevant Multiplier, necessary to give effect to any determination made by the Water Services Regulation Authority or the **Competition Commission** **[Competition and Markets Authority]** under, or, as the case may be, following a reference under, this Condition.

15.2 Where the Appointee requires the Water Services Regulation Authority to make a reference to the **Competition Commission** **[Competition and Markets Authority]** under paragraph 14, this Condition shall be modified by the change (if any) to the Standard Amount or the manner of calculation of any Relevant Multiplier, necessary to give effect to the Water Services Regulation Authority's determination, but so that sub-paragraph 15.1 shall then apply to the determination made by the **Competition Commission** **[Competition and Markets Authority]** following that reference.

15.3 In this paragraph "this Condition" includes the Appendix to it.

## 16 Cessation of this Condition

16.1 Subject to sub-paragraph 16.2, this Condition (including the Appendix) shall cease to have effect on 1 April 2018 and shall not limit the amount of any Infrastructure Charge in respect of each Charging Year starting on or after that date.

16.2 This Condition (including the Appendix) shall continue to have effect in relation to a connection made on or after 1 April 2018 in the following circumstances:

(a) in relation to a Water Infrastructure Charge, if the premises are connected to a water main that:

- (i) was provided by a water undertaker under section 41 of the Water Industry Act 1991 and the charges for that water main were calculated

on the basis of the provisions of the Water Industry Act 1991 before they were amended by the Water Act 2014; or

(ii) was, or will be, adopted by a water undertaker in accordance with an agreement to which new charging rules do not apply; and

(b) in relation to a Sewerage Infrastructure Charge, if the premises are being connected to a public sewer that:

(i) was provided by a sewerage undertaker under section 98 of the Water Industry Act 1991 and the charges for that public sewer were calculated on the basis of the provisions of the Water Industry Act 1991 before they were amended by the Water Act 2014; or

(ii) was, or will be, adopted by a sewerage undertaker in accordance with an agreement to which new charging rules do not apply.

16.3 In this paragraph “new charging rules” means rules about charges issued by the Water Services Regulation Authority under section 51CD or 105ZF of the Water Industry Act 1991.

## **APPENDIX: CALCULATION OF RELEVANT MULTIPLIER**

- 1 To calculate the Relevant Multiplier for a House to which sub-paragraph 2.1.1 of Condition C applies:
  - 1.1 ascertain in respect of all the Houses subject to the Common Billing Agreement in question (eg all the flats in a block to which such an agreement applies) and all communal facilities shared by all or any of them, the total number of water fittings in all the categories specified in column 1 of the table below;
  - 1.2 calculate by reference to column 2 of the Table the aggregate loading units attributable to that total number of water fittings (and increase the aggregate, where necessary, to take account of the minimum for domestic appliances);
  - 1.3 divide that number of loading units by 24 and divide the resulting figure by the number of Houses subject to the Common Billing Agreement;
  - 1.4 the resulting number, will be the Relevant Multiplier.

## **Condition H: Procedure on leakage**

### **Introduction**

This condition sets out the procedure which the Appointee must follow in relation to leaks or potential leaks on Supply Pipes of Domestic Premises.

### **Application**

- H1. The Appointee must follow the procedure set out in this condition in relation to customers whose premises are Domestic Premises.
- H2. In this condition, any reference to the Appointee making an adjustment to Metered Charges for water supply in respect of premises means:
- H2.1 in any case where the Appointee supplies water at the premises, making an adjustment to the Metered Charges payable by the customer for that supply; and
  - H2.2 in any case where the premises are supplied by a Licensee with whom the Appointee has an agreement under section 66D of the Water Industry Act 1991, making an adjustment to the Metered Charges payable by the Licensee for that supply.
- H3. In this condition, any reference to the Appointee making an adjustment to Metered Charges for sewerage services in respect of premises means:
- H3.1 in any case where the Appointee provides sewerage services at the premises, making an adjustment to the Metered Charges payable by the customer for those services; and
  - H3.2 in any case where the premises are provided with sewerage services by a Licensee with whom the Appointee has an agreement under section 117E of the Water Industry Act 1991, making an adjustment to the Metered Charges payable by the Licensee for those services.

### **Checking for a leak on the Supply Pipe**

H4. At the time of the installation of a meter at a customer's premises, the Appointee must check the Supply Pipe between the meter and the customer's tap to detect whether there are any leaks.

H5. Where, as a result of that check, a leak is detected on the Supply Pipe:

H5.1 if the leak can be repaired without additional excavation at the time the meter is installed, the Appointee must repair the leak; and

H5.2 if the leak cannot be repaired without additional excavation at that time, the Appointee must notify the customer of the leak and either:

H5.2.1 repair the leak; or

H5.2.2 request that the customer repairs the leak at the customer's own expense.

### **Adjustment of charges for water supply**

H6. Paragraph H7 applies where, after a meter has been installed:

H6.1 a meter reading indicates that there could be an undetected leak on the Supply Pipe; and

H6.2 such a leak is subsequently discovered.

H7. Where this paragraph applies, the Appointee must make an adjustment to the Metered Charges for water supply in respect of the premises, subject to paragraphs H8 and H9.

H8. The requirement to adjust Metered Charges under this condition is conditional on the leak being repaired within any reasonable period of time specified by the Appointee.

H9. The Appointee is not required to make any adjustment to Metered Charges under this condition in relation to any leak:

H9.1 detected following the repair of a previous leak in relation to which such an adjustment has been made;

H9.2 which was caused through the negligence of the customer, the owner of the Supply Pipe or anyone acting on behalf of either of them;

H9.3 where the Appointee has requested that a customer repairs the leak under paragraph H5.2.2 and the customer has failed to repair it; or

H9.4 which the customer otherwise knew or ought to have known about and failed to repair.

**The amount of the adjustment of charges for water supply**

H10. In making an adjustment to the Metered Charges for water supply in respect of the premises under this condition:

H10.1 where the Appointee has a record of the customer's past consumption, the adjustment must be based on that consumption, and

H10.2 where the Appointee has no such record:

H10.2.1 the adjustment must be based on typical usage for properties of a similar type; and

H10.2.2 the Metered Charges in respect of the premises must be further adjusted if the customer's subsequent actual usage is significantly different.

## **Adjustment of charges for sewerage services**

- H11. Where the Appointee is required to make any adjustment to the Metered Charges for water supply under this condition:
- H11.1 if the Appointee is the sewerage undertaker for the premises, it must also make an adjustment to the Metered Charges for sewerage services in respect of the premises; and
  - H11.2 if another relevant undertaker is the sewerage undertaker for the premises, the Appointee must inform that undertaker as soon as reasonably possible of the adjustment the Appointee is required to make to the Metered Charges for water supply (specifying the basis on which the adjustment has been, or will be, made).
- H12. The Appointee must also make an adjustment to the Metered Charges for sewerage services in respect of premises where:
- H12.1 the Appointee is the sewerage undertaker for the premises; and
  - H12.2 the Appointee is informed by a water undertaker that the undertaker is required to make an adjustment to the Metered Charges for a supply of water to the premises (specifying the basis on which the adjustment has been, or will be, made).
- H13. Where the Appointee is required to make any adjustment to Metered Charges for sewerage services under this condition, it must make that adjustment on a similar basis to the adjustment being made to the Metered Charges for water supply in respect of the premises.

**Condition I: [not used]**

## **Condition J: Levels of Service Information and Service Targets**

### Part I. Levels of Service Information

#### 1 Provision of Information

- 1.1 The Appointee shall in respect of each Charging Year, starting with the Charging Year commencing on 1<sup>st</sup> April 1990, furnish Information to the Director [Water Services Regulation Authority] once in each Charging Year in respect of the matters specified in, and otherwise in accordance with, Appendix A to the letter entitled "Levels of Service" dated 11 August 1989 from the Secretary of State to the Appointee ("**the Levels of Service Letter**").
- 1.2 Where the Director [Water Services Regulation Authority] is satisfied that the provision of Information in respect of the matters specified in Appendix A to the Levels of Service Letter is inadequate to enable him [it] properly to keep the quality of the services provided by the Appointee in the course of the Appointed Business ("**Services**") under review the Director [Water Services Regulation Authority] may, subject to prior consultation with the Appointee, by notice to the Appointee vary the matters specified in that Appendix in respect of which Information is to be furnished under sub-paragraph 1.1 in a manner which is reasonable having regard to the Director [Water Services Regulation Authority]'s duties under sub-sections (1) and (2) of section 26 [27 of the Water Industry Act 1991] and thereafter the Appointee shall in respect of each Charging Year furnish Information to the Director [Water Services Regulation Authority] in respect of those matters as so varied. The Director [Water Services Regulation Authority] may, subject as aforesaid, make variations from time to time under this sub-paragraph and references in this sub-paragraph to the matters specified in Appendix A to the Levels of Service Letter shall be read and construed as though they were references to the matters specified in Appendix A as varied from time to time.
- 1.3 Where the Director [Water Services Regulation Authority] considers it requisite or expedient for the purpose of deciding whether to make an application to the Secretary of State under section 38 [39 of the Water Industry Act 1991] (and, if so, what provisions should be set out in the application) or to require the Appointee to notify a

Service Target under sub-paragraph 3.2 the Appointee shall furnish to the **Director** **[Water Services Regulation Authority]**:

- (1) such further Information as the **Director** **[Water Services Regulation Authority]** reasonably requires in respect of the quality of Services; and
- (2) Information in respect of the quality of Services in respect of any reasonable period other than a Charging Year and/or more frequently than once in a Charging Year (but not more frequently than is reasonable) as may be specified by the **Director** **[Water Services Regulation Authority]**. Such Information, at the Appointee's option, may consist of updating Information previously furnished to the **Director** **[Water Services Regulation Authority]** under sub-paragraph 1.1, 1.2 or 1.3(1).

1.4 In this Condition references to the quality of Services shall include references to the manner in which the Appointee carries out the Regulated Activities.

## 2 Reports, certificates etc

Information furnished to the **Director** **[Water Services Regulation Authority]** by the Appointee under paragraph 1 (other than under sub-paragraph 1.3) and, where the **Director** **[Water Services Regulation Authority]** so requires, Information furnished to **him** **[it]** by the Appointee under that sub-paragraph, ("**Levels of Service Information**") shall be accompanied by:

- (1) a report, signed by or on behalf of the Appointee, containing such information as the **Director** **[Water Services Regulation Authority]** may reasonably specify as to the methods used, and the steps taken, by the Appointee for the purpose of monitoring, assessing and reporting on the matters in respect of which Levels of Service Information has been furnished; and
- (2) a statement, signed by or on behalf of the Appointee, of the reasons why, and the extent to which, (if such be the case) the quality of any Services shall have been such that any standard by reference to which Levels of Service Information has been furnished shall not have been met. The statement shall include, without limitation, information as to the categories of persons to

whom those Services have been so provided or who have been affected by the carrying on of the Appointed Business in that manner and their geographical distribution.

## Part II. Service Targets

### 3 Setting of Service Targets by the Appointee

3.1 The Appointee shall once in each Charging Year, starting with the Charging Year commencing on 1<sup>st</sup> April 1990, notify the **Director** **[Water Services Regulation Authority]** of its intentions as to the quality of such Services as are specified in Appendix B to the Levels of Service Letter in respect of each Charging Year falling within the period beginning at the start of the Charging Year in which the notification falls to be given and ending on the expiry of such number of Charging Years as is specified in that Appendix and otherwise in accordance with the procedures specified in that Appendix.

3.2 Where the **Director** **[Water Services Regulation Authority]** considers it requisite or expedient for the purpose of enabling **him** **[it]** properly to keep the quality of Services under review the **Director** **[Water Services Regulation Authority]** may require the Appointee to notify **him** **[it]** of its intentions as to the quality of such other Services in accordance with such requirements as the **Director** **[Water Services Regulation Authority]** may reasonably specify.

3.3 The Appointee's intentions shall be expressed in any notification under sub-paragraph 3.1 or 3.2 as a target (a "**Service Target**") for achievement by such date or over such period or at such times during such period as may be specified in Appendix B to the Levels of Service Letter or, as the case may be, as the **Director** **[Water Services Regulation Authority]** may have specified when **he** **[it]** requires the Appointee to notify **him** **[it]** of its intentions under sub-paragraph 3.2 and in respect of the whole or such part of the Area as may be specified in the said Appendix B or, as the case may be, as the **Director** **[Water Services Regulation Authority]** may have so specified and so as to be capable of verification in accordance with this Condition.

### 4 Monitoring of Service Targets

The Appointee shall keep under review during each Charging Year the quality of Services as compared with any relevant Service Target notified by it to the **Director [Water Services Regulation Authority]** under paragraph 3 as a target for achievement during that Charging Year or by a date or at a time during that Charging Year or over a period including that Charging Year. For this purpose the Appointee shall take such steps to monitor and assess the quality of Services as may be necessary to enable such comparison to be made and to enable the Appointee to make the report referred to in paragraph 5.

5 Reporting on Service Targets

5.1 The Appointee shall furnish to the **Director [Water Services Regulation Authority]** a written report (a "**Service Target Report**") as to the quality of Services as compared with any relevant Service Target.

5.2 A Service Target Report shall include:

- (1) all such Information as in the opinion of the Appointee is necessary to provide a proper explanation of the Report and of the quality of Services as compared with any relevant Service Target; and
- (2) a statement of the methods used by the Appointee to keep the quality of Services under review in accordance with paragraph 4 and the steps taken by it to monitor and assess the quality of Services in accordance with that paragraph.

5.3 Without prejudice to the generality of sub-paragraph 5.2 a Service Target Report may include a statement of:

- (1) any matters which, in the opinion of the Appointee, will or may result in the Appointee being unable to achieve any Service Target or which have resulted in the Appointee being unable to achieve any Service Target to the extent that it was expressed in the notification to the **Director [Water Services Regulation Authority]** under paragraph 4 to be a target for achievement during the relevant Charging Year or by a date or at a time during that Charging Year;

- (2) any matters which have made it impossible for the Appointee to ascertain, either at all or with reasonable accuracy, whether or not any Service Target has been, or is likely to be, achieved; and
- (3) any exceptional matters or matters out of the ordinary course and in each case outside the reasonable control of the Appointee which have affected the quality of any Services and which could fairly be said to render or to have rendered the achievement of any Service Target substantially more onerous.

5.4 The Appointee may also specify in a Service Target Report any revision of any Service Target which the Appointee has determined to make having regard to any matters included in that Service Target Report, including, without limitation, such matters as are referred to in sub-paragraph 5.3. Such revision may be, without limitation, as to the date by, or the period over, or the times at, which during any period the relevant Service Target was intended to be achieved, or the part of the Area in respect of which the relevant Service Target was intended to be achieved. Any such revised Service Target is hereinafter referred to as a "**Revised Service Target**". Paragraphs 4, 5 (including this sub-paragraph) and 6 to 13 inclusive shall apply mutatis mutandis to any Revised Service Target.

5.5 The Appointee shall once in each Charging Year furnish a Service Target Report to the **Director [Water Services Regulation Authority]** in respect of that Charging Year, provided that, if the **Director [Water Services Regulation Authority]** considers it requisite or expedient for the purpose of deciding whether to make an application to the Secretary of State under section **38 [39 of the Water Industry Act 1991]** (and, if so, what provisions should be set out in the application) the Appointee shall furnish a Service Target Report more frequently (but not more frequently than is reasonable).

## 6 Measures to achieve Service Targets

Where, following receipt by the **Director [Water Services Regulation Authority]** of any Service Target Report, **he [it]** considers it requisite or expedient for the purpose of deciding whether to make an application to the Secretary of State under section **38 [39 of the Water Industry Act 1991]** (and, if so, what provisions should be set out in the application), the Appointee shall furnish to the **Director [Water Services Regulation Authority]** in writing within such reasonable period as the **Director [Water Services**

**Regulation Authority**] may specify such further Information as the **Director** **[Water Services Regulation Authority]** may reasonably require, including, but not limited to, Information as to:

- (1) the respective measures required to be taken to achieve any Service Target and the respective costs of such measures (and, where more than one measure is available, whether or not subject to the expenditure of money, the Appointee shall give details of the alternative measures); and
- (2) the measures being taken or proposed to be taken to achieve any Service Target.

Part III. Certification and Verification of Information

7 Levels of Service Information and Service Target Reports required to be furnished once in each Charging Year shall be accompanied by a certificate, signed by the Auditors (or by such other person as the **Director** **[Water Services Regulation Authority]** may approve, such approval not to be unreasonably withheld) stating whether, in their opinion, the relevant Levels of Service Information and Information contained in the relevant Service Target Report has been ascertained by the use of the methods and the taking of the steps which the Appointee has informed the **Director** **[Water Services Regulation Authority]** it has used and taken and whether, in their opinion, the methods used and the steps taken are adequate for the purpose of ascertaining that Levels of Service Information and the Information contained in that Service Target Report. (B) the amount of the consideration to be received or expected to be received by the Appointee from the proposed disposal, expressed in cash according to when

  - (b) furnish to the Water Services Regulation Authority a certificate by a valuer appointed by the Appointee ("**the Valuer**") addressed to the Water Services Regulation Authority which states that in the opinion of the Valuer the disposal of the protected land by auction or, as the case may be, formal tender and the timing of the proposed disposal are respectively the method and timing of disposal most likely to secure that the best price is obtained for the land in question;
- (2) prior to the date of the auction or the invitation to tender, furnish to the Water Services Regulation Authority in writing such further Information regarding the proposed disposal which the Water Services Regulation Authority may reasonably request.
