INVESTORS IN PEOPLE™
We invest in people Standard

Introduction from Rachel Fletcher, Chief Executive

Improving life through water.

Water companies support all aspects of life. Safe and reliable water and wastewater services are essential for our day to day lives, our wellbeing, and our natural world.

And as the economic regulator of water and waste water in England and Wales, our role is to enable, incentivise and hold companies to account for providing the very best for customers, society and the environment now and in the future. We also oversee the markets that exist in the water sector to make sure they are working for customers.

To achieve this, we've set ourselves three goals. They are to:

- transform water companies' performance;
- drive water companies to meet long-term challenges through increased collaboration and partnerships; and
- for water companies to provide greater public value, delivering more for customers, society and the environment.

Delivering these goals will help to meet customers' needs: ensure reliable and safe water supplies today with a better environment, affordable bills and a resilient and sustainable future for water.

As we do this, we will be working to fulfil the UK and Welsh Governments' strategic priorities for Ofwat, and UK and Welsh Government policy.

We're ambitious about the future and looking for people who can help us to achieve our goals. Thanks for your interest in joining Ofwat. We look forward to receiving your application.

Rachel Fletcher
Ofwat Chief Executive

About Ofwat and the role

Ofwat (the Water Services Regulation Authority) is the economic regulator of the water and wastewater sector in England and Wales. Our role is to help it build trust and confidence with customers, the environment and wider society. Ofwat has an ambitious new [strategy](#) and as a regulator we are setting ourselves up to achieve and equal the ambition of this new strategy. It matters to us that things on the ground really change so that our impact on customers, the environment and the future of water is tangible and meaningful.

Our work is high-profile and fast-moving, within a dynamic and agile environment. The work that you'll be involved in every day will be about helping us to deliver our strategy, helping to us to be the regulator we want to be and helping the sector to deliver outcomes that matter to customers and society. Our strategy sets out the role Ofwat will play. We will adapt, be confident, act with purpose and integrity and continuously improve so that we make the greatest contribution possible to improving life through water.

Ofwat's environment work and team (Performance and Outcomes)

The natural world is facing profound challenges in the form of climate emergency, wildlife loss, and environmental degradation. The water sector is deeply invested in and reliant on our natural world and is working to protect and improve our environment both now and in the future. Through our strategy, we are making the environment integral to all that we do and we have set out how we will regulate in a way that means that water companies are able build on the work they are already doing to make the environment an integral part of their business, inseparable from the services they provide.

The role of Senior Associate sits within the newly created environment team as part of the Environment, Public Value and Governance work stream of the Performance and Outcomes cluster. Performance and Outcomes is one of seven new clusters. Its purpose is to develop and implement regulatory policy, monitor company performance and drive improvement to support our strategic goals for the sector and deliver the best outcomes for customers and the environment.

The environment team is focussed on delivering the environmental policy objectives of our strategy, and engaging and collaborating with key environmental stakeholders.

We are committed to working in partnership with Government, regulators, industry and our environmental stakeholders on key environmental policy projects including:

- strengthening the water sector's approach to climate change and its [net zero 2030 ambition](#)
- exploring how we can use natural capital accounting methods
- considering how to bring about change in how people use water
- encouraging and facilitating nature based solutions.

Role expectations

You will be expected to play an important role in delivering the environmental policy objectives of Ofwat's strategy. In particular, you will play a key role in our climate change mitigation and adaptation work, working closely with the water sector on its Net Zero 2030 commitment. You will be comfortable representing Ofwat and communicating Ofwat policy to environmental stakeholders including government officials, water companies and others. You will provide advice and make recommendations, ensuring Ofwat understands and can incorporate climate change policy into its work, proactively sharing skills and knowledge.

You will be a policy professional with relevant experience in climate change mitigation and adaptation, or you will have a strong industry or environmental consultancy background relevant to the role. You will have a good understanding of environmental issues and experience of climate change policy, and ideally you will have a strong network in the climate sector. But regardless of your professional expertise, a range of skills will be needed – from policy development and systems thinking, to project management and stakeholder relations. Excellent communication skills, and an ability to work effectively across organisational boundaries and challenge the status quo are essential. You should be comfortable working in an agile environment.

As a Senior Associate you will work as part of a multi-disciplinary team and will be expected to take responsibility for your work areas. You will have opportunities to develop and consolidate your skill set. You are a self-starter and do not require detailed supervision from senior colleagues. You will continue to hone your judgement and be expected to exercise it responsibly in line with our strategy and ways of working.

Key deliverables

- Engaging with water industry climate change mitigation and net zero work, developing and communicating Ofwat’s position.
- Developing Ofwat’s approach to climate change adaptation.
- Providing expert advice on climate change across the organisation as is required.
- Supporting the environment team’s work and policy projects more broadly as is required.
- Forging excellent links across the water sector in relation to climate change policy, including with water companies, environmental groups, government, and other regulators.
- Influencing and managing strategic policy relationships with water companies, environmental groups, government, and other regulators on environmental issues relevant to Ofwat’s work.
- Working collaboratively and flexibly with colleagues across different work streams and clusters to ensure joined up and consistent representation on environmental and climate change issues and priorities across all areas of Ofwat’s work
- Looking beyond the water and wastewater sector, and where necessary other utility sectors, for creative and novel ways to meet the environmental challenges the sector faces.

Professional requirements

	Essential	Desirable
Qualifications and Experience	<ul style="list-style-type: none"> • Academic or professional experience in climate change mitigation and adaptation. • Academic or professional experience of working on wider environmental issues. • Strong analytical skills with the ability to cut through complexity. • Strong communicator, able to effectively communicate complex issues to different audiences. • Proven experience in a policy analysis and policy delivery environment. • Experience in policy development, design or implementation. • An ability to work proactively with stakeholders, balancing competing interests, to deliver policy objectives. 	<ul style="list-style-type: none"> • Professional experience in regulation and/or water sector. • Professional experience of addressing environmental challenges through the use of nature-based solutions or natural capital accounting. • Experience of working with government and non-government environmental stakeholders.

	Essential	Desirable
		<ul style="list-style-type: none"> Understanding and experience of government policy formulation and the role of regulation in that.
Knowledge	<ul style="list-style-type: none"> Up-to-date knowledge of national and international climate change policy and best practice in climate change mitigation and adaptation. Problem solving and analytical thinking in the context of policy development. 	<ul style="list-style-type: none"> Up-to-date knowledge of climate change science. Knowledge of the water sector and water resource management. An understanding of the role strategic water resource management plays in mitigating and adapting to climate change. Understanding the relevance and the impact of economic regulation from a regulated industry and regulatory body perspective, and being able to apply this.

Terms and conditions of employment

Contract

This is a permanent appointment.

Salary

The salary range for this role is **Band 3 - £33,851 - £50,615**. External candidates can expect to achieve a starting salary from the bottom of the band **up to £37,000** depending on relevant skills and experience required for the post. Salary is paid monthly by credit transfer.

Internal and Civil Service candidates already at this job level would normally maintain their existing salary arrangements as this would be classed as a level transfer. If applying for the role as a promotion, these candidates can typically expect to be appointed on a salary at the bottom of the band or a 10% increase to existing salary, whichever is greater.

Location

The role will be based in either Birmingham or London. However, it is likely that travel between offices and throughout the UK will be needed to be effective.

Contracted place of work and taxable expenses

Any person who regularly works more than two days a month in both the Birmingham and London offices, irrespective of their contracted place of work, is considered by HMRC to have [two permanent workplaces](#).

The payment of your rail fare, accommodation or subsistence in this situation attracts tax and National Insurance because you are receiving a benefit.

Ofwat meets the cost of the tax and National Insurance by grossing up your expenses and recovering the net amount through your monthly pay package. But the expenses are classed as taxable earnings, which could impact on any attachment of earnings – for example, student loan repayments, high income child benefit and state benefits.

This means that you will not be required to meet the costs of travel to the office location where you are not based.

For further information on taxable expenses, please email payroll@ofwat.gov.uk.

Hours of work

The successful post holder will be required to work a minimum of 37 hours, excluding lunch breaks. You will be required to work such additional hours as is reasonable and necessary for the efficient performance of your duties.

Probation

There is a probationary period of six months for all new entrants. Subject to satisfactory performance, the post holder will be transferred to permanent establishment at the end of their probation.

Annual leave

On appointment the post holder will be entitled to 25 days annual leave plus 10½ days' public and privilege holidays a year. Annual leave entitlement will be increased by one day for each year of continuous employment with Ofwat, up to a maximum leave allowance of 30 days.

Pension

On appointment, you are eligible to join the Civil Service Pension. The Civil Service offers a choice of defined benefit and stakeholder pensions, giving you the flexibility to choose the pension that suits you best. We offer you a choice of two types of pension.

Alpha: alpha is an occupational pension scheme and provides a defined benefit worked out on a Career Average basis.

From 1 April 2020, member contributions are based on actual salaries.

From 1 April 2020, employee contributions are:

Actual pensionable salary (annual)	All members
Up to and including £22,600	4.60%
£22,601 to £54,900	5.45%
£54,901 to £150,000	7.35%
£150,001 and above	8.05%

From 1 April 2020, employer contributions are:

Revised Salary Band (£)	ASLC rate from 1 April 2020
23,000 and under	26.6%
23,001 to 45,500	27.1%

45,501 to 77,000	27.9%
77,001 and over	30.3%

Partnership: this is a stakeholder pension with a contribution from Ofwat. How much we pay is based on your age. We pay this regardless of whether you choose to contribute anything. You do not have to contribute but, if you do, we will also match your contributions up to 3% of your pensionable earnings.

Employer age-related contributions are:

Age at the last 6 April	Percentage of your pensionable earnings
Under 31	8%
31 to 35	9%
36 to 40	11%
41 to 45	13.5%
46 or over	14.75%

To learn more about the Civil Service Pension schemes, please follow the link <http://www.civilservicepensionscheme.org.uk/>

Ofwat benefits

We also offer a range of additional benefits. These include:

- access to our package of benefits via our 'Edenred' scheme. This is a voluntary benefits scheme where staff have access to exclusive discounts on a range of goods and services such as retail outlets, theatre tickets, holidays, insurance and gym membership;
- cycle-to-work scheme;
- season ticket loan for travel between home and office;
- flexible working arrangements;
- fees paid for membership of relevant professional bodies;
- regular professional development;
- health and wellbeing initiatives; and
- free eye tests and contribution towards lenses/spectacles for VDU users, if appropriate

Further information

Security clearance

Any offer of appointment will be subject to satisfactory completion of security and pre-employment checks. Further information about the security checking procedure is available on request.

Nationality and immigration control

This post is open to nationals of states within the British Commonwealth and the European Economic Area (EEA) and certain members of their families. There must be no employment restriction or time limit on your permitted stay in the UK.

If you would like further information on Nationality and Immigration Control, please email us at people@ofwat.gov.uk.

Stocks or shares

Because of the nature of the information you will come into contact with and the need to be wholly independent of the water sector in England and Wales, you and your family (including your spouse or civil partner and any children or step-children under the age of 18 who still live at home, or any other member of your household) will be precluded from owning, purchasing or dealing in the shares of the water companies and their holding companies.

How to apply

Applications should include a:

- curriculum vitae (**CV**);
- **covering letter** or supporting statement that outlines the contribution you can make to Ofwat, including how you feel you meet our professional requirements and demonstrate behaviours outlined in our competency framework;
- completed **CV supplement form**; and
- completed **diversity monitoring form**. This form is not mandatory.

Please email your CV and supporting documents to recruitment@ofwat.gov.uk by the closing date.

If you are unable to make an electronic application, you may submit your application on paper. Please contact us to find out how.

Selection timetable

Closing date	Friday 10 July 2020 @ 5:00PM
Sifting	Week commencing 13 July 2020
Interview dates	Week commencing 21 July 2020

Please note that during the Covid-19 pandemic interviews will be conducted via video conferencing software such as BlueJeans, Skype or Microsoft Teams. It is likely that a presentation or assessment will form part of the interview process and candidates will be given further details upon invitation to interview.

If you have any queries about any aspect of this role or selection process, please email recruitment@ofwat.gov.uk

Expenses

We will refund travelling costs at the rate of standard rail fare for the journey or motor mileage rates (cars: 25p per mile).

Please note that proof of purchase will be required for all public transport expenses.

We cannot refund expenses for travel into the UK. If you have to stay overnight, please contact recruitment@ofwat.gov.uk for further details.

Data protection

We will use your application only to inform the selection process. If you are successful it will form the basis of your personal employee record with us and we will store it electronically within our SharePoint Electronic Document Management System (EDRMS) and our HR system iTrent. Unsuccessful applications are not retained and will be destroyed using Ofwat's secure disposal methods. If you have indicated that you would like Ofwat to retain your information for future similar employment opportunities we will retain this information. If at any point you decide you do not wish Ofwat to retain your information for these purposes please contact

us and we will ensure your information is removed from our systems, unless we are legally obliged to hold it for a further period.

We will hold any data about you in completely secure conditions and with restricted access. Information in statistical form on present and former employees in some instances is provided to appropriate outside bodies. Wherever possible Ofwat ensures that statistical information is anonymised.

We will include data that you provide on the diversity monitoring form in a general database for statistical monitoring purposes only. This enables us to monitor the effectiveness of our policy on equal opportunities in employment.

Ofwat processes all the personal data you have provided during your application as set out in Ofwat's privacy policy which is available here:

<https://www.ofwat.gov.uk/publication/privacy-policy/>. If you have any concerns regarding the processing of some or all of your data please inform the People Hub in writing to people@ofwat.gsi.gov.uk and/or the Data Protection Officer by emailing FOI@ofwat.gsi.gov.uk.

Diversity

Ofwat aims to be an equal opportunities employer. We intend to make sure that there is equality of opportunity and fair treatment for all irrespective of:

- age;
- disability;
- gender reassignment;
- marriage and civil partnership status;
- pregnancy and maternity;
- race, religion or belief; or
- sex or sexual orientation.

We would like to assure you that we will treat the information you provide on the diversity monitoring form in the strictest confidence and only use it to help us monitor appropriate equal opportunities policies. This information plays no part in our selection process.

Investors in People (IIP)

Ofwat has IIP accreditation which reflects good management practices throughout our organisation, including in business planning, individual objective setting, learning and development opportunities, as well as continuous constructive feedback through our delivery and development conversations approach to performance management.

Complaints procedure

The process of recruitment and assessment embraces the principles of fair and open competition and best practice. The first is to maintain the principle of selection for appointment to the Civil Service on merit on the basis of fair and open competition as outlined in the [Civil Service Recruitment Principles](#). The second is to promote an understanding of the [Civil Service Code](#) which sets out the constitutional framework in which all civil servants work and the values they are expected to uphold, and to hear and determine appeals made under it.

If you feel your application has not been treated in accordance with the recruitment principles and you wish to make a complaint, you should contact Sarah Lal, Head of HR, Operations (People), Ofwat, Centre City Tower, 7 Hill Street, Birmingham, B5 4UA in the first instance. If you are not satisfied with the response you receive from us you can contact the Civil Service Commission at info@csc.gov.uk.
