Made on 25 September 2020

Coming into effect on 26 September 2020

1. Icosa Water Services Limited ("Icosa Water") and Severn Trent Water Limited ("Severn Trent") hold Appointments as sewerage undertakers for their respective areas ("the Appointments").¹ The areas to which the Appointments of Icosa Water and Severn Trent as sewerage undertakers relate ("Sewerage Services Area") are set out in their Instruments of Appointment.
2. The site called Land at Perrybrook, near North Brockworth, Gloucester, which is shown edged in red on the plan attached to this variation ("the Site") is within Severn Trent's Sewerage Services Area. The Site is being developed by Taylor Wimpey UK Limited.
3. Icosa Water has applied under section 7(4)(b) of the Water Industry Act 1991 ("the Act") for a variation of its Appointment as a sewerage undertaker to include the Site and for a consequential variation of Severn Trent's Appointment to exclude the Site.
4. On 27 June 1995, the Secretary of State for the Environment and the Secretary of State for Wales acting jointly and pursuant to sections 6(1) and 7(2) of the Act authorised the Director General of Water Services² to make variations such as those contained in paragraph 5 below. After public consultation, as required by section 8 of the Act, the Water Services Regulation Authority has decided that it should grant Icosa Water's application.
5. Therefore, as provided by sections 7(2) and 7(4)(b) of the Act, and with the agreement of Taylor Wimpey UK Limited, the Water Services Regulation Authority **varies**—
 - (a) the Appointment of Icosa Water as a sewerage undertaker so that the Site is included in Icosa Water's Sewerage Services Area;
 - (b) the Appointment of Severn Trent as a sewerage undertaker so that the Site is excluded from Severn Trent's Sewerage Services Area.

¹ Severn Trent's original Appointments as water and sewerage undertakers were made by the Secretary of State for the Environment under sections 11 and 14 of the Water Act 1989, now replaced by sections 6 and 11 of the Water Industry Act 1991. Icosa Water's original appointment was made by the Water Services Authority under sections 6 and 11 of the Water Industry Act 1991.

² With effect from 1 April 2006 the functions of the Director General of Water Services were transferred to the Water Services Regulation Authority in accordance with section 36 of, and Schedule 3 to, the Water Act 2003.
