

WATER SERVICES REGULATION AUTHORITY

**NOTICE OF REVOCATION OF THE WATER SUPPLY LICENCE AND
SEWERAGE LICENCE OF UTILITY BIDDER LIMITED**

This Notice of Revocation is given to Utility Bidder Limited by the Water Services Regulation Authority, revoking Water Supply Licence number 069/2018/WL and Sewerage Licence number 068/2018/SL, with effect from 7 October 2020.

Whereas:

On 21 June 2018, the Water Services Regulation Authority (“**Ofwat**”) granted a water supply licence with a retail authorisation to Utility Bidder Limited (“**Utility Bidder**”) (Water Supply Licence number 069/2018/WL) under section 17A of the Water Industry Act 1991 (“**WIA91**”);

On 21 June 2018, Ofwat granted Utility Bidder a sewerage licence with a retail authorisation (Sewerage Licence number 068/2018/SL) under section 17 BA WIA91 (together “**the Licences**”);

The Licences are subject to the Standard Licence Conditions issued by the Secretary of State under sections 17H and 17HA WIA91;

On 17 March 2017, the Secretary of State issued a general authorisation to Ofwat to revoke water supply and sewerage licences. The general authorisation came into effect on 1 April 2017; and

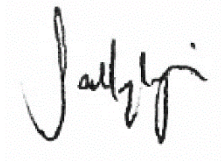

Standard Licence Condition 11 provides that in issuing a notice of revocation, Ofwat must set out the matters it relies on to justify the revocation and the date the revocation will take effect. It also provides that the revocation may not come into effect until 30 days after the notice is issued, except in certain circumstances, including where the licensee consents to the revocation.

Now therefore:

Ofwat hereby revokes Utility Bidder Limited’s water supply licence and sewerage licence, relying on Standard Licence Condition 10(2)(a), as Utility Bidder Limited has consented to the revocation. Utility Bidder Limited has requested that we revoke the Licences with immediate effect.

The revocation of the Licences will therefore take effect on 7 October 2020.

Date: 5 October 2020
