Dear Ofwat,

Response to the consultation on changes in Ofwat's charging rules

Many thanks for the opportunity to respond to the above consultation.

Please find attached SES Water's response and we welcome your comments and are happy to engage further with you to improve the methodology in this area of price review.

Yours faithfully

Paul Kerr
Group Chief Financial Officer

Q1: Do you agree with our proposed rule changes? Please offer alternative if you think they would better achieve our intention.

Response: We agree with the proposed changes and do not have further comment.

Q2: Do you agree with our proposed changes in Appendices 1, 2, and 3?

Response: We agree with the proposed changes and do not have further comment.
