Subject: Customer Bad Debt December 2021 Decision and Consultation

Good afternoon,

Please see the response for water2business below.

Consultation Question 1 – Do you agree with our methodology (as set out in Annex A3 and in the accompanying Excel spreadsheet model) for calculating the temporary uplift to REC price caps to apply from April 2022?

Yes

Consultation question 2 – Do you agree that that it is reasonable, for the purposes of revising regulatory protections in respect of excess customer bad debt costs arising following the Covid-19 pandemic, to approximate efficient financing costs for Retailers at 3.5%? Please provide evidence or supporting materials for your views.

Yes

Consultation question 3 – Do you have views concerning forecast business retail market revenue out to 2023-24 for the purposes of calculating the proposed adjustment to REC price caps to take effect from April 2022?

No

Consultation Question 4 – Do you agree with our proposals to temporarily increase REC price caps by 0.31% with effect from April 2022?

Yes

Consultation Question 5 – Do you agree that the proposed amendments to the Retail Exit Code as set out in Annex A4 are correct in terms of implementing the proposed adjustment to REC price caps we have set out? If not, please specify why and how you think these should be adjusted

Yes

Kind regards,

Matt
