**Subject:** Havant Thicket Gate 2 Consultation

Dear Sir or Madam,

As a nearby resident I am writing to object to the proposals of Southern Water and Portsmouth Water for the Havant Thicket reservoir as laid out in the Gate 2 Consultation <https://www.ofwat.gov.uk/consultation/strategic-regional-water-resource-solutions-accelerated-gate-two-draft-decision-for-havant-thicket-raw-water-transfer/>

My specific concerns are raised in Sections 3.3.5 Environment and 3.3.6 Drinking Water Quality, along with noting Southern Water's cavalier, borderline criminal attitude to the disposal of raw sewage along the coast.

Yours sincerely,
