For the attention of the Operations team

Please divide the respondents into two groups. For one of the groups show the scale questions in their original orientation, as described in this questionnaire. For the second group please reverse the order. For example, for Q1 (shown below) one group will see ‘Yes’ followed by ‘No’ and the reverse is true for group two. Don’t know will remain at the bottom for both groups.

ASK ALL

Q1. Does your property include access to a garden?

Please select one option

SINGLE CODE

Yes	1	
No	2	
Don’t know	3	FIX

We have already flipped the scales in this manner for the 10-point scale questions and would like this flipped orientation to apply to all the following scale questions in the survey listed below:

- LIVING_STATUS
