Dear 

Thank you for your request for information concerning underlying performance data for 2015-16 and RORE data.

Ofwat confirms that in the period 2015 – 2016 we didn't publish the underlying charts and data for the Monitoring financial resilience 2015-16 report. This was then subsequently requested and Ofwat commenced publication of the underlying data with effect from the 2016-17 report.

The data presented in the Monitoring financial resilience 2015-16 report is publicly available in companies' annual reports which they publish on their websites. A full list of water company website information can be located at this link <https://www.ofwat.gov.uk/households/your-water-company/map/>

Once a FOI request is answered, it is considered to be in the public domain. To promote transparency, Ofwat may publish the response and any material released on our website in the [FOI disclosure section](#). Any personal information in the letter will be removed before publishing. This document will be held in accordance with Ofwat's retention and disposal schedule which can be found in our Publication Scheme at the following link <https://www.ofwat.gov.uk/publication/retention-disposals-policy/>.
